Meeting Name:	Licensing Sub-Committee
Date:	27 January 2026
Report title:	Licensing Act 2003: Peckham Palais, 1a Rye Lane, London SE15 5EW
Ward(s) or groups affected:	Rye Lane
Classification:	Open
Reason for lateness (if applicable):	Not applicable
From:	Strategic Director of Environment, Sustainability and Leisure

RECOMMENDATION

1. That the licensing sub-committee considers an application made by Background Bars Limited for a premises licence to be granted under the Licensing Act 2003 in respect of the premises known as Peckham Palais, 1a Rye Lane, SE15 5EW.
2. Notes:
 - a) This application forms a new application for a premises licence, submitted under Section 17 of the Licensing Act 2003. The application is subject to representations from four responsible authorities, namely trading standards, the environmental protection team (EPT), the metropolitan police and licensing as responsible authorities. There are a further twenty-six representations from other persons supporting the application, therefore the application is referred to the licensing sub-committee for determination.
 - b) Paragraphs 8 to 10 of this report provide a summary of the application under consideration by the sub-committee. A copy of the full application is attached as Appendix A.
 - c) Paragraphs 11 to 22 of this report deal with the representations submitted in respect of the application. Copies of the representations submitted are attached in Appendix B and C of this report. A map showing the location of the premises is attached to this report as Appendix E.
 - d) A copy of the council's approved procedure for hearings of the sub-committee in relation to an application made under the Licensing Act 2003, along with a copy of the hearing procedure, has been circulated to all parties to the meeting.

BACKGROUND INFORMATION

The Licensing Act 2003

3. The Licensing Act 2003 provides a licensing regime for:
 - The sale of and supply of alcohol
 - The provision of regulated entertainment
 - The provision of late night refreshment.
4. Within Southwark, the licensing responsibility is wholly administered by this council.
5. The Act requires the licensing authority to carry out its functions under the Act with a view to promoting the four stated licensing objectives. These are:
 - The prevention of crime and disorder
 - The promotion of public safety
 - The prevention of nuisance
 - The protection of children from harm.
6. In carrying out its licensing functions, a licensing authority must also have regard to:
 - The Act itself
 - The guidance to the act issued under Section 182 of the Act
 - Secondary regulations issued under the Act
 - The licensing authority's own statement of licensing policy
 - The application, including the operating schedule submitted as part of the application
 - Relevant representations.
7. The premises licence application process involves the provision of all relevant information required under the Act to the licensing authority with copies provided by the applicant to the relevant responsible bodies under the Act. The application must also be advertised at the premises and in the local press. The responsible authorities and other persons within the local community may make representations on any part of the application where relevant to the four licensing objectives.

KEY ISSUES FOR CONSIDERATION

The premises licence application

8. On 24 November 2025, Background Bars Limited applied for a premises licence to be granted under the Licensing Act 2003 in respect of the premises to be known as Peckham Palais, 1a Rye Lane, SE15 5EW. The premises and purpose is described within the application as:

‘Multi-floor venue providing regulated entertainment, on-sales of alcohol, and late night refreshment use of which authorised by grant of planning permission in 2024. Robust management includes SIA security,

 - Sunday from 00:00 to 06:00
Sunday from 15:00 to 00:00.

10. The premises licence application form provides the applicant's operating schedule. Parts A, B, E, F,G, I, J, K, L and M of the operating schedule set out the proposed licensable activities, operating hours and operating control measures in full, with reference to the four licensing objectives as stated in the Licensing Act 2003. Should a premises licence be issued in respect of the application the information provided in part M of the operating schedule will form the basis of conditions that

will be attached to any licence granted subsequent to the application. A copy of the application is attached to this report in Appendix A.

Designated premises supervisor (DPS)

11. The proposed DPS is James Rule who holds a personal licence issued by Hackney Council.

Representations from responsible authorities

12. Representations were submitted by four responsible authorities, namely trading standards, the environmental protection team (EPT), the Metropolitan Police Service and licensing as a responsible authority.
13. The representation from trading standards is submitted with regard to the protection of children from harm licensing objective and recommends a suite of conditions to be added to the operating schedule to promote the licensing objective.
14. The applicant has agreed to the conditions recommended by trading standards and as such trading standards have withdrawn their representation.
15. The trading standards representation, withdrawal statement and agreed conditions are attached to this report as Appendix B1.
16. The representation from the EPT was submitted with regards to the prevention of public nuisance licensing objective and recommends a suite of conditions to be added to the operating schedule in order to promote the licensing objective.
17. The representation from the Metropolitan Police Service was submitted with regards to the prevention of crime and disorder licensing objective.
18. The police state that the premises fall within the cumulative impact area and further contend that the hours requested within the application exceed that of the hours recommended in the Southwark statement of licensing policy. The police also recommend a suite of conditions to be added to the operating schedule in order to promote the prevention of crime and disorder licensing objective.
19. The representation from licensing as a responsible authority was submitted with regards to all of the licensing objectives and states that the premises fall within the cumulative impact area. Licensing as a responsible authority further recommend a suite of conditions to promote the licensing objectives.
20. The representations received from all the responsible authorities are attached at Appendix B.

Representations from other persons.

21. There are twenty-six representations received from other persons in support of the application.

22. In summary, the other persons say that the premises and operation will make a positive contribution to the local area and align well with Southwark's licensing objectives.
23. The representations from the other persons are attached to this report as Appendix C.

Conciliation

24. The applicant has addressed the representation submitted by trading standards and as such trading standards have withdrawn their representation.
25. A copy of the agreed conditions and withdrawal statement is attached to this report as Appendix B1.
26. The representation from the EPT, police and licensing as a responsible authority remain outstanding.
27. The twenty-six representations from the other persons in support of the application remain outstanding.
28. At the hearing to determine this application the licensing sub-committee will be apprised as to any further conciliation that may have taken place.

Application history

29. The premises has an existing licence which was granted to Goldclub Enterprises Limited on 26 August 2009 the named designated premises supervisor on the licence is Sonja Lemoney Rodney.
30. The existing premises licence was transferred to Background Bars Limited on 10 July 2025.
31. The current premises licence issued in respect of the premises allows the following licensable activities:

32. A copy of the existing premises licence is attached to this report as Appendix D.

Map

33. A map showing the location of the premises and a list of licensed premises shown on the map is attached to this report as Appendix E.

Southwark Council statement of licensing policy

34. Council assembly approved Southwark's statement of licensing policy 2021-2026 on 25 November 2020 and it came into effect on 1 January 2021.

35. Sections of the statement that are of relevance to the sub-committee's consideration are:

- Section 3 - Purpose and scope of the policy. This reinforces the four licensing objectives and the fundamental principles upon which this authority relies in determining licence applications.
- Section 5 – Determining applications for premises licenses and club premises certificates. This explains how the policy works and considers issues such as location; high standards of management; and the principles behind condition setting.
- Section 6 – Local cumulative impact policies. This sets out this authority's approach to cumulative impact and defines the boundaries of the current special policy areas and the classifications of premises to which they apply. To be read in conjunction with Appendix B to the policy.
- Section 7 – Hours of operation. This provides a guide to the hours of licensed operation that this Authority might consider appropriate by type of premises and (planning) area classification.
- Section 8 – The prevention of crime and disorder. This provides general guidance on the promotion of the first licensing objective.

- Section 9 – Public safety. This provides general guidance on the promotion of the second licensing objective.
 - Section 10 – The prevention of nuisance. This provides general guidance on the promotion of the third licensing objective.
 - Section 11 – The protection of children from harm. This provides general guidance on the promotion of the fourth licensing objective.
36. The purpose of Southwark’s statement of licensing policy is to make clear to applicants what considerations will be taken into account when determining applications and should act as a guide to the sub-committee when considering the applications. However, the sub-committee must always consider each application on its own merits and allow exceptions to the normal policy where these are justified by the circumstances of the application.
37. Members should take into consideration both the Southwark statement of licensing policy and the Section 182 Guidance when making decisions. The links for these are below:
- Southwark statement of licensing policy:
<https://www.southwark.gov.uk/sites/default/files/2024-09/Statement%20of%20Licensing%20Policy%202021-2026.pdf>
 - Section 182 Guidance:
[Revised guidance issued under section 182 of Licensing Act 2003 - GOV.UK](#)

Cumulative Impact Area (CIA)

38. The premises fall within the Peckham cumulative impact area (CIA)
39. The types of premises that the CIA applies to are:
- Night clubs, public houses and bars, off-licences, supermarkets, grocers, convenience stores and similar premises
40. The premises are also situated in Peckham major town centre.
41. Under the Southwark’s statement of licensing policy 2021 - 2026 the following closing times are recommended as appropriate within Peckham Major Town Centre
- Restaurants and cafes:
 - Sunday to Thursday: 00:00
 - Friday and Saturday: 01:00
 - Public houses, wine bars or other drinking establishments:
 - Sunday to Thursday: 23:00
 - Friday and Saturday: 00:00

- Nightclubs (with 'sui generis' planning classification):
 - Monday to Thursday: 01:00
 - Friday and Saturday: 03:00
 - Sunday: 00:00

General guidance

42. Members should take into consideration both the Southwark statement of licensing policy and the Section 182 Guidance when making decisions.
43. Members are required to have regard to the Home Office guidance in carrying out the functions of licensing authority. However, guidance does not cover every possible situation, so long as the guidance has been properly and carefully understood, members may depart from it if they have reason to do so. Full reasons must be given if this is the case.
44. Members should also consider the National Licensing Policy Framework for the hospitality and leisure sectors. The link for this is below:

[National Licensing Policy Framework for the hospitality and leisure sectors - GOV.UK](https://www.gov.uk/government/publications/national-licensing-policy-framework-for-the-hospitality-and-leisure-sectors)

Climate change implications

45. Following council assembly on 14 July 2021, the council is committed to considering the climate change implications of any decisions.
46. Climate change is not a legal factor in the consideration of a grant of a premises license under the current licensing objectives, however members can make enquiries and request an agreement from applicants to promote the reduction of the impact of climate change that may be caused by the operation of the premises.
47. Examples of such agreements may be:
 - Not to use single use plastics, such as disposable plastic glasses, when selling alcohol at the premises.
 - Encourage patrons not to drive to venues by providing details of public transport on their webpages/tickets.
48. The council's climate change strategy is available at:

<https://www.southwark.gov.uk/sites/default/files/2024-12/Climate%20Change%20Strategy%20%28July%202021%29%20%287%29.pdf>

Community, equalities (including socio-economic) and health impacts

Community impact statement

49. Each application is required by law to be considered upon its own individual merits with all relevant matters taken into account.

Equalities (including socio-economic) impact statement

50. This report does not result in a policy decision and each application is required to be considered upon its own individual merits with all relevant matters taken into account. In considering the recommendations of this report, due regard must be given to the public sector equality duty set out in section 149 of the Equality Act 2010. This requires the Council to consider all individuals when carrying out its functions.
51. Importantly, the council must have due regard to the need to eliminate discrimination, harassment, victimisation, or other prohibited conduct; advance equality of opportunity and foster good relations between people with protected characteristics and those who do not share these protected characteristics. The relevant protected characteristics are age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, sexual orientation. The public sector equality duty also applies to marriage and civil partnership, but only in relation to the need to eliminate discrimination, harassment, victimisation, or other prohibited conduct.
52. The equalities impact statement for licensing decisions is contained within the Southwark statement of licensing policy 2021 – 2026 at:

<https://www.southwark.gov.uk/sites/default/files/2024-09/Statement%20of%20Licensing%20Policy%202021-2026.pdf>

53. The equalities impact assessment is available at:

<https://moderngov.southwark.gov.uk/documents/s92016/Appendix%20F%20-%20Equalities%20Impact%20Assessment.pdf>

Health impact statement

54. Health impacts cannot be considered by law when making decisions under the Licensing Act 2003.

Resource implications

55. A fee of £190.00 has been paid by the applicant in respect of this application being the statutory fee payable for premises within non-domestic rateable value B.

Consultation

56. Consultation has been carried out on this application in accordance with the provisions of the Licensing Act 2003. A public notice was published in a local newspaper and a similar notice was exhibited outside of the premises for a period of 28 consecutive days.

SUPPLEMENTARY ADVICE FROM OTHER OFFICERS

Assistant Chief Executive – Governance and Assurance

57. The sub-committee is asked to determine the application for a premises licence under Section 17 of the Licensing Act 2003.

58. The principles which sub-committee members must apply are set out below.

Principles for making the determination

59. The sub-committee is asked to determine the application for a premises licence under Section 17 of the Licensing Act 2003.

60. The principles which sub-committee members must apply are set out below.

61. The general principle is that applications for premises licence applications must be granted unless relevant representations are received. This is subject to the proviso that the applicant has complied with regulations in advertising and submitting the application.

62. Relevant representations are those which:

- Are about the likely effect of the granting of the application on the promotion of the licensing objectives
- Are made by an interested party or responsible authority
- Have not been withdrawn
- Are not, in the opinion of the relevant licensing authority, frivolous or vexatious.

63. If relevant representations are received then the sub-committee must have regard to them, in determining whether it is necessary for the promotion of the licensing objectives to:

- To grant the licence subject to:
 - The conditions mentioned in section 18 (2)(a) modified to such extent as the licensing authority considers necessary for the promotion of the licensing objectives.
 - Any condition which must under section 19, 20 or 21 be included in the licence.
- To exclude from the scope of the licence any of the licensable activities to which the application relates.
- To refuse to specify a person in the licence as the premises supervisor.
- To reject the application.

Conditions

64. The sub-committee's discretion is thus limited. It can only modify the conditions put forward by the applicant, or refuse the application, if it is necessary to do so. Conditions must be necessary and proportionate for the promotion of one of the four licensing objectives, and not for any other reason. Conditions must also be within the control of the licensee and should be worded in a way which is clear, certain, consistent and enforceable.

65. The four licensing objectives are:

- The prevention of crime and disorder
- Public safety
- The prevention of nuisance
- The protection of children from harm.

66. Members should note that each objective is of equal importance. There are no other licensing objectives, and the four objectives are paramount considerations at all times.

67. Conditions will not be necessary if they duplicate a statutory position. Conditions relating to night café and take away aspect of the license must relate to the night time operation of the premises and must not be used to impose conditions which could not be imposed on day time operators.

68. Members are also referred to the Home Office Revised Guidance issued under Section 182 of the Licensing Act 2003 on conditions, specifically section 10.

Reasons

69. If the sub-committee determines that it is necessary to modify the conditions, or to refuse the application for a premises licence application, it must give reasons for its decision.

Hearing procedures

70. Subject to the licensing hearing regulations, the licensing committee may determine its own procedures. Key elements of the regulations are that:

- The hearing shall take the form of a discussion led by the authority. Cross examination shall not be permitted unless the authority considered that it is required for it to consider the representations.
- Members of the authority are free to ask any question of any party or other person appearing at the hearing.
- The committee must allow the parties an equal maximum period of time in which to exercise their rights to:
 - Address the authority
 - If given permission by the committee, question any other party.
 - In response to a point which the authority has given notice it will require clarification, give further information in support of their application.
- The committee shall disregard any information given by a party which is not relevant to the particular application before the committee and the licensing objectives.
- The hearing shall be in public, although the committee may exclude the public from all or part of a hearing where it considers that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing, taking place in private.

- In considering any representations or notice made by a party the authority may take into account documentary or other information produced by a party in support of their application, representations or notice (as applicable) either before the hearing or, with the consent of all the other parties, at the hearing.

71. This matter relates to the determination of an application for a premises licence under Section 17 of the Licensing Act 2003. Regulation 26(1) (a) requires the sub-committee to make its determination at the conclusion of the hearing.

Council's multiple roles and the role of the licensing sub-committee

72. Sub-committee members will note that, in relation to this application, the council has multiple roles. Council officers from various departments have been asked to consider the application from the perspective of the council as authority responsible respectively for environmental health, trading standards, health and safety and as the planning authority.
73. Members should note that the licensing sub-committee is meeting on this occasion solely to perform the role of licensing authority. The sub-committee sits in quasi-judicial capacity, and must act impartially. It must offer a fair and unbiased hearing of the application. In this case, members should disregard the council's broader policy objectives and role as statutory authority in other contexts. Members must direct themselves to making a determination solely based upon the licensing law, guidance and the council's statement of licensing policy.
74. As a quasi-judicial body the licensing sub-committee is required to consider the application on its merits. The sub-committee must take into account only relevant factors, and ignore irrelevant factors. The decision must be based on evidence, that is to say material, which tends logically to show the existence or non-existence of relevant facts, or the likelihood or unlikelihood of the occurrence of some future event, the occurrence of which would be relevant. The licensing sub-committee must give fair consideration to the contentions of all persons entitled to make representations to them.
75. The licensing sub-committee is entitled to consider events outside of the premises if they are relevant, i.e. are properly attributable to the premises being open. The proprietors do not have to be personally responsible for the incidents for the same to be relevant. However, if such events are not properly attributable to the premises being open, then the evidence is not relevant and should be excluded. Guidance is that the licensing authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public, living, working or engaged in normal activity in the area concerned.
76. Members will be aware of the council's code of conduct which requires them to declare personal and prejudicial interests. The code applies to members when considering licensing applications. In addition, as a quasi-judicial body, members are required to avoid both actual bias, and the appearance of bias.
77. The sub-committee can only consider matters within the application that have been raised through representations from other persons and responsible authorities. Interested parties must live in the vicinity of the premises. This will be decided on a case to case basis.

78. Under the Human Rights Act 1998, the sub-committee needs to consider the balance between the rights of the applicant and those making representations to the application when making their decision. The sub-committee has a duty under section 17 Crime and Disorder Act 1998 when making its decision to do all it can to prevent crime and disorder in the borough.
79. Other persons, responsible authorities and the applicant have the right to appeal the decision of the sub-committee to the magistrates' court within a period of 21 days beginning with the day on which the applicant was notified by the licensing authority of the decision to be appealed against.

Guidance

80. Members are required to have regard to the Home Office guidance in carrying out the functions of licensing authority. However, guidance does not cover every possible situation, so long as the guidance has been properly and carefully understood, members may depart from it if they have reason to do so. Full reasons must be given if this is the case.

Strategic Director of Resources

81. The head of regulatory services has confirmed that the costs of this process over and above the application fee are borne by the service.

Ref No. 2498408

Name of Applicant

Please enter the name(s) who is applying for a premises licence under section 17 of the Licensing Act 2003 and am making this application to you as the relevant licensing authority in accordance with section 12 of the Licensing Act 2003

	Background Bars Limited
--	-------------------------

Notes for Guidance

1. Describe the premises, for example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.
2. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08:00 and 23.00 on any day, provided that the audience does not exceed 500.
 - Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
 - Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - Live music: no licence permission is required for:
 - o a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
 - o a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - o a performance of amplified live music between 08.00 and 23.00 on any day, in a workplace that is not licensed to sell alcohol on those premises, provided that the audience does not exceed 500.
 - o a performance of amplified live music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - o a performance of amplified live music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school or (iii) the health care provider for the hospital.
 - Recorded Music: no licence permission is required for:
 - o any playing of recorded music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - o any playing of recorded music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - o any playing of recorded music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school proprietor or (iii) the health care provider for the hospital.
 - Dance: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500. However, a performance which amounts to adult entertainment remains licensable.
 - Cross activity exemptions: no licence is required between 08.00 and 23.00 on any day, with no limit on audience size for:
 - o any entertainment taking place on the premises of the local authority where the entertainment is provided by or on behalf of the local authority;
 - o any entertainment taking place on the hospital premises of the health care provider where the

entertainment is provided by or on behalf of the health care provider;

o any entertainment taking place on the premises of the school where the entertainment is provided by or on behalf of the school proprietor; and

o any entertainment (excluding films and a boxing or wrestling entertainment) taking place at a travelling circus, provided that (a) it takes place within a moveable structure that accommodates the audience, and (b) that the travelling circus has not been located on the same site for more than 28 consecutive days.

3. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).

4. For example the type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.

5. For example (but not exclusively), where the activity will occur on additional days during the summer months.

6. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.

7. Please give timings in 24 hour clock (e.g. 16.00) and only give details for the days of the week when you intend the premises to be used for the activity.

8. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.

9. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.

10. Please list here steps you will take to promote all four licensing objectives together.

11. The application form must be signed.

12. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.

13. Where there is more than one applicant, each of the applicants or their respective agent must sign the application form.

14. This is the address which we shall use to correspond with you about this application.

15. Entitlement to work/immigration status for individual applicants and applications

from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A current Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A current passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.

- A current Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A current passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A current Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A current Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A current Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, less than 6 months old, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a

European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.

- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:
 - o evidence of the applicant's own identity – such as a passport,

 - o evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and

 - o evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;

(iv) any page containing the date of expiry; and

(v) any page containing information indicating the holder has permission to enter or remain in

the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

M - Steps to promote four licencing objectives

a) General - all four licensing objectives (b,c,d,e) (Please read guidance note 10)

	Comprehensive written operating schedule covering management controls; event risk assessments; capacity management per floor; incident/refusal records; and logbook systems. Digital CCTV to police-evidential standard covering all public areas, entrances/exits, smoking areas and immediate external curtilage; recordings kept minimum 31 days; trained staff available to download on request. SIA security deployed to risk-assessed ratios, including enhanced search/ID checks during late trading; ACS approved contractor; body worn video on key positions. Challenge 25 policy; acceptable ID: passport, photocard driving licence, PASS hologram cards; refusals log; frontline training and refreshers.
--	--

b) the prevention of crime and disorder

	Search and entry policy proportionate to risk; refusal of entry for intoxication/aggression; zero-tolerance drugs policy; amnesty bins; toilet checks; participation in local Pubwatch and radio system. Incident management: prompt ejection procedures; police liaison; exclusion of troublemakers; staff briefing and debriefing each event night.
--	---

c) public safety

	Written fire safety management plan aligned with current Fire Risk Assessment; weekly alarm tests; monthly emergency lighting checks; staff fire/evacuation training and drills; maintained AOV/fire curtain systems where fitted; evacuation chair and trained users. Maximum occupancy managed via clickers and door counts; phased dispersal by floor; first-aid provision with trained staff and stocked kits; accident/incident reporting. Safe stewarded queuing plan with barriers as needed; glass/polycarbonate risk-based approach; robust searches incl. wands/thermal if required.
--	---

d) the prevention of public nuisance

	Acoustically managed sound systems; limiter settings; closed doors/windows while regulated entertainment is in progress (except for ingress/egress). External smoking areas capped at 50 persons combined, supervised by SIA/staff, with receptacles, and closed at or before terminal hours as per operating schedule; no drinks taken outside after 23:00 (save for designated areas if permitted). Dispersal policy with staggered egress, wind-down playlist, door staff advice to patrons, and litter sweeps of the frontage
--	--

e) the protection of children from harm

	Challenge 25; no unaccompanied under-18s; children only allowed at private events with a risk assessment; robust welfare and safeguarding training for staff; soft-drink alternatives and free water available.
--	--

Draft Premises Licence Conditions – Peckham Palais

1. The premises shall operate strictly in accordance with the Operating Management Plan (November 2025), the Operating Schedule (Version 4), and the final licensing plans (November 2025).
2. The maximum occupancy of the premises shall not exceed **1,052 persons (excluding staff)**, distributed between floors in accordance with the certified Fire Risk Assessment (Compliance UK, October 2024).
3. A minimum of **12 SIA-licensed security operatives** shall be deployed during peak operating hours, reducing to **no fewer than 10** during dispersal.
4. All external SIA personnel shall wear **body-worn cameras**, which must be activated during all incidents and made available to Police on request.
5. An **ID scanning system** approved by the Police Licensing Team shall operate from **23:00 hours** on all days the premises are open beyond midnight.
6. A **digital sound limiter** shall be installed, sealed and maintained at a level set by a qualified acoustic engineer in accordance with the **RBA Acoustics Report (19 November 2025)**. The limiter shall be tamper-proof and linked to all sound-producing equipment.
7. **No amplified sound**, live music or public-address system shall be used on **any external terrace** at any time.
8. The **smoking terraces** shall close at **01:00 Monday–Thursday** and **03:00 Friday–Sunday**.
9. No drinks shall be taken onto any terrace after **22:00**, and **no glassware** shall be permitted on any terrace at any time.
10. Terrace capacities shall not exceed **30 persons per terrace**. Each terrace shall be supervised at all times by **dedicated SIA operatives**.
11. Terrace barriers shall remain in situ, as shown on the November 2025 licensing plans: solid, imperforate barriers **2m in height and exceeding 15kg/m² mass**.
12. Noise from terrace use shall not exceed the levels identified as **NOAEL** in the RBA Acoustic Report. Measured levels must remain below LOAEL thresholds at all identified façades.
13. The Premises Licence Holder shall undertake **weekly noise monitoring** for the first 6 months and **monthly monitoring thereafter**, keeping logs for 24 months and providing them to Environmental Health on request.
14. Bottle and waste disposal shall not take place externally before **08:00**.
15. A **taxi marshal** shall operate at the premises from one hour before closing until 30 minutes after the terminal hour.

16. At least **six external stewards** shall be deployed during dispersal, positioned at Rye Lane frontage, the queue area, and the smoking terrace exit.
17. Alcohol sales and service shall cease **30 minutes prior** to the terminal hour.
18. A **24-hour complaints hotline** shall be maintained. Details shall be displayed prominently at the entrance.
19. The Premises Licence Holder shall host **bi-monthly resident liaison meetings** in the first year of operation, and **quarterly meetings** thereafter.
20. A **Duty Manager** shall be present on site at all times during licensable activities and shall be clearly identifiable to Responsible Authorities.
21. A **Challenge 25** age-verification policy shall be operated. Staff shall receive refresher training every 6 months.
22. The premises shall maintain **a welfare room**, staffed during all operating hours after 21:00, providing support to vulnerable patrons.
23. The Premises Licence Holder shall ensure that all escape routes, refuge points and evacuation chairs, as shown on the November 2025 plans, are kept clear, functional and inspected weekly.

It is noted that the application states the following in relation to part M (a) General All four licensing objectives

“Challenge 25 policy; acceptable ID: passport, photocard driving licence, PASS hologram cards; refusals log; frontline training and refreshers”.

That in relation to part M (e) it states

“Challenge 25; no unaccompanied under 18s; children only allowed at private events with a risk assessment; robust welfare and safeguarding training for staff; soft drink alternatives and free water available”.

The draft conditions state

21. “A Challenge 25 age-verification policy shall be operated. Staff shall receive refresher training every 6 months”.

The Operating Schedule/Management Plan states

3.7 “All staff members will undertake mandatory training on induction and refresher courses every six months covering the following, inter alia:

“Age awareness and verification training”

3.8 Training records for all staff will be maintained on the dedicated Night Group training portal and will be available to inspect on site and remotely

4.12 No person under the age of 18 will be admitted to the premises. Children accompanied by a responsible adult may be allowed to attend private functions with the prior written consent of the General Manager.

4.15 A “Challenge 25” policy will be in place, which will be clearly signposted throughout the premises.

Statement of Case – Promotion of the Licensing Objectives states

1B (d) Protection of Children from Harm - via Challenge 25, safeguarding training, welfare supervision, and a prohibition on unaccompanied minors.

Regarding point 4.12 above from the management plan/operating schedule trading standards would like to see more clarity

A suggestion of wording could be

“No children under 18 will be admitted to the premises except for the purpose of prearranged private events the parent or responsible adult having obtained the written consent of the general manager prior to the event. During these private events children under 18 must be accompanied by a parent or responsible adult.

Or the applicant can provide their own wording.

It is good that there is reference to an age verification scheme. However, trading standards propose the following conditions as a way of consolidating and tidying up matters in order to comply with the licensing objective the protection of children from harm.

1. That a challenge 25 scheme shall be maintained requiring that staff selling or delivering alcohol request that any customer who looks under 25 years old, and who is attempting to purchase or take receipt of alcohol, provides valid photographic identification proving that the customer is at least 18 years old. Valid photographic identification is composed of a photo driving licence, passport, UK armed services photo ID card, any Proof of Age Standards Scheme (PASS) accredited card (such as the Proof of Age London (PAL) card) or any age verification card accredited by the Secretary of State

2. That all staff involved in the sale of alcohol shall be trained in the prevention of sales of alcohol to underage persons (including the prevention of ‘proxy sales’) and the challenge 25 scheme in operation at the premises. Details of such training, including the printed name(s) of the trainee(s) and the date(s) that the training was given, shall be recorded in the staff training logs at the premises and shall be made immediately available for inspection at the premises to authorised officers on request.

3. That clearly legible signs shall be prominently displayed where they can easily be seen and read by customers stating to the effect that a challenge 25 policy is in operation at the premises, that customers may be asked to provide proof of age and stating what the acceptable forms of proof of age are. Such signage shall be displayed at all entrances and points of sale The signage shall be kept free from obstructions at all times.

4. That a register of refused sales of alcohol shall be maintained in order to demonstrate effective operation of the challenge 25 policy. The register shall be used to record details of all refused sales of alcohol. The register shall be kept / be accessible at the premises at all times. If the refusals register is a paper document then it shall be clearly and legibly marked on the front cover as a register of refused alcohol sales, with the address of the premises and the name of the licence holder. The register shall be made immediately available for inspection at the premises to authorised officers on request.

I attach electronic documents of training materials and refusals register which can be used to meet the above conditions in terms of staff training and use of a refusal register. This effectively saves the business the cost of paying a consultant to undertake such activities. There is no reason why a person in the business who holds a personal license cannot undertake such training for staff and this can form part of a defence for the business should a member of staff supply alcohol to a minor.

If you are happy to accept these conditions then trading standards, as a responsible authority, will be happy to lift the representations made in respect of the application.

Hard copies of the above documents can be provided on request.

Subject: Application for a new premises licence under the Licensing Act 2003 for Peckham Palais, 1a Rye Lane, London SE15 5EW our ref A58344

Dear Licencing Team,

RE: Full variation of premises licence to be granted under the Licensing Act 2003.

Application reference number: 887620

Address: Peckham Palais
1a Rye Lane
London
SE15 5EW

The application seeks a new premises licence for a multi-floor venue providing regulated entertainment, on-sales of alcohol, and late-night refreshment. Planning permission was granted in 2024, and the applicant proposes robust management measures including SIA security, CCTV, Challenge 25, dispersal policy, and capped external smoking areas.

Licensable activities and Proposed hours

- Recorded Music (Indoors): Monday–Sunday (varied start times), generally until 00:00, with extended hours for other entertainment activities up to 03:00–06:00 on Fridays and Saturdays.
- Late Night Refreshment: Daily from 23:00 until closing.
- Supply of Alcohol (On Premises): Daily until 00:00, with extended hours on weekends.
- Opening Hours: Daily until 00:00, with extended hours on Fridays and Saturdays.

Background

EPT was extensively involved during the planning stage, where conditions relating to building insulation and queuing were agreed and incorporated into the planning decision notice (LBS Reg. No.: 23/AP/2878, issued 01/05/2024). While proposed hours exceed policy for premises in the CIP area, EPT does not object to the use of the premises for licensed entertainment subject to strict noise control measures, including a calibrated sound limiter based on agreed noise limits outlined in the October 2024 acoustic report:

Area	Sound Pressure Level (dB)	
	63Hz	125Hz
Basement Main Space	120	113
First Floor Main Space	94	95

EPT raises concerns regarding departures from what was assessed and agreed during planning:

Capacity: The Operating Management Plan (Section 4.4) states a total capacity of 1,052 patrons: Basement (468), First Floor (270), Second Floor (254), Third Floor (60). This exceeds the planning stage assessment of 890 patrons (Basement 450, First Floor 220, Second Floor 220) and introduces licensed entertainment on the third floor, which was originally intended as studio space and not acoustically assessed. This change increases potential noise breakout risk, particularly from upper floors.

Dispersal: Sections 6.11–6.20 of the Operating Management Plan address staggered dispersal but omit the agreed requirement for dispersal by floors to control ground-level congestion. It was agreed that the first floor should close 1–2 hours before the basement to reduce cumulative impact during late-night egress.

On this basis, EPT would like to make a representation under the Licensing Act 2003, specifically in relation to the likely effect of granting the licence on the promotion of the Prevention of Public Nuisance licensing objective the above grounds/concerns,

EPT Recommendation

EPT does not object to granting the licence provided the following additional conditions are imposed alongside those in the applicant's draft licence conditions:

1. A multiband sound limiting device shall be installed at the premises and will be maintained in full working order and be in use at all times the premises is in operation.
 - i. All amplification equipment, entertainment devices and amplified instruments shall be routed through the sound limiting device and shall be calibrated so that the amplified sound at the premises noise emitted from premises does not cause a statutory or other nuisance. Only management staff will have access to the sound limiting device and will be able to demonstrate that it is in use at the immediate request of responsible authority officers.
 - ii. A qualified professional acoustic consultant shall be employed to calibrate the sound limiter at the premises and to arrange the layout, installation and orientation of the speakers at the premises so that sound transmission is minimised and complies to the limit of 105 dB for Basement Main Space and 90 dB for First Floor Main Space.

- iii. A signed and dated report from the acoustic consultant regarding the calibration of the sound limiter and any amendments to the speaker installation at the premises report shall be kept at the premises and provided to responsible authority officers immediately on request.
- iv. Once the sound limiter has been calibrated, its control settings shall not be altered at any time, except for when altered by a qualified professional acoustic consultant or the premises' sound engineer.
- v. Any additional amplification equipment imported on to the premises by third parties shall be connected to and use the installed sound limited device/circuit.

2. The maximum occupancy of the premises shall not exceed 950 persons at any one time, with the following limits per floor: Basement – 450 persons; First Floor – 220 persons; Second Floor – 220 persons; Third Floor – 60 persons. The premises licence holder must ensure these limits are actively monitored and enforced at all times using a reliable counting system and maintain records for inspection by authorised officers.

3. The premises shall operate a graduated dispersal policy to minimise congestion and noise at ground level during closing times. The First Floor must close and be cleared of patrons at least one hour before the Basement closes, and the Second Floor must close and be cleared at least 30 minutes before the Basement closes. This policy shall be documented, communicated to staff, and actively managed by security personnel, with records of dispersal timings kept for inspection.

The premise is situated in Peckham Major Town Centre and is in a Cumulative Impact Area (CIZ) as designated by Southwark Council. The High Court approval of Cumulative impact policies came in Westminster City Council v Middlesex Crown Court. In brief, it stated ‘A licence could be refused on the sole ground that the area was already saturated with licensed premises’.

I note that the hours on the operating management plan are different to those on the application police would like to the applicant to clarify the hours they wish to request. Due to the premise being located in a CIZ with residential properties close by, police believe that the weekday hours should be brought in line with Southwark policy (Monday to Thursday closing time of 01:00hrs) and we ask the applicant to reconsider.

The applicant has provided numerous control measures and a comprehensive operating schedule to address the licensing objectives which the police welcome. Police however do believe that some conditions need to be reworded to be enforceable and there are additional conditions that would be beneficial to the premise license to address the large scale of the venue and the location known for its antisocial behaviour.

1. The premises shall operate strictly in accordance with the Operating Management Plan (November 2025), the Operating Schedule (Version 4), and the final licensing plans (November 2025). Once the premise licence has been granted, these documents shall be deemed final and shall not be altered, amended or replaced without prior written approval of the licensing authority in consultation with the police. Copies of all such documents shall be kept at the premise and made immediately available to Police and council officers upon request. The conditions and timings attached to the premise licence shall reflect and be consistent with the measures, controls and procedures set out in these documents.
2. That a digital CCTV system shall be installed at the premises, shall be maintained in full working order and shall be continually recording at all times that the premises are in use. The CCTV system must be capable of capturing a clear facial image of every person who enters the premises in all lighting conditions. The CCTV system shall be correctly time and date stamped at all times. The CCTV system shall cover all interior and exterior areas of the premises, including the frontage of the premises, and shall collect clear high definition footage. All CCTV footage shall be kept for a period of thirty one (31) days and shall be made immediately available to Police and council officers.
3. At least one member of staff should be on duty the premises is open or contactable via the telephone, that is trained in the use of the CCTV and able to view and download images to a removable device on request of police or council officers.
4. That all CCTV footage shall be kept for a period of thirty one (31) days and shall be made immediately available to Police and authorised council officers.
5. That clearly legible signage shall be prominently displayed where it can easily be seen and read by customers advising to the effect that CCTV is in operation at the premises. The signage shall be kept free from obstructions at all times.
6. That a dispersal policy shall be devised and enforced by the venue at all times the venue is open. The policy shall assist with patrons leaving the premises in an orderly and safe manner. A copy of the dispersal policy shall be accessible at the premises at all times that the premises are in operation. The policy should include (but not necessarily be limited to) the following;
 - I. Details as to how customer / staff egress at the premises shall be managed to minimise causing nuisance.
 - II. Details of public transport in the vicinity and how customers will be advised in respect of it.
 - III. Details of the management of taxis to and from the premises.
 - IV. Details of the management of any 'winding down' period at the premises.
 - V. Details of the use of security and stewarding in respect of managing customer dispersal from the premises.
 - VI. Details of road safety in respect of customers leaving the premises.
 - VII. Details of the management of ejections from the premises.
 - VIII. Details as to how any physical altercations at the premises are to be managed
 - IX. Details of how refuse / waste in the local vicinity arising through the operation of the premises will be cleared up (e.g. flyer clean up, post event clean up).

All relevant staff employed at the premises shall be trained in the latest version of the dispersal policy. Details of such training, including the printed name(s) of the trainee(s) and the date(s) that the training was given, shall be recorded in the staff training logs at the premises. If the dispersal policy is a paper document then the signature of the trainees shall also be included. The dispersal policy shall be made immediately available to responsible authority officers on request.

7. That an incident log shall be kept at the premises to record details of any of the following occurrences at the premises:

- I. Instances of anti-social or disorderly behaviour
- II. Calls to the police or other emergency services
- III. Any complaints received
- IV. Ejections of people from the premises
- V. Visits to the premises by the local authority or emergency services
- VI. Any malfunction in respect of the CCTV system
- VII. All crimes reported by customers, or observed by staff
- VIII. Any other relevant incidents

The incident log shall record the time, date, location in the premises and description of each incident, details of any action taken in respect of the incident and the printed name of the person reporting the incident and. The incident log shall be available / be accessible at the premises at all times that the premises are in use, and shall be made immediately available to authorised council officers on request. Details of incidents shall be recorded contemporaneously. If the incident log is a paper hardcopy then the signature of the person reporting the incident in the log shall also be included. All relevant staff employed at the premises shall be trained in the use of the incident log. Details of such training, including the printed name(s) of the trainee(s) and the date(s) that the training was given, shall be recorded in the staff training logs at the premises. That all Digital records of training and/or logs shall be made immediately available to Police and authorised officers.

8. The venue shall support “Ask for Angela” or another similar safety initiative Posters relating to Ask for Angela, or any other similar safety initiative in place, shall be displayed at the premises (including the toilets). Such posters shall be kept free from obstructions at all times. All staff shall be trained in “Ask Angela”, or a similar safety initiative, and a record of this training shall be kept on the premises and made available for inspection immediately to Police and authorised council officers upon request.

9. The premises must have a welfare and vulnerability policy. The policy shall include but not be limited to the following:

- A clear policy on how to prevent drinks spiking
- How customers alleging such are cared for and reported to police.

All new staff must receive this training before starting their role and all staff must have refresher training every 12 months. All training must be recorded and these records must be available on immediate request by police and council officers upon request.

10. That clearly legible signage shall be prominently displayed where it can easily be seen and read by customers, at all exits from the premises and in any external areas, requesting to the effect that customers leave the premises and locale in a quiet and orderly manner with respect to local residents. Such signage shall be kept free from obstructions at all times.

11. When SIA door supervisors are employed, the following conditions shall apply:
 - The premises licence holder or DPS (or nominated deputy) shall ensure that the following details for each door supervisor, are contemporaneously entered into a bound or electronic register kept for that purpose:
 - Full name,
 - SIA Certificate number and or badge number, or registration number of any accreditation scheme recognised by the Licensing Authority (including expiry date of that registration or accreditation),
 - The time they began their duty
 - The time they completed their duty.
12. When employed the SIA registered door supervisors shall be equipped with recording body worn video for all events. The body worn video shall be made available upon request to Police and authorised council officers on request. That any instances of body worn cameras not functioning, not turned on or missing shall be recorded by the Manager/Staff in a security log book for reference with a reason for failure. This log is to be made immediately available for inspection to Police and authorised council officers.
13. There shall be no dedicated dance floor on the Third Floor
14. That no beers, lagers, ciders or similar alcohols with an alcohol by volume (ABV) of over 6.5% shall be sold or supplied at the premises, save for beers, lagers, ciders or similar alcohols with an ABV of up to 8% that shall only be served in containers with a maximum volume of 250ml.
15. No beers, lagers, or ciders in 2 litre or above containers shall be sold at the premises.
16. That signs shall be displayed in the entrance foyer to the premises indicating that the premises operates a zero tolerance to drugs and state 'NO SEARCH, NO ENTRY, MANAGEMENT RESERVE THE RIGHT TO REFUSE ENTRY
17. The premises shall only use polycarbonate drinking vessels after 2200hrs on ground, first, second and third floor.
18. Polycarbonate drinking vessels will be used at all times on the Basement floor
19. That a drugs drop box, which must be secure and have a tamper proof entrance, shall be fixed to the wall in the entrance foyer to the premises, and an agreement must be established with the local police over the emptying and collection of any drugs deposited in the box
20. That the premises shall not be hired out to external promoters. All events taking place at the premises shall either be organised, managed, overseen and promoted by the licensee or DPS
21. Where the Premises Licence Holder (PLH) hires out its Premises to any 3rd parties / members of the public for a promoted or private event, the PLH must ensure that the hirer completes a written venue hire agreement (VHA), supplied by the PLH. The VHA shall include the full name and address of the hirer, copy of valid photo identification of the hirer (kept on file in accordance with data protection requirements), the hirer's signature and the date that the VHA has been signed. The VHA shall include all of the PLH's terms of hire (including compliance with the conditions of this licence). Such agreements shall be kept on file for 6 months from the date of the event and be made immediately available to Police and authorised council officers on request.

- 22. No service or sale of alcohol to any persons who appears drunk or inebriated.
- 23. The premises shall not sell whole bottles of spirits, wines or similar alcohols
- 24. There shall be no new entry to the premises after 0300, other than premises staff, performing artists and those who leave the premises for the purpose of smoking a cigarette, those persons who leave and re-enter the premises shall be subject to a further search on the re-entry to the premises. In relation to entry of premises staff and performing artists after 0300 a log will be kept of those persons which will be made available to the Police and authorized officers upon request.

Police object to the granting of this licence in its current format as police believe there are additional control measures that that would be beneficial to this particular premise license that is situated in a Cumulative Impact Area. Police welcome the opportunity to open dialogue with applicant to progress this application.

Yours faithfully,

 Sunday: 19:00 – 00:00

3. The Statement of Licensing Police (SoLP)

According to sections 6 & 7 of this council’s statement of licensing policy 2021 – 2026 (the SoLP), the premises fall within Peckham Cumulative Impact Area (CIA) and Peckham Major Town Centre area.

A copy of the SoLP is available via:

[Our licensing policies | Southwark Council](#)

4. Our objection

Our objection relates to the promotion of all of the licensing objectives and is based on the criteria set out in ‘4a’ and ‘4b’ below.

4a. Cumulative Impact

The premises fall within the Peckham Cumulative Impact Area (CIA).

Paragraph 131 of the SoLP 2021 – 2026 states –

- *“Applications made within specified Cumulative Impact Areas (CIAs) are deemed likely to add to the potential impact the policy is intended to avoid. There is therefore an automatic presumption that such applications will be refused, however each application will be judged on its own merits.”*

Paragraph 156 of the SoLP stipulates regarding the Peckham CIA that (emphasis added)-

- *“The classes of premises to which the policy applies is defined as follows – **night clubs**; pubs and **bars**; off-licences, grocers, supermarkets, convenience stores; and similar premises.*

As per paragraph 156 of the SoLP, the council has found that certain types of premises are likely to increase the negative cumulative impact in the Peckham CIA of licensed premises in that area. We are in agreement with this stance.

Paragraph 132 of the statement of licensing policy states that –

- *“It is normally the case that a representation citing a relevant CIA will have to be determined at a Licensing Sub-Committee hearing.”*

We further note that section 136 of the statement of licensing policy states –

- *“...it is for the Applicant to demonstrate that the application will not, if granted, further contribute to the negative local cumulative impact on any one or more of the licensing objectives.”*

Further, we contend that it is possible that granting the application could further contribute to the negative cumulative impact of licensed premises in the Peckham CIA.

We also refer to **R (on the application of Westminster City Council) -v- Middlesex Crown Court [2002] EWHC 1104** in which HHJ Baker adjudicated.

- *“Notwithstanding the applicant being a fit and proper person and the premises would be well run a licence could be refused on the sole ground that the area was already saturated with licence premises....and the cumulative effect of the existing premises was impacting adversely on the area to an unacceptable level.”*

We note that whilst there is an extant premises licence issued in respect of the premises and held by the applicant, there is an increase in operating hours on each day of the week and we say that this could likely increase the negative cumulative impact of licensed premises in the Peckham CIA.

We also note that the applicant has significantly referred to the Peckham Cumulative Impact Area in the application, and this is welcomed.

4b. Conditions

The applicant has proposed various measures to address the licensing objectives. We welcome these measures, but do not feel that they sufficiently address the licensing objectives and we say that amended and / or further conditions are required.

Further to the above, we contend that the conditions proposed need clarification to ensure that they are precise, practicable, enforceable and unambiguous.

Paragraph 1.16 (Licence conditions – general principles) of the Guidance to the Licensing Act 2003 issued by the Secretary of State under section 182 of the Licensing Act 2003 states that conditions –

- *“must be precise and enforceable;”*
- *“must be unambiguous and clear in what they intend to achieve;”*

We say that to ensure that the proposed variation does not add to the negative cumulative impact of licensed premises in the locale, the following conditions are included in any premises licence issued subsequent to this application:

a) General

1. That all relevant staff shall be trained in their responsibilities under the Licensing Act 2003, the promotion of the licensing objectives and the terms and conditions of this licence. Records pertaining to such training (‘the staff training logs’) shall be kept at the premises, shall be updated every 6 months and shall be made immediately available to authorised officers on request. The training logs shall include the trainee’s name (in block capitals), the trainer’s name (in block capitals), the date(s) of training and a declaration that the training has been received and understood by the trainee. If the staff training logs are a paper hardcopy then the signature of the trainee, the signature of the trainer shall be included.
2. The premises licence holder shall host bi-monthly resident liaison meetings in the first year of operation, and quarterly meetings thereafter. Minutes of such meetings shall be kept at the premises and be made immediately available to authorised officers on request.

<<The above condition relating to resident meetings is an amendment of condition 19 offered in the applicant’s schedule of conditions.>>

3. That there shall be an identified duty manager and security supervisor on site at all times that the premises are in operation. They shall sign in at the beginning of their shifts in a staff log. The log shall include their printed names and the times & dates that they sign in. The log shall be kept at the premises and be made available to authorised officers on request. (‘Identified’ in this condition means known to all staff.)

<<The above condition relating to a duty manager should replace condition 20 offered in the applicant’s schedule of conditions.>>

b) The prevention of crime and disorder

4. That clearly legible signage shall be prominently displayed where it can easily be seen and read by customers in the toilets advising to the effect that the taking of illegal drugs will not be tolerated at the premises. These notices shall be kept free from obstructions at all times.
5. That door supervisors will be employed as follows:
 - a) That a minimum of twelve (12) SIA registered door supervisors will be employed at the premises at all times after 22:00 hours, on any day that the premises will shut at 00:00 (midnight) or after, at any time that the premises are being used for DJ or music led events, and / or at any time when major sporting events are to be shown at the premises, during the operation of the premises, with a

minimum of ten (10) still being present during customer egress once the basement area and external areas have closed.

- b) That additional SIA registered door supervisors will be employed to maintain a ratio of at least 1 SIA registered door supervisor per 100 customers (or part thereof).
- c) The door supervisors will be employed to control entry to the premises, to deal with the searching / scanning of customers, to deal with any anti-social or disorderly behaviour at the premises, to de-escalate confrontations, to assist with emergency escape from the premises, to deal with the ejection of people from the premises, to assist management in liaising with the police regarding instances of crime and to assist with ensuring that the premises' dispersal policy is adhered to.
- d) The door supervisors shall be at the premises prior to the premises opening to the public and shall remain at the premises until all patrons have vacated the premises, and until at least 30 minutes after the premises close.
- e) The door supervisors shall be easily identifiable.
- f) That when SIA security staff are deployed at the premises they shall be supplied with, and shall use, metal detectors (either metal detection arches or handheld metal detectors) to search all customer entries or re-entries to the premises. Prior to the premises opening the metal detectors shall be checked to ensure that they are in full working order. A log of such checks shall be kept at the premises and shall include the name of the person who undertook the check, the outcome of the check, and the time and date of the check. The log shall be made immediately available to authorised officers on request.
- g) That the requirement for the deployment of extra SIA registered door supervisors at the premises shall be risk assessed if and when required. Copies of any such risk assessments shall be kept at the premises for 6 months from the date of assessment and be provided to authorised officers immediately on request.
- h) A minimum of one (1) SIA licensed door supervisors shall be employed to monitor the external areas of the premises, when SIA license door supervisors are deployed as above.

<<The above condition relating to the provision of SIA registered security should replace condition 3 offered in the applicant's schedule of conditions.>>

- 6. That an entry policy will be devised and maintained at the premises. A copy of the entry policy shall be kept at the premises with the premises licence and shall be made immediately available for inspection to authorised officers on request. The entry policy shall cover (but not necessarily be limited to):
 - a) Safe customer entry to the premises,
 - b) If / when applicable searching / scanning of attendees,
 - c) The barring of customer entry to the premises for any reason,
 - d) Restricted items (e.g. weapons / drugs or any other items restricted by the licensee),
 - e) Pre-opening safety checks of the premises,
 - f) Dealing with overcrowding and / or crowd surges
 - g) Dealing with suspect packages

All security, stewarding, managerial, supervisory or other relevant staff shall be trained in the implementation of the latest version of the entry policy and detail of such training shall be recorded in the staff training logs at the premises.

- 7. A computer-based identification scanning system shall be installed at the entrance to the premises and shall be used whenever SIA registered door supervisors are required to be deployed at the premises. Any patrons who remain on the premises having entered prior to 22:00 hours shall have their photographic identification checked and scanned onto the identification scanning system. The system shall be able to recognise

valid forms of photographic identification, shall be able to recognise counterfeit identification, shall be able to store data regarding barred individuals and shall be always maintained in full working order when the premises are in use. Should any fault in the system occur, then the matter shall be logged in the incident log at the premises immediately, and steps shall be taken to remedy the fault immediately. Any steps taken to remedy the fault (e.g. contacting a relevant engineer) shall also be recorded in the incident log immediately. Should the system fail at any time then the premises must undertake a strict challenge 25 policy regarding customer entry to the premises. Access to the identification system shall be provided to authorised officers on request.

8. Any software updates relating to the computer-based identification scanning system will be implemented as soon as possible to ensure that the system is always fit for purpose. All relevant staff will be able to show what version of the software is in use at the immediate request of authorised officers.
9. All security, stewarding, managerial, supervisory or any other staff who will at any time have control over customer entry to the premises, shall be trained in the full and correct use of the computer-based identification scanning system. Details of such training, including the printed name(s) of the trainee(s) and the date(s) that the training was given, shall be recorded in the staff training logs in either a written or electronic format at the premises and, when the premises are open, shall be made immediately available for inspection at the premises to authorised officers on request.
10. All re-entries to the premises will be subject to a further search prior to being allowed to re-enter the premises.

<<The above conditions relating a computer-based identification scanning system should replace condition 5 offered in the applicant's schedule of conditions.>>

C. Public Safety

11. That the maximum number of people permitted on the entire premises at any one time (the 'accommodation limit') is 1052 people (excluding staff).
 - a) The individual accommodation limit of the basement shall be 468 people (excluding staff).
 - b) The individual accommodation limit of the 1st (first) floor shall be 270 people (excluding staff).
 - c) The individual accommodation limit of the 2nd (second) floor shall be 254 people (excluding staff).
 - d) The individual accommodation limit of the 3rd (third) floor shall be 60 people (excluding staff).
 - e) The accommodation limits shall be known by all security, stewarding, managerial or supervisory staff and any other relevant staff, and shall not be exceeded at any time.
12. That security, stewarding, managerial or supervisory staff and any other relevant staff shall be on duty to ensure that the individual accommodation limits of each floor are not exceeded, and that local overcrowding does not take place and / or is dissipated as soon as practicably possible.
13. That counting devices shall be used by the staff who are controlling customer entry to the premises to keep an accurate count of the number of people at the premises at any time and to ensure that the premises' accommodation limit is never exceeded. Staff using the counting devices should be able to determine the number of people at the premises immediately at the request of authorised officers.

<<The above conditions relating the premises' 'accommodation limit' should replace condition 2 offered in the applicant's schedule of conditions.>>

14. That a first aid / welfare room for the treatment, recovery, rest or ambulance waiting of injured / intoxicated or other vulnerable persons shall be provided. Only the first aider (or any other first aid staff), assisting staff, injured persons or council & emergency service personnel shall be permitted into the first aid room when it is in use.
15. That the first aid / welfare room shall be in operation at all times after 21:00 hours or at any time that the premises are being used for DJ or music led events, and / or at any time when major sporting events are to be shown at the premises.

<<The above conditions relating to a first aid / welfare room should replace condition 22 offered in the applicant's schedule of conditions.>>

16. That there shall be an identified first aider on site at all times that the premises are in operation. They shall sign in at the beginning of their shift in a staff log. The log shall include their printed name and the time & date that they sign in. The log shall be kept at the premises and be made available to council and / or police officers on request. ('Identified' in this condition means known to all staff.)
17. That illuminated emergency escape route and emergency exit signage that can remain illuminated independent of the mains power supply ('emergency lighting') shall be installed at the premises, be maintained in full working order, be fully operational at all times that the premises are in use and shall be maintained free from obstruction at all times.
18. That lighting shall be installed, maintained in full working order, and be in use in any external areas of the premises where customers are permitted at all times that the premises are in operation. The lighting shall be installed such that visibility allows customers (and staff) to safely navigate, and gain access and egress to and from the external areas. Such lighting shall be installed so that it does not cause nuisance to any nearby residences.

C. The prevention of public nuisance

19. That if and when required, staff shall interact with customers to ensure that customers behave in the premises' external area in a quiet and orderly manner and also leave the premises and locale in a quiet and orderly manner. Customers deemed by staff to be engaging in anti-social behaviour may be asked to leave the premises, if appropriate. Staff shall be trained in this and details of such training, including the printed name(s) of the trainee(s) and the date(s) that the training was given, shall be recorded in the staff training logs at the premises and shall be made immediately available to authorised officers on request.
20. That a sound limiting device (or similar equipment) shall be installed at the premises, be maintained in full working order and be in use at all times that the premises are in operation under this licence. All amplification equipment, entertainment devices and amplified instruments shall be routed through the sound limiting device (or similar equipment) which shall be calibrated so that the sound level of amplified sound at the premises does not cause a statutory or public nuisance and does not exceed any limits set by the premises' acoustic engineer. Only the licensee, premises manager, sound engineering staff, or other person(s) nominated in writing by the licensee, shall have access to the sound limiting device (or similar equipment) and shall be able to demonstrate that it is in use at the immediate request of authorised officers.

21. That a log / report with details of the calibration of any sound limiting device (or similar equipment), including who calibrated the device, what time it was calibrated, any internal and external sound level measurements taken, whether external measurements were taken with windows and doors open and any other relevant technical details shall be kept at the premises and signed off by the person who set the device. The log shall be made immediately available to authorised officers on request.
22. That only the licensee, premises' manager, sound engineering staff, or other person(s) nominated in writing by the licensee, shall have access to any amplification equipment and the sound limiting device (or similar equipment) at the premises, and only such staff shall be permitted to change any control settings on said equipment.
23. That a log of people permitted access to the amplification equipment and the sound limiting device (or similar equipment) at the premises shall be kept at the premises and provided to authorised officers immediately on request.

<<The above conditions relating to a sound limiting device and amplification equipment should replace condition 6 offered in the applicant's schedule of conditions.>>

24. That clearly legible signage stating a dedicated contact telephone number for the premises shall be prominently displayed where it can easily be seen and read by passers-by, and stated on the premises' website. The signage shall state to the effect that the phone number shown can be used to contact the premises in respect of any complaints regarding the operation of the premises. If the telephone number relates to a mobile phone, then the duty manager / supervisor on duty shall have the mobile phone on their person at all times. Such signage shall be kept free from obstructions at all times.

<<The above condition relating to a contact number should replace condition 18 offered in the applicant's schedule of conditions.>>

E. The protection of children from harm:

25. That a child protection / vulnerable persons policy will be devised and maintained at the premises. A copy of the child protection / vulnerable persons policy shall be kept at the premises with the premises licence and shall be made immediately available for inspection to authorised officers on request. All staff shall be trained in the implementation of the latest version of the child protection policy and details of such training including the printed name of the trainee and the date of the training, shall be recorded in the staff training logs at the premises.

I am open to discuss any of the above proposed conditions, however if the applicant accepts all of the conditions then I will withdraw this representation.

Yours sincerely,

Wesley McArthur

It is noted that the application states the following in relation to part M (a) General All four licensing objectives

“Challenge 25 policy; acceptable ID: passport, photocard driving licence, PASS hologram cards; refusals log; frontline training and refreshers”.

That in relation to part M (e) it states

“Challenge 25; no unaccompanied under 18s; children only allowed at private events with a risk assessment; robust welfare and safeguarding training for staff; soft drink alternatives and free water available”.

The draft conditions state

21. “A Challenge 25 age-verification policy shall be operated. Staff shall receive refresher training every 6 months”.

The Operating Schedule/Management Plan states

3.7 “All staff members will undertake mandatory training on induction and refresher courses every six months covering the following, inter alia:

“Age awareness and verification training”

3.8 Training records for all staff will be maintained on the dedicated Night Group training portal and will be available to inspect on site and remotely

4.12 No person under the age of 18 will be admitted to the premises. Children accompanied by a responsible adult may be allowed to attend private functions with the prior written consent of the General Manager.

4.15 A “Challenge 25” policy will be in place, which will be clearly signposted throughout the premises.

Statement of Case – Promotion of the Licensing Objectives states

1B (d) Protection of Children from Harm - via Challenge 25, safeguarding training, welfare supervision, and a prohibition on unaccompanied minors.

Regarding point 4.12 above from the management plan/operating schedule trading standards would like to see more clarity

A suggestion of wording could be

“No children under 18 will be admitted to the premises except for the purpose of prearranged private events the parent or responsible adult having obtained the written consent of the general manager prior to the event. During these private events children under 18 must be accompanied by a parent or responsible adult.

Or the applicant can provide their own wording.

It is good that there is reference to an age verification scheme. However, trading standards propose the following conditions as a way of consolidating and tidying up matters in order to comply with the licensing objective the protection of children from harm.

1. That a challenge 25 scheme shall be maintained requiring that staff selling or delivering alcohol request that any customer who looks under 25 years old, and who is attempting to purchase or take receipt of alcohol, provides valid photographic identification proving that the customer is at least 18 years old. Valid photographic identification is composed of a photo driving licence, passport, UK armed services photo ID card, any Proof of Age Standards Scheme (PASS) accredited card (such as the Proof of Age London (PAL) card) or any age verification card accredited by the Secretary of State

2. That all staff involved in the sale of alcohol shall be trained in the prevention of sales of alcohol to underage persons (including the prevention of ‘proxy sales’) and the challenge 25 scheme in operation at the premises. Details of such training, including the printed name(s) of the trainee(s) and the date(s) that the training was given, shall be recorded in the staff training logs at the premises and shall be made immediately available for inspection at the premises to authorised officers on request.

3. That clearly legible signs shall be prominently displayed where they can easily be seen and read by customers stating to the effect that a challenge 25 policy is in operation at the premises, that customers may be asked to provide proof of age and stating what the acceptable forms of proof of age are. Such signage shall be displayed at all entrances and points of sale The signage shall be kept free from obstructions at all times.

4. That a register of refused sales of alcohol shall be maintained in order to demonstrate effective operation of the challenge 25 policy. The register shall be used to record details of all refused sales of alcohol. The register shall be kept / be accessible at the premises at all times. If the refusals register is a paper document then it shall be clearly and legibly marked on the front cover as a register of refused alcohol sales, with the address of the premises and the name of the licence holder. The register shall be made immediately available for inspection at the premises to authorised officers on request.

I attach electronic documents of training materials and refusals register which can be used to meet the above conditions in terms of staff training and use of a refusal register. This effectively saves the business the cost of paying a consultant to undertake such activities. There is no reason why a person in the business who holds a personal license cannot undertake such training for staff and this can form part of a defence for the business should a member of staff supply alcohol to a minor.

If you are happy to accept these conditions then trading standards, as a responsible authority, will be happy to lift the representations made in respect of the application.

Hard copies of the above documents can be provided on request.

Kind regards

Re: Letter of Support for License Application - 1a Rye Lane

Dear Licensing Team,

I am writing to offer my support for the premises licence application submitted by Background Bars for 1a Rye Lane.

As a local Peckham resident and business owner, I have had regular contact with the applicants and have been able to observe the way they intend to run the premises. I believe their approach will make a positive contribution to the local area and align well with Southwark's licensing objectives.

In particular, I wish to highlight their commitment to the licensing objective of the **Prevention of Public Nuisance**. The applicants have demonstrated a responsible and well considered plan to minimise any disturbance to neighbours, including:

- Clear policies to control noise both inside and outside the premises
- Staff training on managing customer behaviour

- Appropriate use of signage reminding patrons to respect nearby residents
- Proposed closing procedures designed to ensure quiet dispersal

These measures give me confidence that the operation of this premises will not negatively impact the surrounding community and will instead support a safe and well-managed local environment.

Based on my knowledge of the applicants and their proactive approach, I am pleased to support this application and believe they will run the premises in a responsible and community-minded manner.

Please feel free to contact me if any further information is required.

Yours faithfully,

Re: Support for Premises Licence Application – Palais, Rye Lane

Dear Sir/Madam,

I am writing to offer my support for the premises licence application submitted by Background Bars for Palais, Rye Lane. Although I do not have access to the operating schedule, I would like to comment as someone who knows the applicants and has observed their approach to working within the local community. I live locally and know the area well.

My support is based particularly on their awareness of the licensing objective concerning **the Prevention of Public Nuisance**. Southwark is a mixed residential and commercial area, and the applicants have consistently shown that they understand the importance of being considerate neighbours. From previous interactions with their other venues, they have always demonstrated a willingness to listen, adapt, and take proactive steps to avoid causing disturbance.

They have spoken openly about wanting to run a business that fits comfortably within the area and maintains good relations with residents. Their thoughtful attitude - whether in handling customer behaviour, managing outdoor areas, or communicating respectfully - gives me confidence that they will strive to prevent any nuisance arising from the operation of their premises.

Although I cannot comment on their formal plans, their approach so far suggests that they will operate responsibly and with regard for the comfort and peace of those living nearby. For these reasons, I am happy to support their application.

Yours sincerely,

Subject: Support for Premises Licence Application - Peckham Palais - Application Number: 887620

Dear whom it may concern,

I am a Southwark resident writing to voice my support for the premises licence application made by Background Bars Limited for the proposed Peckham Palais venue in SE15 5EW.

I have read the plans for the venue and have also spoken to team members involved in the opening, who have evidently taken care in planning the operation of the space, emphasising customer safety whilst taking all necessary measures to minimise noise disturbance.

Introducing a new bar would undoubtedly bring positive energy to Peckham's night life, adding to its already strong sense of community.

In short, I am supportive of the premises licence being granted for Peckham Palais.

Kind regards,

Re: Support for Premises Licence Application – Palais, Rye Lane

Dear Sir/Madam,

I am writing to offer my support for the premises licence application submitted by **Background Bars** for **Palais, Rye Lane**. Although I do not have access to the operating schedule, I would like to comment as someone who knows the applicants and has observed their approach to working within the local community. I live / work locally and know the area well.

My support is based particularly on their awareness of the licensing objective concerning **the Prevention of Public Nuisance**. Southwark is a mixed residential and commercial area, and the applicants have consistently shown that they understand the importance of being considerate neighbours. From previous interactions with their other venues, they have always demonstrated a willingness to listen, adapt, and take proactive steps to avoid causing disturbance.

They have spoken openly about wanting to run a business that fits comfortably within the area and maintains good relations with residents. Their thoughtful attitude - whether in handling customer behaviour, managing outdoor areas, or communicating respectfully - gives me confidence that they will strive to prevent any nuisance arising from the operation of their premises.

Although I cannot comment on their formal plans, their approach so far suggests that they will operate responsibly and with regard for the comfort and peace of those living nearby. For these reasons, I am happy to support their application.

Yours sincerely,

Dear Sir/Madam,

I am delighted to offer my support for the premises licence application for Peckham Palais. As an active member of the local community, I have been following the development of this project with great interest.

What stands out is the applicant's vision to create a venue that celebrates Peckham's rich cultural diversity and creative heritage. Their plans to host community events, support local artists and performers, and provide an inclusive space for residents of all backgrounds align perfectly with the values of our neighbourhood.

The management has engaged meaningfully with community groups and demonstrated genuine commitment to being more than just a commercial venture. They understand the importance of contributing positively to the social fabric of Peckham while operating responsibly within the licensing framework.

I am confident that Peckham Palais will be an asset to our community and I give my full support to this application.

Yours faithfully,

Annex 1 - Mandatory conditions

100 No supply of alcohol may be made under the Premises Licence -

- a. At a time when there is no Designated Premises Supervisor in respect of the Premises Licence; or
- b. At a time when the Designated Premises Supervisor does not hold a Personal Licence or his Personal Licence is suspended

101 Every supply of alcohol under the Premises Licence must be made, or authorised by, a person who holds a Personal Licence.

102 The admission of children to films given under this licence must be restricted in accordance with the recommendations of the British Board of Film Classification or of the licensing authority itself.

107 Any individual carrying out security activities at the premises must be.

- (a) authorised to carry out that activity by a licence granted under the Private Security Industry Act 2001; or
- (b) entitled to carry out that activity by virtue of section 4 of that Act.

485 (1) The responsible person must ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.

(2) In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises –

(a) games or other activities which require or encourage, or are designed to require, encourage, individuals to -

- (i) drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or
- (ii) drink as much alcohol as possible (whether within a time limit or otherwise);

(b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic in a manner which carries a significant risk of undermining a licensing objective;

(c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less in a manner carries a significant risk of undermining a licensing objective;

(d) selling or supplying alcohol in association with promotional poster or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or

to refer to the effects of drunkenness in any favourable manner; and

(e) dispensing alcohol directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of disability).

487 The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available.

488 (1) The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol.

(2) The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy.

(3) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either

- (a) a holographic mark; or
- (b) an ultraviolet feature.

489 The responsible person shall ensure that -

(a) Where any of the following alcoholic drinks is sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures -

- (i) Beer or cider: 1/2 pint;
- (ii) Gin, rum, vodka or whisky: 25 ml or 35 ml; and
- (iii) Still wine in a glass: 125 ml;

(b) these measures are displayed in a menu, price list or other printed material which is available to customers on the premises; and

(c) where a customer does not in relation to a sale of alcohol specify the quantity of alcohol to be sold, the customer is made aware that these measures are available,

491 1. A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.

2. For the purpose of the condition set out in paragraph (1):

- (a) "duty" is to be construed in accordance with the Alcoholic Liquor Duties Act 1979;
- (b) "permitted price" is the price found by applying the formula

$$P = D + (D \times V),$$

where-

- (i) P is the permitted price,
- (ii) D is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and
- (iii) V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol;
- (c) "relevant person" means, in relation to premises in respect of which there is in force a premises licence –
 - (i) the holder of the premises licence:
 - (ii) the designated premises supervisor (if any) in respect of such a licence; or
 - (iii) the personal licence holder who makes or authorises a supply of alcohol under such a licence;
- (iv) "relevant person" means, in relation to premises in respect of which there is in force a club premises certificate, any member or officer of the club present on the premises in a capacity which enables the member or officer to prevent the supply in question; and
- (v) "value added tax" means value added tax charged in accordance with the Value Added Tax Act 1994.

3. Where the permitted price given by paragraph (b) of paragraph 2 would (apart from this paragraph) not be a whole number of pennies, the price given by that sub-paragraph shall be taken to be the price actually given by that sub-paragraph rounded up to the nearest penny.

4. (1) Sub-paragraph (2) applies where the permitted price given by paragraph (b) of paragraph 2 on a day ("the first day") would be different from the permitted price on the next day ("the second day") as a result of a change to the rate of duty or value added tax;
- (2) the permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.

Annex 2 - Conditions consistent with the operating Schedule

288 That a CCTV system be installed at the premises and be maintained in good working order and be continually recording at all times the premises are use under the licence. The CCTV System must be capable of capturing an image of every person who enters the premises.

289 That all CCTV footage shall be kept for a period of thirty one (31) days and shall, upon request be made immediately available to officers of the police and council.

290 That SIA registered door supervisor, one of whom shall be a female, shall be employed at all times after 22.00hrs and the terminal hour that the premises are in use under the licence and provided with hand held metal detection units in order to ensure that searches are carried out in respect of all admissions to the premises, whether members of the public or performers and their assistants and Mechanical counting devices to ensure that the maximum accommodation limit of the premises is not exceeded.

298 That signs shall be displayed in the entrance foyer to the premises that state 'Drug Free Zone' and 'No Search No Entry' Management reserve the right to refuse entry'.

302 That all matters relating to drugs shall be in accordance with the Metropolitan Police Best Practise Guide on the handling of the drugs in pubs and clubs.

303 That any regular and external promoters hiring the premises to complete 'Venue Hire Agreement' provided by Southwark Council and one completed the licensee shall ensure that a copy of the agreement is provided to the police and licensing unit a minimum of fourteen days prior to the date of hire.

311 That suitable notices shall be displayed and announcements made requesting people to leave the premises in a quiet and orderly manner so as not to disturb local residents.

312 That no parts of the outside curtilage, including the patio area, shall be used for the purpose of entertainment

336 That a personal licence holder is on the premises and on duty at all times intoxicating liquor is supplied.

340 Every patron will be searched upon entry of the club including DJ's and staff. A Risk Assessment will be carried out on a regular basis. No children will be allowed entry

341 SIA door registered staff will be on site during opening hours, and patrol the building. CCTV will be installed internally and externally of the building.

342 Checks on fire equipment will be carried out on a regular basis. Risk assessments will be carried out in relation to health and safety.

343 Customers will be asked to leave the premises quietly during licensed hours.

344 Children will not be allowed in the premises during licensed hours. There will no facilities for children.

345 Plays

Meeting Name:	Licensing Sub-Committee
Date:	18 December 2025
Report title:	Licensing Act 2003: Kent Restaurant and Lounge, First Floor, 516 Old Kent Road, London SE1 5BA
Ward(s) or groups affected:	Old Kent Road
Classification:	Open
Reason for lateness (if applicable):	Not applicable
From:	Strategic Director of Environment, Sustainability and Leisure

RECOMMENDATION

1. That the licensing sub-committee considers an application made Kent Restaurant and Lounge Limited for a premises licence to be granted under the Licensing Act 2003 in respect of the premises known as Kent Restaurant and Lounge, First Floor, 516 Old Kent Road, London SE1 5BA.
2. Notes:
 - a) This application is for a premises licence and has been submitted under Section 17 of the Licensing Act 2003. The application is subject to two outstanding representations from responsible authorities and is therefore referred to the licensing sub-committee for determination.
 - b) Paragraphs 8 to 13 of this report provide a summary of the application. A copy of the application submitted with the application are attached to this report as Appendix A.
 - c) Paragraphs 14 to 21 of this report deal with the representations submitted in respect of the application by the responsible authorities are available in Appendix B and the representations from other persons are in Appendix C. A map showing the location of the premises is attached to this report as Appendix F.
 - d) A copy of the council's approved procedure for hearings of the sub-committee in relation to an application made under the Licensing Act 2003, along with a copy of the hearing regulations, has been circulated to all parties to the meeting.

BACKGROUND INFORMATION

The Licensing Act 2003

3. The Licensing Act 2003 provides a licensing regime for:
 - The sale of and supply of alcohol
 - The provision of regulated entertainment
 - The provision of late night refreshment.
4. Within Southwark, the licensing responsibility is wholly administered by this council.
5. The Act requires the licensing authority to carry out its functions under the Act with a view to promoting the four stated licensing objectives. These are:
 - The prevention of crime and disorder
 - The promotion of public safety
 - The prevention of nuisance
 - The protection of children from harm.
6. In carrying out its licensing functions, a licensing authority must also have regard to:
 - The Act itself
 - The guidance to the act issued under Section 182 of the Act
 - Secondary regulations issued under the Act
 - The licensing authority's own statement of licensing policy
 - The application, including the operating schedule submitted as part of the application
 - Relevant representations.
7. The premises licence application process involves the provision of all relevant information required under the Act to the licensing authority with copies provided by the applicant to the relevant responsible bodies under the Act. The application must also be advertised at the premises and in the local press. The responsible authorities and other persons within the local community may make representations on any part of the application where relevant to the four licensing objectives.

KEY ISSUES FOR CONSIDERATION

The premises licence application

8. On 20 October 2025 Kent Restaurant and Lounge Limited applied to this Council for a premises licence to be granted under the Licensing Act 2003 in respect of the premises known as Kent Restaurant and Lounge, First Floor, 516 Old Kent Road, London SE1 5BA.

9. The hours applied for are summarised as follows:

- The sale by retail of alcohol (both on and off sales):
 - Monday to Wednesday from 11:00 to 01:30
 - Thursday to Saturday from 11:00 to 03:00
 - Sunday from 12:00 to 01:30
- The provision of late night refreshment (both indoors and outdoors):
 - Monday to Wednesday from 23:00 to 02:00
 - Thursday to Saturday from 123:00 to 03:30
 - Sunday from 23:00 to 02:00
- The provision of regulated entertainment in the form of plays, films, indoor sporting events, live music, recorded music and performances of dance (indoors):
 - Monday to Wednesday from 07:00 to 02:00
 - Thursday to Saturday from 07:00 to 03:30
 - Sunday from 07:00 to 02:00
- Opening hours:
 - Monday to Wednesday from 07:00 to 02:00
 - Thursday to Saturday from 07:00 to 03:30
 - Sunday from 07:00 to 02:00
- Non-standard hours for licensable activities and opening hours:
 - An extra hour added to the terminal hours on the morning that Greenwich meantime changes to British Summer time.
 - When Monday follows a Bank holiday Sunday to remain open until 03:00. When a Bank holiday weekend Friday and Saturday to remain open for one additional hour.
 - Mourn Day Thursday, Good Friday, Easter Sunday, May Day, St Patrick's Day, St David's Day, St George's Day, Christmas Eve, Boxing Day, Windrush Day, Gay Pride Day, 4th July, (Jamaica, St Lucia, Barbados, Trinidad and Tobago, Dominica, Dominican Republic, Guyana, Nigeria, Gambia, Ghana, Liberia, Ivory Coast & Sierra Leone Independence Days) to remain open for one additional hour.
 - The provision of licensable activities from the start of the permitted hours on New Year's Eve until the end of the permitted on New Year's Day.

10. The premises, and the intended operation of the premises, are described in the application simply as follows:

“Kent Restaurant and Lounge is a wine bar and restaurant located on the first floor of 516 Old Kent Road, SE1. The premises has a courtyard leading to the entrance of the restaurant. The entrance to the restaurant is located on the right-hand side at the top of the stairs. The restaurant has an outside eating area as well as a smoking balcony and emergency (metal staircase) fire exit leading outside to the courtyard. On the left-hand side of the entrance at the top of the stairs is the lounge with additional seating and bar to accommodate large bookings for all corporate and private functions on a pre-booked basis in line with our private hire policies. There are two designated female and male toilets with an additional emergency (metal staircase) fire exit door leading from the lounge to the courtyard.”

11. The premises licence application form provides the applicant’s operating schedule. Parts A, B, E, F, G, H, J, K, L, and M of the operating schedule set out the proposed licensable activities, operating hours and operating control measures in full, with reference to the four licensing objectives as stated in the Licensing Act 2003. Should a premises licence be issued in respect of the application the information provided in part M of the operating schedule will form the basis of conditions that will be attached to any licence granted subsequent to the application.
12. A copy of the application is attached to this report as Appendix A.

Designated premises supervisor (DPS)

13. The proposed DPS is Gilbert Lue-Kong who holds a personal licence with the London Borough of Lewisham.

Representations from responsible authorities

14. There were three representations from the responsible authorities, namely the Metropolitan Police Service (Licensing Division), the council’s environmental protection team and licensing as a responsible authority.
15. The representation from the police states that the premises has applied for hours vastly excessive to those recommended in the Southwark statement of licensing policy, especially for a residential area. The police believe that the plans do not truly reflect the layout of the premises. There is a problematic history with the premises in relation to crime and disorder and an ongoing concern that the previous licence holder may still be intrinsically linked to the current business operation.
16. The representation from the council’s environmental protection team (EPT) also points to the applied hours being excessive to the licensing policy, thereby creating a potential risk of public nuisance as an ‘unacceptable disturbance’. The representation makes an extensive list of recommendations with conditions, should the licensing sub-committee be minded to grant all, or part of the application.

17. The representation from licensing as a responsible authority relates to all four of the licensing objectives. It states that the hours are excessive, akin to the representations from the police and EPT; and that it would be contrary to members of the licensing committee's own policy decision, were a sub-committee minded to grant. The area is also changing, with an increased number of residential dwellings either in the process of being built, or planned in the near future. There are also concerns as to the history of the premises and the potential involvement of previous management.
18. The three representations are available in Appendix B.

Representations from other persons

19. There are representations from 15 other persons, available in Appendix C.
20. The representations each contain an individual impact statement, followed by a community response. The representations raise concerns over previous poor management practices; and that there may be high chance of this being repeated, should a late licence be granted. It's stated that the premises' location in relation to residential properties means that there could be risks to residents under all four of the licensing objectives and that the venue is not suitable for a nightclub.

Conciliation

21. All representations were sent to the applicant's legal representative, but no response has been forthcoming.

Premises history

22. The premises now operated as Kent Restaurant and Lounge was previously operated as a licensed premises called K-Che. K-Che was subject to two expedited reviews because of serious crime and disorder. The incident which prompted the second review was so serious that it led to the revocation of the premises licence.
23. K-Che was also the subject of many complaints from local residents over the time it operated. Prior to the premises housing K-Che, the premises operated under several guises as licensed premises, and it has been subject to noise complaints, and allegations of being associated with crime and disorder, since 2005 (when licensing legislation came under the purview of this authority for Southwark).
24. In February 2016, a premises licence was issued in respect of the premises to The K-Che Club Limited. This premises was subsequently revoked on 12 May 2021.
25. On 1 September 2022, a premises licence was issued in respect of the premises to Erico Entertainment Limited. A copy of the notice of decision is attached as Appendix D.

26. On 25 September 2024 Erico Entertainment Ltd went into liquidation. This resulted in lapse of the premises licence under s.27 Licensing Act 2003.
27. On 2 December 2024 Erico Entertainment Ltd applied for a premises licence. This application was withdrawn by the then Director Eric Doe during the course of the licensing sub-committee on 6 February 2025.
28. On 21 March 2025 Erico Entertainment Ltd applied for a premises licence. This application was withdrawn by the then Director Eric Doe during the course of the licensing sub-committee on 5 June 2025.
29. The applicant was sent an email on 18 December stating:

Further to today's Hearing, the matter has been adjourned until 27 February, at which point the matter will be held online via Microsoft Teams. A copy of the formal Notice of Adjournment will be sent to you in the coming days.

As advised, you will need to send me an electronic copy of the lease to circulate to all parties well ahead of the Hearing. You should make sure that the lease is a signed copy – it would appear that the version you brought in today was unsigned and therefore unlikely to be legally binding as any recent change of lease does not appear to have been registered with the Land Registry.

You have also been advised that the freeholders of the property should also make themselves available for the online Hearing on 27 February.

30. The formal Notice of Adjournment was sent on 22 December.
31. On 8 January, the applicant was emailed again, stating:

Further to the adjournment, the Hearing is to take place online on 27 January.

I am still awaiting an electronic copy of the lease to circulate to all parties well ahead of the Hearing.

You must ensure that the lease is a signed/witnessed copy – it would appear that the version you brought in previously was unsigned and therefore unlikely to be legally binding as any recent change of lease does not appear to have been registered with the Land Registry.

Please respond to this email.

32. No response has been received to the above correspondence.

Applicant	Dates	Activities	Counter Notice
Audrey Straker	30/08/2025 to 31/08/2025 from 16:00 to 05:30	Late TEN: The sale by retail of alcohol (on sales), regulated entertainment and LNR for 160 persons	Rejected – used up all TENS
Aubyn Graham	25/10/2025 to 26/10/2025 from 16:00 to 05:30	The sale by retail of alcohol (on sales) for 160 persons	Rejected – used up all TENS

Complaints

34. The table below contains a list of recent complaints against the premises:

Date	Source	Complaint
17/08/2025	Local resident	Noise nuisance. Advice sought for submitting a licence review
20/10/2024	Local resident	Noise nuisance
01/11/2025	Met Police	Unlicensed activity (*see below)
07/11/2025	Met Police	Unlicensed sale of alcohol

35. *The above table notes an incident on 1 November, where police attended the premises and found unlicensed activities in that no TEN had been applied for (the premises knowingly had no TENS remaining) yet regulated entertainment was taking place – patrons had paid to enter the premises and it would appear that those running the premises stated that Eric Doe was in charge of the premises. This would be classed as an unlicensed music event (UME).
36. A witness statement from the police is available in Appendix E. The premises was written to by the licensing authority. A response was received from the Applicant and is included after the statement.

Map

37. A map showing the location of the premises is attached to this report as Appendix F. The following is a list of licensed premises in the immediate vicinity (100 metres) of the premises application:

McDonalds, 518 Old Kent Road, London SE1 5BA, licensed for:

- The provision of late night refreshment (indoors):
 - Monday to Sunday from 23:00 to 05:00

Asda, 464-504 Old Kent Road, London SE1 5AG, licensed for:

- The sale by retail of alcohol (off sales):
 - Monday to Sunday from 00:00 to 00:00
- The provision of late night refreshment (indoors):
 - Monday to Sunday from 23:00 to 05:00.

Southwark Council statement of licensing policy

38. Council assembly approved Southwark's statement of licensing policy 2021 - 2026 on 25 November 2020. The policy came into effect on 1 January 2021. Sections of the statement that are considered to be of particular relevance to the sub-committee's consideration are:
- Section 3 - Purpose and scope of the policy. This reinforces the four licensing objectives and the fundamental principles upon which this authority relies in determining licence applications.
 - Section 5 - Determining applications for premises licences and club premises certificates. This explains how the policy works and considers issues such as location; high standards of management; and the principles behind condition setting.
 - Section 6 - Local cumulative impact policies. This sets out this authority's approach to cumulative impact and defines the boundaries of the current special policy areas and the classifications of premises to which they apply. To be read in conjunction with Appendix B to the policy.
 - Section 7 - Hours of operation. This provides a guide to the hours of licensed operation that this authority might consider appropriate by type of premises and (planning) area classification.
 - Section 8 - The prevention of crime and disorder. This provides general guidance on the promotion of the first licensing objective.
 - Section 9 - Public safety. This provides general guidance on the promotion of the second licensing objective.
 - Section 10 - The prevention of nuisance. This provides general guidance on the promotion of the third licensing objective.
 - Section 11 - The protection of children from harm. This provides general guidance on the promotion of the fourth licensing objective.
39. The purpose of Southwark's statement of licensing policy is to make clear to applicants what considerations will be taken into account when determining applications and should act as a guide to the sub-committee when considering the applications. However, the sub-committee must always consider each

application on its own merits and allow exceptions to the normal policy where these are justified by the circumstances of the application.

40. Members should take into consideration both the Southwark Statement of Licensing Policy and the Section 182 Guidance when making decisions. The links for these are below:

Section 182 Guidance:

[Revised guidance issued under section 182 of Licensing Act 2003 - GOV.UK](#)

Cumulative impact area (CIA)

41. The premises is located outside of a Cumulative Impact Area, but within a residential area.

The recommended closing time for public houses under the statement of licensing policy for that location is:

- 23:00 daily.

42. The recommended closing time for restaurants under the statement of licensing policy for that location is:

- 23:00 daily.

43. Night clubs (with 'sui generis' planning classification) are not considered appropriate for this area.

General guidance

44. Members should take into consideration both the Southwark statement of licensing policy and the Section 182 Guidance when making decisions.
45. Members are required to have regard to the Home Office guidance in carrying out the functions of licensing authority. However, guidance does not cover every possible situation, so long as the guidance has been properly and carefully understood, members may depart from it if they have reason to do so. Full reasons must be given if this is the case.
46. Members should also consider the National Licensing Policy Framework for the hospitality and leisure sectors. The link for this is below:

[National Licensing Policy Framework for the hospitality and leisure sectors - GOV.UK](#)

Climate change implications

47. Following council assembly on 14 July 2021, the council is committed to considering the climate change implications of any decisions.
48. Climate change is not a legal factor in the consideration of a grant of a premises license under the current licensing objectives, however members can make enquiries and request an agreement from applicants to promote the reduction of the impact of climate change that may be caused by the operation of the premises.
49. Examples of such an agreement may be:
 - Not to use single use plastics, such as disposable plastic glasses, when selling alcohol at the premises.
 - Encourage patrons not to drive to venues by providing details of public transport on their webpages/tickets.
50. The council's climate change strategy is available at the link below:

<https://www.southwark.gov.uk/sites/default/files/2024-12/Climate%20Change%20Strategy%20%28July%202021%29%20%287%29.pdf>

Community, equalities (including socio-economic) and health impacts

Community impact statement

51. Each application is required by law to be considered upon its own individual merits with all relevant matters taken into account.

Equalities (including socio-economic) impact statement

52. This report does not result in a policy decision and each application is required to be considered upon its own individual merits with all relevant matters taken into account. In considering the recommendations of this report, due regard must be given to the public sector equality duty set out in section 149 of the Equality Act 2010. This requires the council to consider all individuals when carrying out its functions.
53. Importantly, the council must have due regard to the need to eliminate discrimination, harassment, victimisation, or other prohibited conduct; advance equality of opportunity and foster good relations between people with protected characteristics and those who do not. The relevant protected characteristics are age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, sexual orientation. The public sector equality duty also applies to marriage and civil partnership, but only in relation to the need to eliminate discrimination, harassment, victimisation, or other prohibited conduct.

54. The equalities impact statement for licensing decisions is contained within the Southwark statement of licensing Policy 2021 – 2026 at the link below:

<https://www.southwark.gov.uk/sites/default/files/2024-09/Statement%20of%20Licensing%20Policy%202021-2026.pdf>

55. The equalities impact assessment is available at the link below:

<https://moderngov.southwark.gov.uk/documents/s92016/Appendix%20F%20-%20Equalities%20Impact%20Assessment.pdf>

Health impact statement

56. Health impacts cannot be considered by law when making decisions under the Licensing Act 2003.

Resource implications

57. A fee of £315.00 has been paid by the applicant company in respect of this application being the statutory fee payable for premises within non-domestic rateable value C.

Consultation

58. Consultation has been carried out on this application in accordance with the provisions of the Licensing Act 2003. A public notice was published in a local newspaper and similar notices were exhibited outside of the premises for a period of 28 consecutive days.

SUPPLEMENTARY ADVICE FROM OTHER OFFICERS

Assistant Chief Executive, Governance and Assurance

59. The sub-committee is asked to determine the application for a premises licence under Section 17 of the Licensing Act 2003.
60. The principles which sub-committee members must apply are set out below.

Principles for making the determination

61. The sub-committee is asked to determine the application for a premises licence under section 17 of the Licensing Act 2003.
62. The principles which sub-committee members must apply are set out below.
63. The general principle is that applications for premises licence applications must be granted unless relevant representations are received. This is subject to the proviso that the applicant has complied with regulations in advertising and submitting the application.

64. Relevant representations are those which:

- Are about the likely effect of the granting of the application on the promotion of the licensing objectives
- Are made by an interested party or responsible authority
- Have not been withdrawn
- Are not, in the opinion of the relevant licensing authority, frivolous or vexatious.

65. If relevant representations are received then the sub-committee must have regard to them, in determining whether it is necessary for the promotion of the licensing objectives to:

- To grant the licence subject to:
 - The conditions mentioned in section 18 (2)(a) modified to such extent as the licensing authority considers necessary for the promotion of the licensing objectives;
 - Any condition which must be under section 19, 20 or 21 be included in the licence.
- To exclude from the scope of the licence any of the licensable activities to which the application relates.
- To refuse to specify a person in the licence as the premises supervisor.
- To reject the application.

Conditions

66. The sub-committee's discretion is thus limited. It can only modify the conditions put forward by the applicant, or refuse the application, if it is necessary to do so. Conditions must be necessary and proportionate for the promotion of one of the four licensing objectives, and not for any other reason. Conditions must also be within the control of the licensee, and should be worded in a way which is clear, certain, consistent and enforceable.

67. The four licensing objectives are:

- The prevention of crime and disorder
- Public safety
- The prevention of nuisance
- The protection of children from harm.

68. Members should note that each objective is of equal importance. There are no other licensing objectives, and the four objectives are paramount considerations at all times.

69. Conditions will not be necessary if they duplicate a statutory position. Conditions relating to night café and take away aspect of the license must relate to the night time operation of the premises and must not be used to impose conditions which could not be imposed on daytime operators.

70. Members are also referred to the Home Office Revised Guidance issued under section 182 of the Licensing Act 2003 on conditions, specifically section

Reasons

71. If the sub-committee determines that it is necessary to modify the conditions, or to refuse the application for a premises licence application, it must give reasons for its decision.

Hearing procedures

72. Subject to the licensing hearing regulations, the licensing committee may determine its own procedures. Key elements of the regulations are that:
- The hearing shall take the form of a discussion led by the authority. Cross examination shall not be permitted unless the authority considered that it is required for it to consider the representations.
 - Members of the authority are free to ask any question of any party or other person appearing at the hearing.
 - The committee must allow the parties an equal maximum period of time in which to exercise their rights to:
 - Address the authority
 - If given permission by the committee, question any other party.
 - In response to a point which the authority has given notice it will require clarification, give further information in support of their application.
 - The committee shall disregard any information given by a party which is not relevant to the particular application before the committee and the licensing objectives.
 - The hearing shall be in public, although the committee may exclude the public from all or part of a hearing where it considers that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing, taking place in private.
 - In considering any representations or notice made by a party the authority may take into account documentary or other information produced by a party in support of their application, representations or notice (as applicable) either before the hearing or, with the consent of all the other parties, at the hearing.
73. This matter relates to the determination of an application for a premises licence under Section 17 of the Licensing Act 2003. Regulation 26(1) (a) requires the sub-committee to make its determination at the conclusion of the hearing.

Council's multiple roles and the role of the licensing sub-committee

74. Sub-committee members will note that, in relation to this application, the council has multiple roles. Council officers from various departments have been asked to consider the application from the perspective of the council as authority responsible respectively for environmental health, trading standards, health and safety and as the planning authority.
75. Members should note that the licensing sub-committee is meeting on this occasion solely to perform the role of licensing authority. The sub-committee sits in quasi-judicial capacity, and must act impartially. It must offer a fair and unbiased hearing of the application. In this case, members should disregard the council's broader policy objectives and role as statutory authority in other contexts. Members must direct themselves to making a determination solely based upon the licensing law, guidance and the council's statement of licensing policy.
76. As a quasi-judicial body the licensing sub-committee is required to consider the application on its merits. The sub-committee must take into account only relevant factors, and ignore irrelevant factors. The decision must be based on evidence, that is to say material, which tends logically to show the existence or non-existence of relevant facts, or the likelihood or unlikelihood of the occurrence of some future event, the occurrence of which would be relevant. The licensing sub-committee must give fair consideration to the contentions of all persons entitled to make representations to them.
77. The licensing sub-committee is entitled to consider events outside of the premises if they are relevant, i.e. are properly attributable to the premises being open. The proprietors do not have to be personally responsible for the incidents for the same to be relevant. However, if such events are not properly attributable to the premises being open, then the evidence is not relevant and should be excluded. Guidance is that the licensing authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public, living, working or engaged in normal activity in the area concerned.
78. Members will be aware of the council's code of conduct which requires them to declare personal and prejudicial interests. The code applies to members when considering licensing applications. In addition, as a quasi-judicial body, members are required to avoid both actual bias, and the appearance of bias.
79. The sub-committee can only consider matters within the application that have been raised through representations from other persons and responsible authorities. Interested parties must live in the vicinity of the premises. This will be decided on a case-by-case basis.
80. Under the Human Rights Act 1998, the sub-committee needs to consider the balance between the rights of the applicant and those making representations to the application when making their decision. The sub-committee has a duty under section 17 Crime and Disorder Act 1998 when making its decision to do all it can to prevent crime and disorder in the borough.

81. Other persons, responsible authorities and the applicant have the right to appeal the decision of the sub-committee to the magistrates' court within a period of 21 days beginning with the day on which the applicant was notified by the licensing authority of the decision to be appealed against.

Notes for Guidance

1. Describe the premises, for example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.
2. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08:00 and 23.00 on any day, provided that the audience does not exceed 500.
 - Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
 - Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - Live music: no licence permission is required for:
 - o a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
 - o a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - o a performance of amplified live music between 08.00 and 23.00 on any day, in a workplace that is not licensed to sell alcohol on those premises, provided that the audience does not exceed 500.
 - o a performance of amplified live music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - o a performance of amplified live music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school or (iii) the health care provider for the hospital.
 - Recorded Music: no licence permission is required for:
 - o any playing of recorded music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - o any playing of recorded music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - o any playing of recorded music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school proprietor or (iii) the health care provider for the hospital.
 - Dance: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500. However, a performance which amounts to adult entertainment remains licensable.
 - Cross activity exemptions: no licence is required between 08.00 and 23.00 on any day, with no limit on audience size for:
 - o any entertainment taking place on the premises of the local authority where the entertainment is provided by or on behalf of the local authority;
 - o any entertainment taking place on the hospital premises of the health care provider where the

entertainment is provided by or on behalf of the health care provider;

o any entertainment taking place on the premises of the school where the entertainment is provided by or on behalf of the school proprietor; and

o any entertainment (excluding films and a boxing or wrestling entertainment) taking place at a travelling circus, provided that (a) it takes place within a moveable structure that accommodates the audience, and (b) that the travelling circus has not been located on the same site for more than 28 consecutive days.

3. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).

4. For example the type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.

5. For example (but not exclusively), where the activity will occur on additional days during the summer months.

6. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.

7. Please give timings in 24 hour clock (e.g. 16.00) and only give details for the days of the week when you intend the premises to be used for the activity.

8. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.

9. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.

10. Please list here steps you will take to promote all four licensing objectives together.

11. The application form must be signed.

12. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.

13. Where there is more than one applicant, each of the applicants or their respective agent must sign the application form.

14. This is the address which we shall use to correspond with you about this application.

15. Entitlement to work/immigration status for individual applicants and applications

from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A current Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A current passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.

- A current Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A current passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A current Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A current Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A current Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, less than 6 months old, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a

European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.

- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:
 - o evidence of the applicant's own identity – such as a passport,

 - o evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and

 - o evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;

(iv) any page containing the date of expiry; and

(v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

C - Indoor Sporting Event

Please give further details here (Please read guidance note 4)

	We will be hosting weekly Domino games for our mainly elderly local (Bradfields Domino Club) Caribbean community, they generally come together every Wednesday, Friday & occasional Saturday's when there's a home match. This club has played other Domino teams from all over the country & have been in the summer league for over 20 years & more recently in the Winter Domino league. The game is open to everyone within the community who wish to socialise, learn & play this game of skill, the gathering of the elderly will be a permanent fixture within Southwark @ The Kent Restaurant & Lounge & will allow them to socialise with like minded people who do not have a warm and friendly environment to do this in. To summarise a weekly Domino club can provide emotional, cognitive & social benefits, enriching the lives of elderly participants in meaningful ways.

M - Steps to promote four licencing objectives

a) General - all four licensing objectives (b,c,d,e) (Please read guidance note 10)

	Robust Management Policy & Procedures with effective staff training meeting the requirement of the Licensing Act 2003 in upholding the 4 Licensing Objectives. This training will be recorded and kept on the premises and will be updated every 6 months these training sessions will focus on: no sales of alcohol to underage people (challenge 25), dealing with drunk and disorderly people, drug awareness, regular venue checks and customer's safety (ask Angela) and cover full noise prevention measure. We have written this application with awareness that standard mandatory conditions are already in place to meet these objectives, we have met with licensing (Wesley McAuthor) listing 47 conditions also with the police (Mark Lynch) listing 21 conditions and have agreed a full set of conditions that meet the four licensing objectives in full. These conditions have been sent to support this application submission. Whilst we have agreed these conditions we would like to make note that these conditions heavily weight on the operation of a night club, Our application has been submitted as a Wine Bar & Restaurant. I have copied and paste the police conditions as it would only allow me to upload 1 document Please see police conditions below we have a few point that we would like to discuss at the hearing. 1. That after 2300hrs a personal licence holder shall be on the premises until the terminal hour. 2. That only SIA registered Approved contractor Scheme security contractors shall be used at the premises.. 3. The premises licence holder shall be responsible at all times for the hire of SIA registered door supervisors. 4. The SIA registered door supervisors shall be equipped with recording body worn video for all events ending after 23:00hrs. The body worn video shall be made available upon request to Police and authorised council officers on request. That any instances of body worn cameras not functioning, not turned on or missing shall be recorded by the Manager/Staff in a security log book for reference with a reason for failure. 5. That clearly legible notices will be prominently displayed where they can easily be seen and read by customers stating that all customers will be searched prior to entry on a Friday, Saturday, and any day before a Bank Holiday after 21:00hrs when the premises are being used for DJ led club events or the premises are screening international tournament games or boxing. 6. That when live music ,Dj led events and/or screening of international tournament games or boxing events take place at the venue then no spirits (liquids containing more than 20% ABV) are to be sold by the bottle or half bottle. *** Note condition 6 wording has been changed and agreed via e-mail with Mark on
--	--

	1/10/2025 (That at all times all bottles of spirits will be decanted into recyclable polycarbonates (or a similar material), or recyclable cardboard drinking receptacles.) we would like to discuss this further at the hearing. 7. That all spirits (liquids containing more than 20% ABV) should be sold in measures of 25ml or 35ml to a maximum of two measures per container / glass. 8. That there shall be no new entry or re-entry to the premises after 0100hrs with the exception of those that leave to smoke. *** Would like to discuss the last entry time at the hearing 9. That a zero-tolerance policy to illegal drug use will be implemented and maintained at the premises. All staff shall be trained in respect of the premises drug policy and details of training shall be kept in the staff training records and made immediately available upon request by any responsible authority officer. 15. The Premises must have a welfare and vulnerability policy, and all staff must receive this training. All new staff must receive this training before starting their role and all staff must have refresher training every 12 months. All training must be recorded, and these records must be available on immediate request by Police and authorised council officers 16. That all off sales shall be made in sealed containers for consumption away from the premises 17. That all off sales shall cease at 0000hrs 18. That glassware shall not be removed from the premises restaurant area after 2300hours. 19. That when live, Dj led or sports events are shown and the terminal hour is beyond midnight A computer based identification scanning system shall be installed at the entrance to the premises. Any patrons entering the venue shall have their photographic identification checked and scanned onto the identification scanning system. The system shall be able to recognise valid forms of photographic identification, shall be able to recognise counterfeit identification, shall be able to store data regarding barred individuals and shall be maintained in full working order at all times that the premises are in use. Should any fault in the system occur then the matter shall be logged in the incident log at the premises immediately and steps shall be taken to remedy the fault immediately. Any steps taken to remedy the fault (e.g. contacting a relevant engineer) shall also be recorded in the incident log immediately. Should the system fail at any time then the premises must undertake a strict challenge 25 policy regarding customer entry to the premises. Access to the identification system shall be provided to Police and authorised council officers on request. 20. Any software updates relating to the computer based identification scanning system will be implemented as soon as possible to ensure that the system is always fit for purpose. All relevant staff will be able to show what version of the software is in use at the immediate request of Police and authorised council officers. 21. All security, management or any other staff who will at any time have control over customer entry to the premises, shall be trained in the full and correct use of the computer based identification scanning system. Details of such training, including the printed name(s) of the trainee(s) and the date(s) that the training was given, shall be recorded in the staff training logs in either a written or electronic format at the premises and when the premises are open shall be made immediately available for inspection at the premises to Police and authorised council officers on request.

d) the prevention of public nuisance

	We have a Noise Management Policy in place; all staff will be trained on the content to ensure our commitment to good noise management. All windows and doors will be kept closed after 23:00, and when regulated entertainment is being performed. That an air conditioning system to control the temperature of the premises shall be installed at the premises, and shall be maintained in full working order at all times that the premises are in use. The air conditioning system should allow for doors and windows to remain closed, and customers to be comfortable inside the premises, during warm weather. Should a fault occur in the air conditioning system the fault shall be logged as soon as the fault has become known, and a repair will be scheduled to take place as soon as possible. Details as to the log of any faults in the air conditioning system and the scheduling of any repairs shall be kept at the premises and be made available to authorised officers immediately on request. Whenever the premises are being used for DJ or music led events, and when major sporting events are to be shown at the premises staff shall regularly monitor outside the premises and take all necessary steps to ensure that noise from patrons or arising from the premises' operation does not cause disturbance or public nuisance (including customers playing music via car radios). A log of such monitoring including the printed name of the person who undertook the monitoring, the date & time of the monitoring and any observations or actions taken subsequent to the monitoring shall be kept at the premises and be made immediately available to council or police officers on request. The licensee, premises' manager, sound engineering staff, or other person(s) nominated in writing by the licensee, shall have access to any amplification equipment at the premises, and only such staff shall be permitted to change any control settings on said equipment, a log of persons permitted access to the amplification equipment at the premises will be kept at the premises and provided to authorised officers on request. Our dispersal policy to assist with patrons leaving the premises in an orderly and safe manner shall be devised and maintained regarding the premises. A copy of the
--	---

	dispersal policy shall be accessible at the premises at all times that the premise is in operation. The policy will include (but not necessarily be limited to) the following: a) Details as to how customer / staff egress at the premises shall be managed to minimise causing nuisance. b) Details of public transport in the vicinity and how customers will be advised in respect of it. c) Details of the management of taxis to and from the premises. d) Details of the management of any 'winding down' period at the premises. e) Details of the use of security and stewarding in respect of managing customer dispersal from the premises. f) Details of any cloakroom facility at the premises and how it is managed. g) Details of road safety in respect of customers leaving the premises. h) Details of the management of ejections from the premises. i) Details as to how any physical altercations at the premises are to be managed j) Details of how refuse / waste in the local vicinity arising through the operation of the premises will be cleared up (e.g. flyer clean up, post event clean up). All relevant staff employed at the premises shall be trained in the latest version of the dispersal policy. Details of such training, including the printed name(s) of the trainee(s) and the date(s) that the training was given, shall be recorded in the staff training logs at the premises. If the dispersal policy is a paper document then the signature of the trainees shall also be included. The dispersal policy shall be made immediately available to responsible authority officers on request. All advertising, marketing or media relating to the premises (including websites) will advise customers that there is parking available in the ASDA car park next to the premises, we will advise that customers must not park in local residential streets and shall list public transport options available in the vicinity and shall advise customers to refrain from driving to the premises. Signage with contact telephone number will be displayed for local residents to make contact for complaints or any other matter. Full conditions listing our compliance for the prevention of public nuisance, including, waste management, foot patrol including litter clearance and logs, drinks signage stating no drinks beyond this point, anti social behavior, staff training & record upkeep has been agreed with Wesley and has been supplied as part of this application

Re: KENT RESTAURANT & LOUNGE First Floor 516 Old Kent Road SE1 5BA

Dear Sir/Madam,

Police are in possession of an application from the above for a new premises license. The application states the premises will operate as a wine bar and restaurant . The venue is in a residential area as designated by the Southwark Statement of licensing policy and the latest closing time is 2300hrs regardless of venue type. The hours requested far exceed those recommended by the SSOLP. The hours requested are below.

Hours open to the Public

Sun-Wed – 0700hrs-0200hrs
Thurs-Sat – 0700hrs-0330hrs

Timings for plays

Sun-Wed-0700hr-0200hrs
Thurs-Sat-0700hrs-0330hrs

Timings for films

Sun-Wed-0700hr-0200hrs
Thurs-Sat-0700hrs-0330hrs

Timings for indoors sporting events

Sun-Wed-0700hr-0200hrs
Thurs-Sat-0700hrs-0330hrs

Timings for live music

Sun-Wed-0700hrs-0100hrs
Thurs-Sat-0700hrs-0330hrs

Timings for recorded music

Sun-Wed-0700hr-0200hrs
Thurs-Sat-0700hrs-0330hrs

Timings for performance of dance

Sun-Wed-0700hr-0200hrs
Thurs-Sat-0700hrs-0330hrs

Timings for Late night refreshment

Sun-Wed-0700hr-0200hrs
Thurs-Sat-0700hrs-0330hrs

Timings for supply of alcohol

Sun-Wed-0700hr-0130hrs
Thurs-Sat-0700hrs-0300hrs

The venue is situated on the Old Kent Road which is described as a residential area in the SSOLP though it is noted it is currently mixed use with supermarkets and a large residential development opposite which has historically suffered from anti-social behaviour from the late opening operations at the venues building.

This new application seeks to push the operating hours far beyond those generally granted for such a mixed-use venue and into the realms of nightclub hours to which this location is not suitable due to the close proximity of residential buildings, this has been proven by the troublesome operations that have taken place historically at the venue. A plan of the venue has been provided which shows a large area defined as a club but shows no details as to fixed seating and tables which we would expect to see in a restaurant or cocktail bar, the reality is the plans do not represent the venues true layout in regards to bar areas, seating and the large dancefloor area that exists and the plan is clearly misleading.

The building has historically been problematic in regards to crime and disorder and noise nuisance particular when granted hours beyond policy and though this application provides some control measures which Southwark Police Licensing and Southwark council licensing have had some input following meetings with the applicants, however it should be noted that the conditions proposed by the Police and council were aimed at the venue operating within policy hours to which this application does not, the conditions offered in the application also do not represent the full list of conditions to which Police and LA agreed to at the time of meeting. There appears to be no mitigating reasons for such hours other than the venue operating as a Domino club.

This venue has been operating in its current guise of a restaurant, wine bar and domino club, with occasional events operated under TENS system for some time without incident albeit also without a full alcohol licence. There is no significant history of this venue operating with the supply of alcohol involved.

The Southwark Council Statement of Licensing Policy also states, '(171) This Authority recognises the increase in the numbers of premises licensed for the sale or supply of alcohol since the introduction of the 2003 Act and, particularly, the increase in the numbers and density of such premises within the night time economy. In such a densely populated borough such as Southwark where there is often little demarcation between residential and commercial areas the potential for late operating venues and businesses to cause alcohol related nuisance and disturbance to local residents is considerable. Therefore, there will be no presumption in favour of lengthening licensing hours. The four licensing objectives should be paramount considerations at all times.'

There is also concern that the applicant for this licence is KENT RESTAURANT & LOUNGE LTD to which Mr Eric Doe is a director. Mr Doe was not only the previous licence holder for this venue but also for the ground floor venue which had its licence reviewed on more than one occasion in which the first occasion the sub-committee imposed additional measures on the licence to which under Mr Doe's ownership the venue continued to breach until in 2024 a further serious incident occurred and the venue was taken to review and the licence revoked. Police have no faith in Mr Doe to own or operate any licensed premises as he has clearly shown a disregard to not only all the licensing objectives but also the licensing sub-committee decisions.

Police are also aware that there was a discrepancy in regards to the venues lease and its ownership and would ask the applicant to provide full details of this lease as proof of ownership.

Police object to the granting of this Premises licence in its entirety. The hours far exceed those recommended for a residential area and the control measures offered do not address the licencing objectives in particular that of prevention of crime and disorder. The Police also have no faith in the applicant to be a responsible premises licence holder and this is based on his proven history of operating venues that show a total disregard for the licensing act, Police and local authority. Police submit this representation for consideration.

Yours Sincerely,

Walter Minka Agyeman

The premises has been described as a: “...*wine bar and a restaurant located on the first floor of the building.....*”

On behalf of the Environmental Protection Team (EPT), I wish to make a representation on this application based on the following grounds:

1) Compliance with Licensing Policy:

The proposed licensable hours exceed the suggested closing times for licensed premises of this type within the area, as outlined in the Southwark Statement of Licensing Policy 2021-2026:

Restaurant : Closing time for Restaurants and Cafes is 23:00 hours daily

Public House/Wine Bars: Closing time for Public Houses Wine bars or other drinking establishments is 23:00 hours

Takeaway (Late Night Refreshments): Takeaways are not considered appropriate for this area.

The proposed trading hours are significantly inconsistent with these guidelines.

2) Public Nuisance and Impact on Neighbouring Properties

The premises is located on Old Kent Road with residential properties nearby. In the opinion of the Environmental Protection Team, the proposed hours, extending into the very early morning are likely to result in unacceptable disturbance. This includes noise breakout from amplified music, particularly low-frequency bass; noise from patrons inside the venue and when arriving or dispersing late at night; and disturbance associated with early-morning operation of external plant, such as kitchen extraction systems.

The applicant states that a Noise Management Policy is in place, but no such document has been submitted. Without it, the Environmental Protection Team cannot assess whether the proposed mitigation is sufficient for hours applied. Given the sensitivity of the site and the extent of the hours applied for, the absence of a Noise Management Policy represents a significant gap in the applicant's case.

Recommendations:

Given the extent of deviation from the Licensing Policy and the likelihood of public nuisance, the EPT recommends that the application be refused, and that hours be brought back into alignment with policy.

However, if the Licensing Sub-Committee is minded granting the licence, the following conditions are strongly recommended in addition to those proposed in Part M of the operating schedule, to mitigate noise risks:

1. A multiband sound limiting device shall be installed at the premises and will be maintained in full working order and be in use at all times the premises is in operation.
 - i. All amplification equipment, entertainment devices and amplified instruments shall be routed through the sound limiting device and shall be calibrated so that the amplified sound at the premises noise emitted from premises does not cause a statutory or other nuisance. Only management staff will have access to the sound limiting device and will be able to demonstrate that it is in use at the immediate request of responsible authority officers.
 - ii. A qualified professional acoustic consultant shall be employed to calibrate the sound limiter at the premises and to arrange the layout, installation and orientation of the speakers at the premises so that sound transmission is minimised.
 - iii. A signed and dated report from the acoustic consultant regarding the calibration of the sound limiter and any amendments to the speaker installation at the premises report shall be kept at the premises and provided to responsible authority officers immediately on request.

- iv. Once the sound limiter has been calibrated, its control settings shall not be altered at any time, except for when altered by a qualified professional acoustic consultant or the premises' sound engineer.
2. During any licensed entertainment on the premises, all doors and windows shall remain closed (except for access or egress).
3. Amplified music, song or speech shall not be broadcast in external areas at any time.
4. The premises shall be adequately mechanically ventilated and comfort cooled to allow doors and windows to remain closed during licensed entertainment.
5. Customers permitted to temporarily leave and then re-enter the premises to smoke must be restricted to a designated smoking area.
6. Any queue [in a designated queuing area] to enter the premises must be supervised at all times by door supervisors.
7. Suitably qualified or experienced persons shall be employed at all times, whilst licensable activity is being provided, and shall take all reasonable steps to ensure that patrons do not cause a nuisance in the vicinity of the premises.
8. Premises management shall regularly monitor outside the premises to ensure that the volume and bass levels of any licensed entertainment is kept at a level that does not cause disturbance at the closest or most exposed noise-sensitive facade to ensure the prevention of public nuisance.
9. A comprehensive Dispersal Policy shall be produced and implemented at the premises, with all staff trained on the most recent iteration of the policy. A record of staff training on the Dispersal Policy shall be kept at the premises and a copy of the policy and training records be made available to the council or police on request.

10. A comprehensive Noise Management Policy shall be produced, implemented, and maintained at the premises. The policy shall detail the procedures and controls in place to minimise noise disturbance arising from regulated entertainment, customer activity, smoking areas, dispersal, and operation of plant and equipment. The policy shall include staff training arrangements, monitoring regimes, and escalation procedures. A copy of the Noise Management Policy shall be submitted to the Licensing Authority for approval prior to the commencement of any licensable activities under this licence, kept on the premises at all times, and made available for inspection by authorised officers upon request. All staff shall be trained in the policy, and training records shall be kept and updated regularly

11. All external plant required for the operation of the premises (air handling plant, condensers, kitchen extraction systems, etc.) shall be designed, installed and maintained to ensure that noise output from the external plant does not cause a public nuisance or intrude inside the nearest, or most exposed, noise sensitive premises.

12. Any kitchen extraction system required for the operation of the premises shall be installed with an appropriate discharge location (i.e. eaves height) and with adequate odour control filters installed and maintained to ensure that odour emissions do not cause a public nuisance or intrude inside in the nearest or most exposed sensitive premises.

Kind Regards

The provision of licensable activities from the start of the permitted hours on New Year's Eve until the end of the permitted on New Year's Day.

The premises, and its intended operation, are described in the application as follows (verbatim):

- *"Kent Restaurant and Lounge is a wine bar and restaurant located on the first floor of 516 Old Kent Road, SE1 5BA. The premises has a courtyard leading to the entrance of the restaurant. The entrance to the restaurant is located on the right-hand side at the top of the stairs. The restaurant has an outside eating area as well as a smoking balcony and emergency (metal Staircase) fire exit leading outside to the courtyard. On the left-hand side of the entrance at the top of the stairs is the lounge with additional searing and bar to accommodate large bookings for the restaurant. This is a spacious area used for private hire for all corporate and private functions on a pre-booked basis in line with our private hire policies. There are two designated female and male toilets with an additional emergency fire exit door leading from the lounge to the courtyard.*

We will host live stand up comedy events for our customers, as well as live singing performances.

Film clubs, network meetings, small seminars and training.

We will be hosting weekly Domino games for our mainly elderly local (Bradfields Domino Club) Caribbean community, they generally come together every Wednesday, Friday & occasional Saturday's when there's a home match.

This club has played other Domino teams from all over the country & have been in the summer league for over 20 years & more recently in the Winter Domino league.

The game is open to everyone within the community who wish to socialise, learn & play this game of skill, the gathering of the elderly will be a permanent fixture within Southwark @ The Kent Restaurant & Lounge & will allow them to socialise with like minded people who do not have a warm and friendly environment to do this in.

To summarise a weekly Domino club can provide emotional, cognitive & social benefits, enriching the lives of elderly participants in meaningful ways.

We may have occasional live music that may or may not be amplified on occasions when the premises may be used for private functions, it is not proposed that this will be a frequent occurrence.

Amplified music shall take place on the premises levels will be set and agreed by local authority. (the main volume control will be accessed only by staff members). To provide recorded music during normal business or as part of any functions that are booked by customers.

We will have space for dancing for customers who wish to dance as well as for events that we may put on from time to time.

Hot food & snacks will be readily available as late night refreshment, both on & off the premises, we have seated areas indoors as well as outdoors, this is not visible from the street and is situated within our boundary.

The Kitchen will close 30 mins for cleaning prior to closing time."

2. The Locale

The premises are located in a commercial / industrial area on Old Kent Road (Cantium Retail Park). Old Kent Road is an extremely busy major thoroughfare, with heavy vehicular traffic both day and night.

Old Kent Road serves as one of the main East / West arterial roads in both Southwark, and South East London as a whole and forms part of the A2.

Old Kent Road also has a lot of pedestrian traffic during the day /early evening, but this dwindles by late night / the early hours of the morning.

In the daytime the surrounding roads are moderately busy with vehicular and pedestrian traffic, however at night time the surrounding roads in the vicinity are generally quiet. The surrounding roads opposite the premises are mainly residential. Various bus routes service the local vicinity.

Photographs of the locale are below.

Figure 1: View looking south-west across Old Kent Road showing the premises.

Figure 2: View looking north-west up Old Kent Road showing residential properties opposite the premises.

Figure 3: View looking north-east across Old Kent Road from outside the premises' entrance showing residential properties directly opposite the premises.

3. The Statement of Licensing Police (SoLP)

According to section 7 of this council's statement of licensing policy 2021 – 2026 (the SoLP), the premises fall within a residential area.

A copy of the SoLP is available via:

[Our licensing policies | Southwark Council](#)

The following closing times are recommended in our SoLP in respect of various types of licensed premises located in residential areas as stated -

Restaurants and cafes:

- **23:00 daily**

Public houses, wine bars or other drinking establishments and bars in other types of premises:

- **23:00 daily**

Event premises / spaces where sale of alcohol is included in, and ancillary to, range of activities including meals:

- **23:00 daily**

Nightclubs:

- **Not considered suitable for residential areas**

4. Our objection

Our objection relates to the promotion of all of the licensing objectives and is based on the criteria set out in '4a', '4b', and '4c' below.

4a. Operating hours

Our objection relates to all of the licensing objectives.

We say that the provision of licensable activities so late into the night / early morning 7 days a week could have a negative effect on the promotion of all the licensing objectives.

Usually, we would say that it is not appropriate to allow premises to provide licensable activities so much later than the closing times suggested in the SoLP in area with so many residential properties (often housing families and many people of working age) directly opposite the premises because such the operating hours could have a **highly detrimental** effect on the quality of life and amenity of local residents.

Late operating hours can also have a negative effect not just on local residents, but also on people travelling through the local vicinity late at night / in the early hours of the morning.

Premises selling alcohol and providing entertainment, late at night and in the early hours of the morning, often become hubs for crime and disorder, anti-social behavior, nuisance and people with alcohol and drug abuse problems.

Allowing customers to consume alcohol, or to be on the premises after having already consumed alcohol, for such extensive hours **every day of the week** will allow for a high level of intoxication and more chance of confrontations between customers, as often happens in late night venues.

Although bus routes serve the area, including night bus services, it should be noted that the night bus services are sporadic compared to daytime services. The dispersal of customers from the wider locale is likely to take a long time in the early hours of the morning on all days of the week. This gives rise to more opportunity that customers leaving the vicinity could cause nuisance to local residents.

The operational hours suggested in the SoLP exist to protect residents, and other people, in the borough and were ratified by councilors at full licensing committee.

Full council assembly approved the current version of the SoLP and have maintained the suggested operating hours four times in a row. This shows that there is still a need for the recommended hours to be given **considerable** weight in the determination of premises licence applications.

We say that the licensing sub-committee should be ***the gatekeeper*** of the Statement of Licensing Policy that was, in part, ratified by councillors who form part of this very licensing sub-committee.

It should be noted however that the applicant engaged in pre-application consultation with the Licensing Unit in its role as a responsible authority and an extensive suite of conditions were agreed to. If the conditions offered in the application can be adhered to **at all times**, then **the risk factors of the premises operating late at night might be mitigated**.

We therefore would like the Licensing Sub-Committee to make a decision as to what operating hours would be appropriate.

4b – The future of the area

Old Kent Road is being redeveloped, and the premises sit within the Old Kent Road action plan area set out by this council. The Old Kent Road action plan seeks to build 20,000 new homes along the Old Kent Road corridor.

5000 of those new homes are to be built in the Crantium Retail Park and St James Road / Marlborough Grove section of the Old Kent Road action plan area.

The premises are ***centrally placed*** in the Crantium Retail Park and St James Road / Marlborough Grove section of the Old Kent Road action plan area as per the map below (the blue area(s)).

Figure 4: Map showing the Crantium Retail Park and St James Road / Marlborough Grove section of the Old Kent Road action plan area.

Further information on the planned future redevelopment of Crantium Retail Park and St James Road / Marlborough Grove section of the Old Kent Road action plan area can be found via:

[Cantium Retail Park and Marlborough Grove - Old Kent Road](#)

We say that granting this licence could conflict with the long-term redevelopment plans for the area and the amenity of future residents.

The initial proposal, and planning applications, regarding the Crantium Retail Park and St James Road / Marlborough Grove section of the Old Kent Road action plan area predate this application – although we must state that planning and licensing are two *separate legislative regimes*, and must be considered by this sub-committee as such, however the licensing sub-committee can give weight to the prevention of public nuisance, the prevention of crime and disorder, and the possible loss of amenity for future residents.

4c – operating history

This application is made by Kent Restaurant & Lounge Limited. Mr Eric Doe is a director of Kent Restaurant & Lounge Limited. Mr Doe has previously held a premises licence for this venue and for the ground floor of 516 Old Kent Road (known as Club 701). The company holding those premises licence was Erico Entertainment Ltd. This company went into compulsory liquidation in September 2024.

A screen shot showing that Mr Doe is a director of Kent Restaurant & Lounge Limited as of 24 November 2025 is attached as appendix 1.

The other directors of Kent Restaurant & Lounge Limited are **Erisa Opoku** and **Audrey Straker**.

Mr Doe is known to the responsible authorities and to Southwark's licensing sub-committee with a long history of non-compliance and a disregard of the licensing objectives. The premises licence held for the ground floor of 516 Old Kent Road was the subject to two summary reviews, triggered by serious crime and or disorder associated with the operation of the premises under the charge of Mr Eric Doe.

This is relevant due to the proposed operation of the Kent Restaurant & Lounge as it shows that Mr Doe is unable to operate a premises in compliance with the provisions of the Licensing Act 2003, and that granting a licence to Mr Doe (via Kent Restaurant & Lounge Limited) would **pose a serious risk of completely undermining all of the licensing objectives**.

Mr Doe's involvement regarding Ground Floor & Basement, 516 Old Kent Road.

1. In February 2016, a premises licence was issued in respect of the premises to Erico Entertainment Limited.
3. Licensing induction meetings took place with the premises on 8 July 2016, 26 November 2016, 11 June 2019. The purpose of an induction meeting is to explain the terms and conditions of the premises licence.
4. Closure Notices had been issued by the Police under section 19 of the Criminal Justice and Police Act 2001 on 13 August 2016, 10 September 2016, 23 October 2016 as a result of breaches of licence conditions.
5. Following licensing inspections, breaches of licence conditions were identified on the 2 September 2017 and 11 November 2017.

6. On 5 November 2019 an application for a summary review was made following a serious incident. At the final licensing sub-committee hearing on 28 November 2019, the premises licence was suspended for three months, the DPS was removed and licence modified with conditions, amongst which Eric Doe was to have no operational involvement in the premises.

7. On 17 January 2024 an application for a summary review was made following a serious incident. At the final licensing sub-committee hearing on 28 November 2019, the premises licence was permanently revoked.

Copies of the Notices of Decision relating to the summary reviews submitted on 5 November 2019 and 17 January 2024 are attached as appendices 2 and 3.

It is important to note that on 5 November 2019, this licensing sub-committee felt it necessary to impose the following condition to support the licensing objectives:

- That Eric Doe shall play no part in the day-to-day management or operation of the premises.

Despite Mr Doe, and his employees, received advice and warnings, Mr Doe has found it impossible to operate premises in compliance with the Licensing Act 2003.

Complaints have been submitted by local residents in regard to the prior operation of both Kent Lounge and Club 701 under Mr. Does stewardship. Details of the complaints are below.

			2003 and causing noise nuisance
C/A57288	01 November 2025	The police	The police witnessed the alleged provision of unlicensed licensable activities at the premises.

Although the above complaints are unsubstantiated (except for the last complaint regarding a visit to the premises by the police), we contend that the complaints are indicative that the prior operation of the premises caused residual problems in the locale.

Please note that ‘unsubstantiated’ simply means that we were not able to investigate the complaints at the time we received them. We received the complaints after the alleged problems had occurred. It means that we cannot verify whether the alleged incidents detailed in the complaints occurred, **not that they did not occur**.

It should be noted that all the above complaints came from residential properties **across the road** from the premises. In the future, the premises will be surrounded by residential properties, some of which will be *immediately* adjacent to it.

We say that above shows that the premises has been a source of **serious** crime and disorder in the locale, and potentially a source of severe nuisance to local residents.

Late night nightclub venues are high risk premises that are challenging to manage, and taking into account existing nearby local residences, and the fact that the area that will become increasingly residential in years to come, **it is vital that this application be considered very carefully**.

Other operating history

It is also noteworthy that before the premises operated as Kent Restaurant and Lounge it was operated as a licensed premises called K-Che.

K-Che was subject to two expedited reviews because of serious crime and disorder. The incident which prompted the second review was so serious that it led to the revocation of the premises licence issued in respect of the premises.

K-Che was also the subject of many complaints from local residents over the time it operated.

Prior to the premises housing K-Che, the premises operated under several guises as licensed premises, and it has been subject to noise complaints, and allegations of being associated with crime and disorder, since 2005 (when licensing legislation came under the purview of this authority for Southwark).

While Mr. Doe had nothing to do with the operation of the premises before 2016, we say that the operating history of the premises before this time shows that it may simply be an unsuitable location for a premises licensed for the sale of alcohol and provision of entertainment, and also that it is simply a hard premises to manage and operate safely and without complaint, and in compliance with the Licensing Act 2003.

Pre-application consultation

It must be noted that both the Licensing Unit and the police engaged in extensive pre-application consultation over the course of two meetings with Ms. Audrey Straker, and the premises’ proposed designated premises supervisor, Gilbert Lue-Kong.

During these meetings assurances were made by Ms. Straker and Mr. Lue-Kong that (1) Eric Doe would have nothing to do with the operation of the premises, and (2) that Mr. Doe would have nothing to do with the proposed application.

Ms. Straker and Mr. Lue-Kong were advised not to submit the application in the name of Kent Restaurant & Lounge Limited if Mr Doe was going to remain a director of the company.

During the pre-application meetings, Ms. Straker and Mr. Lue-Kong advised that they were the legal tenants of the building, and that Mr. Doe had no interest in the premises as a tenant. They also advised that they had signed a lease proving this, a copy of which they would supply. Ms. Straker and Mr. Lue-Kong were advised to provide a copy of the lease with the application; however, no such lease copy has been provided.

We are therefore **very** surprised that the application has been submitted by Kent Restaurant & Lounge Limited of which Mr Doe remains a director, and that a copy of the lease that Ms. Straker and Mr. Lue-Kong stated they possess, showing that they are the current legal tenants of the property, was not provided on application.

At this time it is possible that Mr. Doe may still have an interest in the operation of the premises and we say that if this is the case **the application should be refused in its entirety as the the grant of any licence subsequent to this application would completely undermine the promotion of the licensing objectives if Mr. Doe remains involved in the operation of the premises.**

We advise the licensing sub-committee to interrogate the current tenure of the premises to their satisfaction at the hearing to determine this application.

We advise that Ms. Straker and Mr. Lue-Kong provide a copy of the lease that they say they signed, showing that they are the current, and only, legal tenants of the premises.

Further information to support this representation may be presented prior to the licensing sub-committee hearing to determine the application.

Yours sincerely,

Wesley McArthur,
Principal Enforcement Officer

NOTICE OF DECISION**LICENSING SUB-COMMITTEE – 28 NOVEMBER 2019****LICENSING ACT 2003: SECTION 53A: CLUB 701, BASEMENT AND GROUND FLOORS, 516 OLD KENT ROAD, LONDON SE1 5BA****1. Decision**

That the council's licensing sub-committee, having considered an application made under section 53A of the Licensing Act 2003 by the Metropolitan Police Service for the review of the premises licence in respect of Club 701, Basement and Ground Floors, 516 Old Kent Road, London SE1 5BA and having had regard to all relevant representations decided to suspend the licence for a period of three months, to remove Alfred Manseray as the designated premises supervisor and to modify the conditions of the licence as follows:

1. That the premises will be closed on Wednesdays.
2. That the measures set out in the licensing compliance plan attached to the premises licence as annex 5 shall be implemented in full prior to the reopening of the premises.
3. That there shall be no shisha smoking equipment on the premises at any time.
4. That all security staff at the premises shall be supplied by an SIA approved contractor.
5. That condition 288 of the licence shall be amended by the addition of the following: "The premises shall not be open at any time when the CCTV is not operating correctly."
6. That condition 342 of the license shall be reworded as follows:

"That an ID scanning system of a specification to the reasonable satisfaction of the Police shall be installed and maintained at the premises. The system should be capable of sharing information about banned customers with other venues, identify the hologram on ID, read both passports and ID cards and be able to identify fake or forged ID documents to a reasonable standard. **The system must be operating correctly at all times when the premises are open** and will be used to record the details of all persons entering the premises including staff, members of the public, performers and their assistants. Entry to the premises will not be permitted without the production of the relevant ID document and / or if the person's details are already stored on the system and they are identified using a biometric identification system."

7. That Eric Doe shall play no part in the day-to-day management or operation of the premises.

2. Reasons

The licensing sub-committee heard from the representative of the Metropolitan Police Service, the applicant for the review, who referred to his previous representations (considered at the interim steps hearing on 7th November 2019) and to his further witness statement dated 22nd November 2019, in which he exhibits CCTV stills from the night of the incident showing the licence holder Eric Doe behind the bar in the outside shisha area where the assault occurred. In his view, this undermined Mr Doe's assertion that the incident had been the fault of others, in particular the designated premises supervisor, who had let him down. Mr Doe had been in

that area of the premises himself that night, yet had allowed multiple breaches of licence conditions to occur. It was clarified that the CCTV appeared to be 1 hour behind actual time, so that the incident had occurred after 3.00 a.m. by which time the premises should have been closed. In the view of the police, Mr Doe had shown a disregard for the licensing objectives and they had no confidence that he could manage the premises safely in future. The licence should therefore be revoked. If the sub-committee did not agree with that, the licence should be suspended for 3 months, the designated premises supervisor changed and an SIA approved contract team appointed.

The sub-committee heard from the representative of the licensing authority, who referred to written representations submitted on her behalf. These traced the chronology of previous interventions by licensing officers attempting to secure compliance at the premises. It was clear that despite three separate licensing induction visits breaches of licence conditions had continued to occur, eventually leading to police cautions being issued for licensing offences. She urged the sub-committee to revoke the licence or, at the least, suspend the licence for 3 months while all the remedial measures proposed by the licence holder were put in place.

The representative of the licence holder entirely accepted that a serious incident had occurred. However, the sub-committee had to distinguish between a history of long-running minor non-compliance at the premises and this serious incident of violence, which was a one-off and could not in itself justify revocation of the licence, particularly where – as here – it was possible for the premises to be run in future in a compliant way. The proposal was for Mr Doe to play no further part in managing the premises. A new designated premises supervisor had been identified. A comprehensive licensing compliance plan had been devised and would be implemented. The premises could cease trading on a Wednesday, as this had attracted an unfamiliar crowd. There would be no shisha smoking henceforth. The premises would be closed if either the CCTV or ID scanning system were not working. A 6 week suspension was volunteered, which would allow time for the new regime to bed in.

The sub-committee took account of the fact that a serious assault had taken place on the premises which had been caused or contributed to by multiple breaches of premises licence conditions. The premises should have been closed before the incident took place, the ID scanner was not working, no drinks or glassware should have been in the shisha area and no patrons should have been allowed to wear hats or hoods.

Revocation was considered, but on balance the sub-committee took the view that a 3 month suspension of the licence, the removal of the designated premises supervisor and the additional conditions set out above would be sufficient in this case to promote the licensing objectives, in particular the prevention of crime and disorder. The sub-committee considered that other measures short of suspension were insufficient given the seriousness of the incident, the multiple breaches of licence conditions and the previous operating history of the premises.

The sub-committee noted with approval the applicant's willingness to eliminate single-use plastics in glasses and straws.

In reaching its decision, the sub-committee had regard both to the revised guidance and to its own statement of licensing policy, and considered that its decision was appropriate and proportionate in order to promote the licensing objectives, in particular the prevention of crime and disorder.

3. Appeal rights

This decision is open to appeal by either

- a) The applicant for the review
- b) The premises licence holder
- c) Any other person who made relevant representations in relation to the application

Such appeal must be commenced by notice of appeal given by the appellant to the justices' clerk for the Magistrates' Court for the area within the period of 21 days beginning with the day on which the appellant was notified by this licensing authority of the decision.

This decision does not have effect until either

- a) The end of the period for appealing against this decision; or
- b) In the event of any notice of appeal being given, until the appeal is disposed of.

4. Review of interim steps pending appeal

At the conclusion of the review hearing the licensing sub-committee reviewed the interim steps to determine which interim steps were appropriate for the promotion of the licensing objectives, pursuant to section 53D of the Licensing Act 2003. The sub-committee concluded that these interim steps were appropriate:

- To suspend the premises licence.

The interim steps are open to appeal by:

- a) The chief officer of police for the police area in which the premises is situated; or
- b) The holder of the premises licence

Such appeal must be commenced by notice of appeal given by the appellant to the justices' clerk for the Magistrates Court for the area within the period of 21 days beginning with the day on which the appellant was notified by this licensing authority of the decision.

NOTICE OF DECISION**LICENSING SUB-COMMITTEE – 8 FEBRUARY 2024****SECTION 53C LICENSING ACT 2003: CLUB 701, BASEMENT AND GROUND FLOORS, 516 OLD KENT ROAD, LONDON SE1 5BA****1. Decision**

That the council's licensing sub-committee, having considered an application made under Section 53C of the Licensing Act 2003 by the Metropolitan Police Service for the review of the premises licence issued in respect of the premises known as Club 701, Basement and Ground Floors, 516 Old Kent Road, London SE1 5BA and having had regard to all relevant representations has decided it necessary for the promotion of the licensing objectives to revoke the premises licence.

2. Reasons for the decision

This was an application made by the Metropolitan Police Service for a review of the premises licence in respect of the premises known as Club 701, Basement and Ground Floors, 516 Old Kent Road, London SE1 5BA.

The licensing sub-committee heard from the representative for the Metropolitan Police Service who advised that on 17 January 2024, the Metropolitan Police Service applied for a summary review of the premises licence issued in respect of the premises following a Police Superintendent certifying that, in their opinion, the premises are associated with serious crime, serious disorder or both.

The application concerned an allegation of a very serious incident of assault that took place at the premises on 2 January 2024 between 02:15 and 02:45 at a time the premises was not authorised to be open. The premises licence did not permit the premises to be open on Tuesdays nor was there a Temporary Event Notice (TEN) in place for the premises to operate. The Police stated the incident would not have occurred had the premises been closed. Regarding the incident, it remained an on-going criminal investigation and charges had yet to be laid.

The police stated that Club 701 was a serially non-compliant premises, and that stating that the early morning of 2 January formed part of its trading day of 1 January, was not credible. They referred to condition 396: "That on Sundays prior to Bank Holiday Mondays, Christmas Eve and New Year's Eve the permitted opening hours of the premises are between 22:00 to 05:00 and licensable activities must cease at 04:00 on these days". The premises had a poor compliance history and had been given many chances over the years to comply. The premises was not capable of being run as a compliant venue which flew in the face of the prevention of crime and disorder licensing objective.

A similar serious incident had occurred after licensed hours in 2019 which had left a man in an induced coma. This resulted in the Police submitting a summary review of the premises licence. On that occasion, the licensing sub-committee suspended the

premises licence for three months, Mr Doe was prohibited from playing any part in the day-to-day management of the premises and the licence conditions were modified. The sub-committee had been lenient in 2019; the license holder had told members that the 2019 incident had been a one-off and did not justify the revocation of the licence. The 2019 incident was clearly not a one-off. The incident in the early hours of 2 January 2024 had taken place in a similar fashion and the sub-committee could not treat the breach as minor.

The police informed the sub-committee that as a result of their investigation into the incident on 2 January 2024, additional breaches of licence conditions had transpired, demonstrating wider non-compliance:

- i. CCTV footage could not be found following a flood on 17 December at the Kent Restaurant and Lounge. Police were only able to access part of CCTV as there was a missing camera and what was provided was grainy, poor quality, and incorrectly timestamped.
- ii. Males had been seen (on the CCTV) wearing hats and hoods which is a breach of condition 373 "That customers shall not be permitted to wear hats or hoods whilst inside the venue".
- iii. The alleged perpetrator of the assault on 2 January 2024 had also not been registered on the ID scanner in breach of condition 342 which had been accepted by the venue.
- iv. Due to financial constraints, the venue had not completed training yet and had refresher training completed at speed in the previous seven days. This included "staff complete licensing SAVI training last year". SAVI is an accreditation; it does not supply training. Enquiries made by the police, found that the venue had been historically accredited, but this had lapsed in August 2022. The premises stated that there was approximately 10 staff and that they had focussed on essential training.

The licensing sub-committee heard from licensing as a responsible authority who outlined the premises licence history and also sought a revocation of the premises licence.

The licensing sub-committee then heard from the representative for the premises who advised that it was too simplistic for the police to state that the incident would not have occurred if the premises had been closed. The incident may have occurred if a TEN was in operation or on a night when the venue was operating under the premises licence.

Regarding the incidents, the alleged suspect knew the victim in his private capacity and at the time was an off-duty doorman. The alleged assault had taken place in a separate location; accessible only to the off-duty doorman through his knowledge of the premises. The representative for the premises asserted that the incident could not have been foreseen.

When the venue was under operation as MyTribe, the venue had a proven history of violence; this was not the case now. The Police no longer regarded Club 701 as a

venue blighted with crime and disorder. The trigger incident in 2019 (that was subject to the previous expedited review) was an assault and the DPS was not effective and did not support the premises licence conditions. Furthermore, since 2019 it was a condition that Mr Doe, who was present on the day of the assault in 2019, not take part in direct day to day affairs, which he had not. In light of this, the sub-committee were invited to disregard the 2019 incident and matters raised up to 2019 had been dealt with by the licensing sub-committee at that time.

When asked about violent incidents since 2019, the DPS accepted that there had been some minor incidents, but the police had been informed of them each time and had been offered the relevant CCTV footage. The venue had always co-operated with the police and by way of example, when the police advised of the potential gang activity on 3 January 2024, the DPS voluntarily did not open. The police stated that they had been aware of nine incidents and that reports had been made by both the DPS and victims. The representative for the premises added that seven of the nine incidents resulted in no further action being taken and two were on-going. It was also made clear that the incident of 2 January took place in the adjoining Kent Restaurant and Lounge, not Club 701. The DPS was responsible only for Club 701 and not Kent Restaurant and Lounge.

Under the new DPS, the location had had a much needed revamp. New strict rules had been introduced as to how the venue was policed, such as the number of door staff. Under condition 841, six SIA door staff were required, but the new DPS had introduce eight to ten door staff on average.

The CCTV time lag had been explained to the police when the footage was provided to them. It was a minor issue that required the premises to call an IT engineer to sort out, but the police required the recordings before it could be addressed. The police had been provided with all the information needed alongside the CCTV recordings. Regarding the error with one of the CCTV cameras not being included on the USB, the police had been offered extensive opportunities to view the CCTV in situ and a further copy was supplied later.

The IT engineer was asked why the police would have said the quality wasn't good, the CCTV footage was not time stamped, some was too "grainy" or set at the wrong speed and some not time stamped, but the IT engineer was unable to explain and stated that it could be a network issue. Regardless, the DPS confirmed that the CCTV was now up to specification.

With regard to non-compliance with the ID scanner in condition 342, the sub-committee were advised that while the exact wording had not been complied with, the requirements had been. Staff were all checked in via a written record. Moving forward, the venue said door staff would go through the ID scanner and also register in the written record.

In discussions, the police advised members that they had not received the log of staff on duty for the 1-2 January and that it was the first time they had heard that the alleged perpetrator of the assault was off duty that night. The venue stated that he attended the venue for a night out as he often did. Because he was not staff that night, the representative for the premises said he would not have required to go

through the ID scanner in any event. It was confirmed that he didn't because staff knew him, but acknowledged that this was a mistake.

The police stated that people were in the venue with hoodies and hats, but the sub-committee were reminded that it was cold, it was a January night. Customers had been told to remove the offending items prior to going through the ID scanner. The police may have cited that customers wearing hoodies/hats as an example of a breach of conditions, but it was something that could be explained.

The police stated that the CCTV showed that customers were wearing hats/hoodies on the dance floor. However, because there was no time stamp on the CCTV, officers could not link those customers with the hats/hoodies with other cameras, so it couldn't be established who came into the premises' foyer wearing them and who took them off for the ID scanner and then put them back on later. Regardless, condition 373 of the premises licence provided: "Customers will not be permitted to wear hats or hoods while in the venue". Under the premises licence, the foyer was within the premises and therefore none should be worn there in any event.

The representative for the premises said that there had been 13 TENs in 2023, none of which had been objected to; so there was no reason to assume a TEN for the 2 January would be an issue. If a TEN had been submitted there was no reason it would have been objected to yet the incident may have occurred regardless. The lack of TEN was an honest mistake. The DPS assumed that a TEN wasn't needed, it was a national holiday and he believed that one was not required.

The DPS accepted that he couldn't do everything and a named member of staff ordinarily submitted on the DPS' behalf. The DPS accepted that the oversight of the TEN was his responsibility, but stressed to the sub-committee that he turned the venue around and achieved a lot of positives since he had taken over the DPS role. Ultimately, Mr Doe accepted Club 701 was his business and it was he who had to take responsibility for the lack of a TEN.

Concerning the delayed payment of the license fee, it transpired that the licensing authority had the incorrect email address and unfortunately, post was being sent to the church rather than Club 701 and the church were returning it. As soon as the premises realised the non-payment of the licence fee, it was rectified immediately.

The police had advised the sub-committee that there had been "numerous complaints from residents". This was a misleading statement. There had been complaints from residents, but this was prior to the 2019 change in management. Since that time, there had been virtually no such complaints.

This was an application made by the Metropolitan Police Service for the review of the premises licence issued in respect of the premises known as Club 701, Basement and Ground Floors, 516 Old Kent Road, London SE1 5BA.

The licensing sub-committee's role in the review application is to look at the venue's past operation and determine whether the venue was safe to reopen and whether the venue is capable of promoting the licensing objectives. It is not for the sub-committee to determine whether the incident that triggered the summary review on 2 January 2024 did or did not occur. The sub-committee is also mindful of the

sensitivity of the incident alleged to have taken place and this decision should not be taken to be determinative of the police criminal investigation.

Having heard the submissions from the police, licensing as a responsible authority, the premises and having considered all of the written representations this sub-committee found:

1. The venue previously operated under previous management as MyTribe and had its premises licence revoked.
2. In February 2016, a premises licence was issued in respect of the premises to Erico Entertainment Limited.
3. Licensing induction meetings took place with the premises on 8 July 2016, 26 November 2016, 11 June 2019. The purposes of the induction meetings is to explain the terms and conditions of the premises licence.
4. Closure Notices had been issued by the Police under section 19 of the Criminal Justice and Police Act 2001 on 13 August 2016, 10 September 2016, 23 October 2016 as a result of breaches of licence conditions.
5. Following licensing inspections, breaches of licence conditions were identified on the 2 September 2017 and 11 November 2017.
6. On 5 November 2019 an application for a summary review was made following a serious incident. At the final licensing sub-committee hearing on 28 November 2019, the premises licence was suspended for three months, the DPS was removed and licence modified with conditions, amongst which Eric Doe was to have no operational involvement in the premises.
7. On the night of 1-2 January 2024:
 - i. The suspect of the assault had not been registered through the ID scanner in breach of condition 342. The premises accepted that it had not been compliant.
 - ii. Males had been seen on CCTV wearing hats/hoods in breach of condition 373. This was accepted in part by the premises.
 - iii. The CCTV was inadequate in that CCTV footage could not be found (following a flood on 17 December at the Kent Restaurant and Lounge), there was a time lag on the CCTV, the footage was not time stamped, the quality of it was of no evidential value and the CCTV provided was missing footage from one camera. This was in breach of conditions 288, 340 and 343. Again, this was partially accepted by the premises.
 - iv. The premises also accepted that as of the 1-2 January 2024 was not up to date with its staff training, in part due to financial pressure brought by the pandemic. Although the sub-committee recognised

the impact the pandemic had on the hospitality industry, this was a breach of condition 843.

- v. The venue operated with no authorisation in place (whether under the premises licence or under a TENs).
- vi. The premises did not pay their annual license payment therefore, the premises licence was effectively suspended. The venue continued to operate regardless.
- vii. On 17 January 2024, the Metropolitan Police applied for a summary review of the premises licence relating to Club 701 under section 53A of the Licensing Act 2003. The application was accompanied by a certificate signed by a Superintendent who expressed they were of the opinion that the premises is associated with serious crime and/or serious disorder.
- viii. A remote interim steps hearing was held on 19 January 2024 to consider whether it was necessary to impose interim steps pending the full determination of that review application. Having heard representations made on behalf of both the Metropolitan Police and the Premises Licence Holder, the sub-committee determined it was necessary to suspend the premises licence until the main review hearing which took place on 8 February 2024.
- ix. The venue were used to applying for TENs and they had not exceeded its annual TENs allowance. The sub-committee found the absence of a TEN was a deliberate act of avoidance.

The incident in the early hours of 2 January may not have been foreseen, but its occurrence resulted in the discovery of breaches (of licence conditions). Attempts were made to explain the breaches, however, the sub-committee were not impressed with the explanations provided. The breaches are not “minor” and cumulatively could have a detrimental effect on the police investigation.

The police referred to the breaches as akin to the culture of non-compliance that led to incidents in 2019; the sub-committee are duty bound to consider. Compliance with licence conditions is not optional.

Under Southwark’s statement of licensing policy 2021- 2026 the premises is located in a residential area and (with the exception of hotels), the appropriate closing time for all drinking establishments in this area is recommended as appropriate within this area as 23:00 daily.

A significant number of licence breaches have taken place at this premises over a considerable period of time. The breaches in 2019 replicate those in 2024. Paragraph 4.97 of the Section 182 guidance provides:

“.....the management committee will collectively be responsible for ensuring compliance with licence conditions and the law”.

There have been issues at the premises since well before 2019. The premises licence holder was given opportunities to rectify those issues in 2019, yet the same issues and licence breaches remain five years after the previous review brought by the Police. The venue has been given ample opportunity to rectify the recurring issues, but it either has been unable or unwilling to do. Its compliance has been reactive, rather than proactive which does not promote the licensing objectives.

Both the police and licensing as a responsible authority have given the premises many chances to operate in compliance with the premises licence. Neither have confidence in the management of the venue and are of the view that it is only a matter of time before another serious incident will occur, if the premises licence is modified.

The options available to this sub-committee are:

i. **Take no action**

The licensing sub-committee have found a significant number of breaches have taken place and taking no action is not an option.

ii. **Modify the conditions of the licence by altering, omitting or adding any conditions**

The premises licence already contains extensive conditions. The representative for the premises suggested modifications of the licence, which included conditioning the operational door between the venue and the Kent Lounge being locked (save for when the Kent Lounge is operational), hourly checks on all members of staff to ensure they are in post and performing their duties and All front of house staff attending Southwark's VAWG training. The licensing authority were also informed that the venue would establish a PO Box and provided an email address.

The premises has been in breach of its licence conditions on a number of occasions and the sub-committee were not satisfied that the addition of further conditions would be complied with given that the premises were unable to comply with the conditions that already exists on its licence.

iii. **Exclude a licensable activity**

The only activity that could be excluded from the licence would be the sale of alcohol. This would be tantamount to a revocation of the licence.

iv. **Remove the designated premises supervisor**

The licensing sub-committee did consider removing the DPS. However, the sub-committee concluded that in order for there to be a material change in Club 701, there needed to be a complete overhaul of senior management of the venue.

v. **Suspend the licence**

With the specifics of this case, a suspension of the licence was considered punitive only and this sub-committee took the view that this was not an appropriate course of action given all the circumstances.

vi. **Revoke the licence**

Paragraph 11.10 of the Section 182 guidance provides “Where authorised persons and responsible authorities have concerns about problems identified at premises, it is good practice for them to give licence holders early warning of their concerns and the need for improvement, and where possible they should advise the licence or certificate holder of the steps they need to take to address those concerns. A failure by the holder to respond to such warnings is expected to lead to a decision to apply for a review. Co-operation at a local level in promoting the licensing objectives should be encouraged and reviews should not be used to undermine this cooperation.

Paragraph 11.20 of the Section 182 Guidance provides:

“In deciding which of these powers to invoke, it is expected that licensing authorities should so far as possible seek to establish the cause or causes of the concerns that the representations identify. The remedial action taken should generally be directed at these causes and should always be no more than an appropriate and proportionate response to address the causes of concern that instigated the review.”

It is fundamental to the operation of a well-run venue that it has the proper senior management in place who understand their roles and responsibilities. It is quite apparent that this is not the case at Club 701. This sub-committee is not satisfied that the venue has the senior management that have adequately addressed the reasons for their failings following the alleged incident on 2 January 2024. This licensing sub-committee is also not satisfied that any further measures could be put in place to ensure future compliance that would promote the licensing objectives, in particular, the prevention of crime and disorder licensing objective.

In reaching this decision the sub-committee had regard to all the relevant considerations, its equality duties and the four licensing objectives and considered that this decision was appropriate and proportionate

3. **Appeal rights**

This decision is open to appeal by either:

- a) The applicant for the review
- b) The premises licence holder
- c) Any other person who made relevant representations in relation to the application

Such appeal must be commenced by notice of appeal given by the appellant to the District Judge's Clerk for the Magistrates' Court for the area within the period of 21

days beginning with the day on which the appellant was notified by this licensing authority of the decision.

This decision does not have effect until either

- a) The end of the period for appealing against this decision; or
- b) In the event of any notice of appeal being given, until the appeal is disposed of.

4. Review of interim steps pending appeal

At the conclusion of the review hearing the licensing sub-committee reviewed the interim steps to determine which interim steps were appropriate for the promotion of the licensing objectives, pursuant to section 53D of the Licensing Act 2003. The sub-committee concluded that these interim steps were appropriate: that the premises licence be suspended.

The licensing sub-committee were satisfied that these interim steps are appropriate and proportionate to promote the licensing objectives to modify the interim steps, as detailed above.

The interim steps are open to appeal by:

- a) The chief officer of police for the police area in which the premises is situated;
or
- b) The holder of the premises licence

Such appeal must be commenced by notice of appeal given by the appellant to the justices' clerk for the Magistrates Court for the area within the period of 21 days beginning with the day on which the appellant was notified by this licensing authority of the decision.

Issued by the Constitutional Team on behalf of the Assistant Chief Executive – Governance and Assurance.

Resident Impact Statement

I have lived directly opposite this premises for nearly a decade. During previous operation under the same ownership, I repeatedly witnessed violence, drug use, excessive noise, and both sexual and non-sexual antisocial behaviour. The pattern was persistent and deeply disruptive.

It is extremely concerning that we are again being asked to respond to yet another licence application of the same nature, from the same operator, at the same address—despite multiple past refusals and a long, documented history of serious problems. This is an unsuitable location for any late-night, alcohol-led venue, and past management has consistently demonstrated an inability to control noise, crowds, or disorder.

My neighbours and I remain firmly opposed to a return of late-night activity at this address. We have already endured years of unacceptable disturbance and risk to our wellbeing. Nothing in this application suggests any meaningful change, and granting this licence would inevitably recreate the same issues.

COMMUNITY RESPONSE

Objection – Application for Premises Licence No. 887243

Dear Southwark Licensing,

We as local residents collectively object to the stated premises licence application. The application remains incompatible with the Licensing Objectives and with the Council's Licensing Policy, especially given the vulnerability of residents directly opposite and the long, documented history of problems connected to both the premises and the operator involved.

1. Safeguarding risks to vulnerable residents directly opposite the premises
 The venue sits directly opposite multiple residential blocks, including John Penry House, which provides accommodation for older and vulnerable adults. Residents there require consistent and predictable night-time conditions. The application seeks a closing time that reaches into the early hours, including on working days. Alcohol-led activity, late dispersal, noise and increased footfall at those hours are directly at odds with the needs of a residential and vulnerable population.

Southwark has safeguarding responsibilities toward residents in supported accommodation. Approving a late-night alcohol and entertainment licence at this location would introduce foreseeable risks to wellbeing, sleep, and personal safety.

2. The surrounding community includes families, children, carers and shift workers. Directly opposite and around the premises are high-density residential blocks with:

- families with young children
 - early-start workers
 - elderly residents
 - individuals previously affected by noise and nuisance from this address
- Children use nearby bus stops early in the morning. Very late-night alcohol-led dispersal increases the likelihood of noise, litter and disturbance only hours before school and work traffic begins. The character of the area is residential and sensitive. The presence of shops or restaurants on the main road is not comparable. Ordinary businesses do not generate hundreds of people leaving a late-night venue, with associated alcohol use, drug use and disorder.

3. The premises and the operator have a documented history of serious issues at this address

Southwark's Licensing Policy states that the past compliance history of both the premises and the management is relevant to decision-making. Both matter here. This premises has previously been associated with:

- repeated licensing interventions
- suspensions
- noise problems
- serious disorder
- and licence revocation

These were not isolated events but long-running issues that required formal action. The current applicant company's director, Mr. Eric Doe, previously operated premises at this same address during periods when these problems occurred. This raises concerns about continuity of management. The application does not demonstrate any change in approach, structure or oversight that would reduce risk. A return to late-night operation under the same individual increases the likelihood of repeated harm.

The applicant's own submitted conditions include a provision stating that "Mr. Eric Doe... shall have no involvement in the operation of the premises whatsoever and shall be permanently excluded from the premises." The contradiction is clear: the director of the applicant company is the same individual the submitted conditions state must be excluded. This raises concerns about accuracy, credibility and workability, and shows that the operating schedule has not been properly reviewed or tailored to this application.

4. The operating model indicates nightclub-style activity, not a restaurant. Although described as a "restaurant and lounge," the operating schedule requests:

- alcohol service until 03:00
- closing at 03:30
- amplified and recorded music
- SIA door supervisors
- body-worn cameras
- off-sales

- large private events

These are features of an alcohol-led late-night venue, not a food-led premises. Previous operators at this address used similar descriptions but operated as nightclubs. The Committee should consider the realistic use of the premises based on the hours and conditions requested.

5. The location is structurally unsuitable for late-night dispersal

The entrance directly faces homes. There is no buffer zone, no set-back and no safe dispersal route. Patrons inevitably spill into residential walkways, bus stops and the entrances of neighbouring blocks.

Late-night taxis, smoking areas, queues, noise breakout and groups congregating outside are unavoidable outcomes of the hours sought. Food vendors regularly appear to serve intoxicated patrons and end up operating outside residential buildings. The physical layout and proximity to homes make this site unsuitable for late-night operation, regardless of conditions offered.

6. Enforcement difficulties have occurred at this address previously

Council teams have had to intervene repeatedly at this premises. There were occasions where engagement with management was challenging during late-night operation, and Southwark's noise team reported feeling unsafe entering the venue to investigate complaints. This raises concerns about enforceability and cooperation if a similar operating model returns.

Licences can only be granted where conditions are realistically enforceable. Given the history at this address, that threshold has not been met.

7. Residents want well-run local businesses — but not these hours at this site

Residents are not opposed to restaurants, hospitality or cultural activity. A food-led venue closing around 22:30–23:00 would be consistent with the area and would not attract strong objection. The issues relate specifically to:

- the very late hours
- the alcohol-led model
- the history of crime and disorder
- the continuity of the operator
- and the vulnerability of nearby residents

8. Noise levels cannot be mitigated due to proximity to homes

Previous operators attempted different measures to reduce noise breakout, including makeshift window coverings and temporary insulation. None were effective. The building's structure and its proximity to residential windows make noise control impossible.

Bass vibration, crowd noise, door activity, taxi engines and groups gathering outside carry directly into homes opposite. The physical design and location of the premises make disturbance unavoidable at the hours requested.

9. The venue has previously attracted serious crime, not minor incidents

This address has repeatedly drawn police involvement for violence, disorder and safeguarding concerns. Residents have raised these issues for years. Incidents have included:

- serious assaults
- incidents involving weapons

- drug activity
- and sexual assaults

Residents have repeatedly warned that late-night operation at this premises puts people at risk. The recurring pattern raises a clear question: how many more interventions, violent incidents and endangered residents are required before it is accepted that late-night licensing at this address does not work?

Request to the Committee

For the reasons above – safeguarding risks, residential vulnerability, the track record of both the premises and operator, the alcohol-led operating model, dispersal and enforcement concerns, structural noise issues, the history of serious crime and Southwark’s licensing policy – the application should be refused.

If any licence is granted, the hours should be significantly reduced and aligned with the needs of the local community.

Personal Resident Impact Statement

- My apartment faces onto Old Kent Road and when I previously lived in the property, during the years I was there I was severely impacted by the noise caused by the late-night operations of clubs / event venues at this address. Working a high-stress, long hours city job, the ongoing disturbances impacted my sleep to the point it impacted my ability to perform.
- This, combined with the fact that as a single woman I felt unsafe walking home alone and had been harassed outside the property by drunk male club-goers on more than one occasion, fundamentally resulted in my decision to move out of the property I purchased to live elsewhere.
- While the property has been tenanted, when the venue was operating as a club, I received complaints from tenants. In the time that the venue has not been occupied for this purpose, things have been fine and the tenants have been content.
- I hope to move back to Southwark in the near future - but the fact these applications keep being considered continues to deter me from doing so.

Resident Impact Statement

- I live directly opposite the proposed license location and previous operation of this venue had caused me numerous issues with loud music during the evening and into the early hours of the morning
- in particular, late night events at this location have disrupted my sleep due to both loud music and noise levels as patrons congregate to enter and during closing hours when they disperse
- during these events I have witnessed people fighting and the evidence of people throwing up outside the location, often on the same side of the road as the block of flats or at the entrance to Marlborough grove so that they are not immediately visible to any security working at the location.
- there is frequently rubbish left around the front of the flats and the entrance to Marlborough grove including empty and partially full bottles of alcohol and nitrous oxide containers.

Resident Impact Statement

- I live directly opposite, overlooking the premises and have frequently been affected by previous noise and disturbance.
- Late-night operation at this address has disrupted my sleep and affected my well-being and hence work. It feels unsafe to leave our building during operating times, including loud sound checks from early on during the day.
- Frequently, several times a year, for the past 9 years of residence here, I have had to call the police due to witnessing crime, disorder or antisocial behaviour linked to past venues here.
- During the summer months, the noise and music are unbearable, meaning we can't keep our windows open during the heat.
- I often travel for work, and leaving home early in the morning for a flight, or coming home late at night, does not feel safe because of patrons of the club blocking the entrance to the building - I've been pushed and threatened for trying to get into my building.
- Security seems to be concerned only about what happens on site, not for residents and families impacted.
- Rubbish and drug paraphernalia (such as laughing gas canisters) left around our building after events are left for residents to remove, and it impacts our management fees, as well as insurance costs due to the crime levels.

Dear Southwark Licensing,

We as local residents collectively object to the stated premises licence application. The application remains incompatible with the Licensing Objectives and with the Council's Licensing Policy, especially given the vulnerability of residents directly opposite and the long, documented history of problems connected to both the premises and the operator involved.

1. Safeguarding risks to vulnerable residents directly opposite the premises
 The venue sits directly opposite multiple residential blocks, including John Penry House, which provides accommodation for older and vulnerable adults. Residents there require consistent and predictable night-time conditions. The application seeks a closing time that reaches into the early hours, including on working days. Alcohol-led activity, late dispersal, noise and increased footfall at those hours are directly at odds with the needs of a residential and vulnerable population.

Southwark has safeguarding responsibilities toward residents in supported accommodation. Approving a late-night alcohol and entertainment licence at this location would introduce foreseeable risks to wellbeing, sleep, and personal safety.

2. The surrounding community includes families, children, carers and shift workers. Directly opposite and around the premises are high-density residential blocks with:

- families with young children
- early-start workers
- elderly residents
- individuals previously affected by noise and nuisance from this address

Children use nearby bus stops early in the morning. Very late-night alcohol-led dispersal increases the likelihood of noise, litter and disturbance only hours before school and work traffic begins. The character of the area is residential and sensitive.

The presence of shops or restaurants on the main road is not comparable. Ordinary businesses do not generate hundreds of people leaving a late-night venue, with associated alcohol use, drug use and disorder.

3. The premises and the operator have a documented history of serious issues at this address

Southwark's Licensing Policy states that the past compliance history of both the premises and the management is relevant to decision-making. Both matter here. This premises has previously been associated with:

- repeated licensing interventions
- suspensions
- noise problems
- serious disorder
- and licence revocation

These were not isolated events but long-running issues that required formal action. The current applicant company's director, Mr. Eric Doe, previously operated premises at this same address during periods when these problems occurred. This raises concerns about continuity of management. The application does not demonstrate any change in approach, structure or oversight that would reduce risk. A return to late-night operation under the same individual increases the likelihood of repeated harm.

The applicant's own submitted conditions include a provision stating that "Mr. Eric Doe... shall have no involvement in the operation of the premises whatsoever and shall be permanently excluded from the premises." The contradiction is clear: the director of the applicant company is the same individual the submitted conditions state must be excluded. This raises concerns about accuracy, credibility and workability, and shows that the operating schedule has not been properly reviewed or tailored to this application.

4. The operating model indicates nightclub-style activity, not a restaurant. Although described as a "restaurant and lounge," the operating schedule requests:

- alcohol service until 03:00
- closing at 03:30
- amplified and recorded music
- SIA door supervisors
- body-worn cameras
- off-sales
- large private events

These are features of an alcohol-led late-night venue, not a food-led premises. Previous operators at this address used similar descriptions but operated as nightclubs. The Committee should consider the realistic use of the premises based on the hours and conditions requested.

5. The location is structurally unsuitable for late-night dispersal

The entrance directly faces homes. There is no buffer zone, no set-back and no safe dispersal route. Patrons inevitably spill into residential walkways, bus stops and the entrances of neighbouring blocks.

Late-night taxis, smoking areas, queues, noise breakout and groups congregating outside are unavoidable outcomes of the hours sought. Food vendors regularly appear to serve intoxicated patrons and end up operating outside residential buildings. The physical layout and proximity to homes make this site unsuitable for late-night operation, regardless of conditions offered.

6. Enforcement difficulties have occurred at this address previously

Council teams have had to intervene repeatedly at this premises. There were occasions where engagement with management was challenging during late-night operation, and Southwark's noise team reported feeling unsafe entering the venue to investigate complaints. This raises concerns about enforceability and cooperation if a similar operating model returns.

Licences can only be granted where conditions are realistically enforceable. Given the history at this address, that threshold has not been met.

7. Residents want well-run local businesses — but not these hours at this site

Residents are not opposed to restaurants, hospitality or cultural activity. A food-led venue closing around 22:30–23:00 would be consistent with the area and would not attract strong objection. The issues relate specifically to:

- the very late hours
- the alcohol-led model
- the history of crime and disorder
- the continuity of the operator
- and the vulnerability of nearby residents

8. Noise levels cannot be mitigated due to proximity to homes

Previous operators attempted different measures to reduce noise breakout, including makeshift window coverings and temporary insulation. None were effective. The

building's structure and its proximity to residential windows make noise control impossible.

Bass vibration, crowd noise, door activity, taxi engines and groups gathering outside carry directly into homes opposite. The physical design and location of the premises make disturbance unavoidable at the hours requested.

9. The venue has previously attracted serious crime, not minor incidents

This address has repeatedly drawn police involvement for violence, disorder and safeguarding concerns. Residents have raised these issues for years. Incidents have included:

- serious assaults
- incidents involving weapons
- drug activity
- and sexual assaults

Residents have repeatedly warned that late-night operation at this premises puts people at risk. The recurring pattern raises a clear question: how many more interventions, violent incidents and endangered residents are required before it is accepted that late-night licensing at this address does not work?

Request to the Committee

For the reasons above – safeguarding risks, residential vulnerability, the track record of both the premises and operator, the alcohol-led operating model, dispersal and enforcement concerns, structural noise issues, the history of serious crime and Southwark's licensing policy – the application should be refused.

If any licence is granted, the hours should be significantly reduced and aligned with the needs of the local community.

Resident Impact Statement

I live directly opposite the premises. They have been used as a night club several times before and have had their license suspended several times. The noise from the venue is clearly audible when it's being used as a club and disturbs mine and my partner me sleep. I have regularly witnessed anti social behaviour taking place in the area on nights when the club is open. This has included large crowds of people congregating in the area outside the club at closing time, shouting, fighting or making lots of noise. There have also been several serious crimes linked to the venue over the years, including GBH on a police officer, a rape of a female patron and, most recently, a gang fight taking place in the street outside the venue after an under 18s club night, which led to a 17 year old man being fatally stabbed in the street right outside our home. This venue is a magnet for violent crime. Please do not grant this most recent license application.

Resident Impact Statement

- I live on the ground floor, my bedroom is directly opposite the premises and I have been affected by previous noise and disturbance throughout the night
- Late-night operation at this address has disrupted sleep and affected my wellbeing/work - particularly given the licensing seems to permit late night activity on Sunday evenings/Monday mornings - I have recurrently had disturbed sleep due to the poor soundproofing of the venue, with the constant thud of bass resonating across Old Kent Road to my bedroom
- I have witnessed vast, intimidating crowds loitering outside in the early hours, illegal food vendors trading, illegal parking by patrons blocking access to Six Bridges Trading Estate, littering of drug paraphernalia directly outside my property, antisocial behaviour outside my bedroom window - all linked to previous venues at this address. I honestly feel unsafe in my own home.

I would also like to add, if you talk to local businesses their staff report feeling unsafe with that venue operating and its patrons loitering in the early hours, when the staff are arriving at work, often alone trying to open up their units. I'm specifically referencing Pets at Home employees - as they've told me directly of this issue.

Resident Impact Statement

On 27th August 2025 at approximately 22:00 an individual was fatally stabbed in the middle of the road, between the premises in question and the main entrance to my building. Another individual was also stabbed.

There was blood stains on the steps leading into my building. There are still blood stains on the pavement. My building was inside a large police cordon from 48 hours during which point we weren't able to receive visitors, post, deliveries etc, and had to be escorted off the scene to go to the supermarket.

Police enquiries following the incident confirmed to me that the victims and perpetrators were known to police, and to each other. The premises in question is therefore a meeting place where tensions like this spill onto the street.

I don't wish to risk being caught up in the next incident.

Licences can only be granted where conditions are realistically enforceable. Given the history at this address, that threshold has not been met.

7. Residents want well-run local businesses — but not these hours at this site

Residents are not opposed to restaurants, hospitality or cultural activity. A food-led venue closing around 22:30–23:00 would be consistent with the area and would not attract strong objection. The issues relate specifically to:

- the very late hours
- the alcohol-led model
- the history of crime and disorder
- the continuity of the operator
- and the vulnerability of nearby residents

8. Noise levels cannot be mitigated due to proximity to homes

Previous operators attempted different measures to reduce noise breakout, including makeshift window coverings and temporary insulation. None were effective. The building's structure and its proximity to residential windows make noise control impossible.

Bass vibration, crowd noise, door activity, taxi engines and groups gathering outside carry directly into homes opposite. The physical design and location of the premises make disturbance unavoidable at the hours requested.

9. The venue has previously attracted serious crime, not minor incidents

This address has repeatedly drawn police involvement for violence, disorder and safeguarding concerns. Residents have raised these issues for years. Incidents have included:

- serious assaults
- incidents involving weapons
- drug activity
- and sexual assaults

Residents have repeatedly warned that late-night operation at this premises puts people at risk. The recurring pattern raises a clear question: how many more interventions, violent incidents and endangered residents are required before it is accepted that late-night licensing at this address does not work?

Request to the Committee

For the reasons above – safeguarding risks, residential vulnerability, the track record of both the premises and operator, the alcohol-led operating model, dispersal and enforcement concerns, structural noise issues, the history of serious crime and Southwark’s licensing policy – the application should be refused.

If any licence is granted, the hours should be significantly reduced and aligned with the needs of the local community.

COMMUNITY RESPONSE

Objection – Application for Premises Licence No. 887243

Dear Southwark Licensing,

We as local residents collectively object to the stated premises licence application. The application remains incompatible with the Licensing Objectives and with the Council's Licensing Policy, especially given the vulnerability of residents directly opposite and the long, documented history of problems connected to both the premises and the operator involved.

1. Safeguarding risks to vulnerable residents directly opposite the premises The venue sits directly opposite multiple residential blocks, including John Penry House, which provides accommodation for older and vulnerable adults. Residents there require consistent and predictable night-time conditions. The application seeks a closing time that reaches into the early hours, including on working days. Alcohol-led activity, late dispersal, noise and increased footfall at those hours are directly at odds with the needs of a residential and vulnerable population.

Southwark has safeguarding responsibilities toward residents in supported accommodation. Approving a late-night alcohol and entertainment licence at this location would introduce foreseeable risks to wellbeing, sleep, and personal safety.

2. The surrounding community includes families, children, carers and shift workers Directly opposite and around the premises are high-density residential blocks with:

- families with young children
- early-start workers
- elderly residents
- individuals previously affected by noise and nuisance from this address Children use nearby bus stops early in the morning. Very late-night alcohol-led dispersal

increases the likelihood of noise, litter and disturbance only hours before school and work traffic begins. The character of the area is residential and sensitive.

The presence of shops or restaurants on the main road is not comparable. Ordinary businesses do not generate hundreds of people leaving a late-night venue, with associated alcohol use, drug use and disorder.

3. The premises and the operator have a documented history of serious issues at this address Southwark's Licensing Policy states that the past compliance history of both the premises and the management is relevant to decision-making. Both matter here.

This premises has previously been associated with:

- repeated licensing interventions
- suspensions
- noise problems
- serious disorder
- and licence revocation

These were not isolated events but long-running issues that required formal action.

The current applicant company's director, Mr. Eric Doe, previously operated premises at this same address during periods when these problems occurred. This raises concerns about continuity of management. The application does not demonstrate any change in approach, structure or oversight that would reduce risk. A return to late-night operation under the same individual increases the likelihood of repeated harm.

The applicant's own submitted conditions include a provision stating that "Mr. Eric Doe... shall have no involvement in the operation of the premises whatsoever and shall be permanently excluded from the premises." The contradiction is clear: the director of the applicant company is the same individual the submitted conditions state must be excluded. This raises concerns about accuracy, credibility and workability, and shows that the operating schedule has not been properly reviewed or tailored to this application.

4. The operating model indicates nightclub-style activity, not a restaurant Although described as a "restaurant and lounge," the operating schedule requests:

- alcohol service until 03:00
- closing at 03:30
- amplified and recorded music
- SIA door supervisors
- body-worn cameras
- off-sales
- large private events

These are features of an alcohol-led late-night venue, not a food-led premises.

Previous operators at this address used similar descriptions but operated as nightclubs. The Committee should consider the realistic use of the premises based on the hours and conditions requested.

5. The location is structurally unsuitable for late-night dispersal The entrance directly faces homes. There is no buffer zone, no set-back and no safe dispersal route.

Patrons inevitably spill into residential walkways, bus stops and the entrances of neighbouring blocks.

Late-night taxis, smoking areas, queues, noise breakout and groups congregating outside are unavoidable outcomes of the hours sought. Food vendors regularly appear to serve intoxicated patrons and end up operating outside residential buildings. The physical layout and proximity to homes make this site unsuitable for late-night operation, regardless of conditions offered.

6. Enforcement difficulties have occurred at this address previously Council teams have had to intervene repeatedly at this premises. There were occasions where engagement with management was challenging during late-night operation, and Southwark's noise team reported feeling unsafe entering the venue to investigate complaints. This raises concerns about enforceability and cooperation if a similar operating model returns.

Licences can only be granted where conditions are realistically enforceable. Given the history at this address, that threshold has not been met.

7. Residents want well-run local businesses — but not these hours at this site Residents are not opposed to restaurants, hospitality or cultural activity. Resident Impact Statement

I live almost directly opposite the premises and have done so for approximately ten years. Over that time I've had to report noise complaints where there have been disturbances late into the night, sometimes on weeknights. This has affected my work and wellbeing. I've also witnessed crime and anti-social behaviour on numerous occasions linked to past venues here, and there's regularly a police presence that seems necessary.

Dear Southwark Licensing Team,

I am writing as a resident living directly opposite 516 Old Kent Road, to express my strong objection to the proposed premises licence.

I have been personally affected by late-night noise, crowds and disturbance from previous venues operating at this address. Even with the window shut, I could hear shouting, music, taxis arriving and groups gathering outside late into the night.

I work as a nurse and often have early starts or long shifts. When the venue operate late at night, my sleep gets disrupted, leaving me exhausted for work the next day. This has had a real impact on my wellbeing.

There have been time when I returned home late at night and felt unsafe because of groups outside the venue, arguments and antisocial behaviour. I have also witnessed police involvement in the past at this location. This has made me anxious about walking home at night and has affected my sense of security in my own neighbourhood.

I moved to this area expecting a residential environment, but the previous late night activity from this address has made my home life noticeably more stressful.

I worry that granting another late night licence will bring back the same problems I have experienced before.

For this reason, I respectfully ask that this application is not approved. Allowing late night alcohol-led activity at this location would directly affect my sleep, my health, my work as a nurse, and my overall safety.

Thank you for considering my objection.

Kind regards,

The current applicant company's director, Mr. Eric Doe, previously operated premises at this same address during periods when these problems occurred. This raises concerns about continuity of management. The application does not demonstrate any change in approach, structure or oversight that would reduce risk. A return to late-night operation under the same individual increases the likelihood of repeated harm.

The applicant's own submitted conditions include a provision stating that "Mr. Eric Doe... shall have no involvement in the operation of the premises whatsoever and shall be permanently excluded from the premises." The contradiction is clear: the director of the applicant company is the same individual the submitted conditions state must be excluded. This raises concerns about accuracy, credibility and workability, and shows that the operating schedule has not been properly reviewed or tailored to this application.

4. The operating model indicates nightclub-style activity, not a restaurant Although described as a "restaurant and lounge," the operating schedule requests:

- alcohol service until 03:00
- closing at 03:30
- amplified and recorded music
- SIA door supervisors
- body-worn cameras
- off-sales
- large private events

These are features of an alcohol-led late-night venue, not a food-led premises. Previous operators at this address used similar descriptions but operated as nightclubs. The Committee should consider the realistic use of the premises based on the hours and conditions requested.

5. The location is structurally unsuitable for late-night dispersal

The entrance directly faces homes. There is no buffer zone, no set-back and no safe dispersal route. Patrons inevitably spill into residential walkways, bus stops and the entrances of neighbouring blocks.

Late-night taxis, smoking areas, queues, noise breakout and groups congregating outside are unavoidable outcomes of the hours sought. Food vendors regularly appear to serve intoxicated patrons and end up operating outside residential buildings. The physical layout and proximity to homes make this site unsuitable for late-night operation, regardless of conditions offered.

6. Enforcement difficulties have occurred at this address previously

Council teams have had to intervene repeatedly at this premises. There were occasions where engagement with management was challenging during late-night operation, and Southwark's noise team reported feeling unsafe entering the venue to investigate complaints. This raises concerns about enforceability and cooperation if a similar operating model returns.

Licences can only be granted where conditions are realistically enforceable. Given the history at this address, that threshold has not been met.

7. Residents want well-run local businesses — but not these hours at this site

Residents are not opposed to restaurants, hospitality or cultural activity. A food-led venue closing around 22:30–23:00 would be consistent with the area and would not attract strong objection. The issues relate specifically to:

- the very late hours
- the alcohol-led model
- the history of crime and disorder
- the continuity of the operator
- and the vulnerability of nearby residents

8. Noise levels cannot be mitigated due to proximity to homes

Previous operators attempted different measures to reduce noise breakout, including makeshift window coverings and temporary insulation. None were effective. The building's structure and its proximity to residential windows make noise control impossible.

Bass vibration, crowd noise, door activity, taxi engines and groups gathering outside carry directly into homes opposite. The physical design and location of the premises make disturbance unavoidable at the hours requested.

9. The venue has previously attracted serious crime, not minor incidents

This address has repeatedly drawn police involvement for violence, disorder and safeguarding concerns. Residents have raised these issues for years. Incidents have included:

- serious assaults
- incidents involving weapons
- drug activity
- and sexual assaults

Residents have repeatedly warned that late-night operation at this premises puts people at risk. The recurring pattern raises a clear question: how many more interventions, violent incidents and endangered residents are required before it is accepted that late-night licensing at this address does not work?

Request to the Committee

For the reasons above – safeguarding risks, residential vulnerability, the track record of both the premises and operator, the alcohol-led operating model, dispersal and enforcement concerns, structural noise issues, the history of serious crime and Southwark's licensing policy – the application should be refused.

If any licence is granted, the hours should be significantly reduced and aligned with the needs of the local community.

Resident Impact Statement

I have a flat located at [REDACTED] I rent this out to 3 young professional women. From having lived myself in the property prior to moving out, I did not feel safe walking around in the area after dark on my own especially when events were on at the proposed licence location. There was general disorderly, sometimes violent behavior, the aftermath of which could be observed the next morning in the form of broken glass and evidence of drug use. I would be concerned for the welfare of my tenants and it makes the flat a less desirable place to live.

COMMUNITY RESPONSE

Objection – Application for Premises Licence No. 887243

Dear Southwark Licensing,

We as local residents collectively object to the stated premises licence application. The application remains incompatible with the Licensing Objectives and with the Council's Licensing Policy, especially given the vulnerability of residents directly opposite and the long, documented history of problems connected to both the premises and the operator involved.

1. Safeguarding risks to vulnerable residents directly opposite the premises

The venue sits directly opposite multiple residential blocks, including John Penry House, which provides accommodation for older and vulnerable adults. Residents there require consistent and predictable night-time conditions. The application seeks a closing time that reaches into the early hours, including on working days. Alcohol-led activity, late dispersal, noise and increased footfall at those hours are directly at odds with the needs of a residential and vulnerable population.

Southwark has safeguarding responsibilities toward residents in supported accommodation. Approving a late-night alcohol and entertainment licence at this location would introduce foreseeable risks to wellbeing, sleep, and personal safety.

2. The surrounding community includes families, children, carers and shift workers

Directly opposite and around the premises are high-density residential blocks with:

- families with young children
- early-start workers

- elderly residents
- individuals previously affected by noise and nuisance from this address

Children use nearby bus stops early in the morning. Very late-night alcohol-led dispersal increases the likelihood of noise, litter and disturbance only hours before school and work traffic begins. The character of the area is residential and sensitive. The presence of shops or restaurants on the main road is not comparable. Ordinary businesses do not generate hundreds of people leaving a late-night venue, with associated alcohol use, drug use and disorder.

3. The premises and the operator have a documented history of serious issues at this address

Southwark's Licensing Policy states that the past compliance history of both the premises and the management is relevant to decision-making. Both matter here. This premises has previously been associated with:

- repeated licensing interventions
- suspensions
- noise problems
- serious disorder
- and licence revocation

These were not isolated events but long-running issues that required formal action. The current applicant company's director, Mr. Eric Doe, previously operated premises at this same address during periods when these problems occurred. This raises concerns about continuity of management. The application does not demonstrate any change in approach, structure or oversight that would reduce risk. A return to late-night operation under the same individual increases the likelihood of repeated harm.

I have lived almost directly opposite for the last ten years and have previously been affected by noise and disturbance, often on weeknights late into the night.

This has had an impact on me by disrupting sleep and in turn affected my work.

I've witnessed multiple occasions of anti-social behaviour and criminality linked to past venues that has required police attendance.

- 12) That clearly legible signage will be prominently displayed at all patron exits, where it can easily be seen and read, requesting that patrons leave the premises in a quiet and orderly manner that is respectful to neighbours.

Reasons

This was an application for an application made by Erico Entertainment Limited for a premises licence to be granted under s.17 of the Licensing Act 2003 in respect of Kent Restaurant and Lounge, First Floor, 516 Old Kent Road, London SE1 5BA

The licensing sub-committee heard from the legal representative for the applicant who advised that the application originally submitted included errors in the proposed operational hours of the premises. This had been corrected as detailed in the conciliation statement in the timings (page 152-155 of the agenda) and summarised in paragraph 10 of the report.

The members of the sub-committee were reminded that this was an application for a premises and the applicant was very alert to the historical problems associated with this particular premises, which was previously the K-Che nightclub. The K-Che operation ran under a totally different management and there was no connection whatsoever with proposed Kent Restaurant and Lounge.

The sub-committee were also advised to avoid visiting the sins of the K-Che nightclub when considering the application by Kent Restaurant and Lounge, which had yet to open and operate. It was hoped that the legitimate concerns raised by the residents in respect of the previous operators would not prove to come to pass with the new the applicant.

The applicant, Enrico Entertainment Limited already operated the premises Club 701 on the lower and ground floor of the building at 516 Old Kent Road which had operated without undue incident(s) following the summary review in 2019, when the licensing sub-committee suspended

and modified the licence which among other things, prohibited the director (Mr Eric Doe) of Enrico Entertainment Limited from the day to day management of the premises. The applicant was content for the same condition to be attached to any licence the sub-committee may grant in this application.

The applicant had identified a serious gap in the market for event spaces catering for members of their community and other ethnic minority communities. They advised that there was a lack of available event space that can be hired for weddings, christenings, parties etc and their plan was to provide such a space .

They advised that it would be a food led operation and that they would operate pre-booked functions. The operation would only be commercially viable with late hours. The management of Club 701 would extend their team, working together under effectively the same management. The applicant was confident that the Kent Restaurant and Lounge would operate in an entirely different way from its predecessor (K-Che) and would in no way compromise the licensing objectives.

The applicant had already spent £25,000 for a refit and a total renovation of the premises. The immediate area was largely an industrial area abutting the A2, with a 24 hour McDonalds on one side and a 24 hour Asda on the other side.

The designated premises supervisor (DPS) would be available to deal with any concerns raised by the neighbours. There was certain matters that were beyond the Applicant's control. For example, the barbeque man who stood outside on Old Kent Road could only be asked to move from outside the premises by the security team. The security team would police the outside area and deal with any parking issues, essentially imposing a no go zone around the neighbours for parking, which included placing traffic cones and no parking signs for the immediate neighbours and also having two marshals between 22:00 and 05:00 when patrons are not allowed to park in the immediate vicinity. Since lockdown, there hadn't been any parking issues in relation to Club 701 (operated by the applicant).

Kent Restaurant would be a completely different operation for the African community, offering a restaurant service. The applicant had already met the police and had made it clear that there was no intention of running a nightclub and the late hours would be utilized for the private parties, weddings and other such functions; it would not be run as a nightclub.

There would be an accommodation limit for 250 people with some standing by the bar area, but mostly seated, doing something different other than a nightclub where people could relax after work and entertain themselves in different ways.

The members queried the pre-booked events and restaurant facility that would be available. The operation was primarily a restaurant. People would be allowed to come in off the street to eat in the restaurant, but large functions such as a wedding would be pre-booked. Such events would not be an everyday occurrence. The daily operation would be a restaurant. The police would be advised in advance of any private functions. The restaurant would operate to 00:00 as normal restaurants do and only pre-booked events would occur during the late hours. There had only been one temporary event notice (TEN) which was used as a test trial. No others had been submitted due to on-going refurbishment works.

Concerning the private events, the applicant confirmed that there would be no externally promoted DJ led events.

The applicant confirmed that there was a dispersal policy, but although this had not been included in the agenda papers.

The applicant stated that catering would be provided in-house, but when questioned by members of the diverse range that would be attracted to hiring the premises (for the private events), the applicant would likely have catering initially sourced externally, hiring chefs specific from that community. Members also queried the proposed hours.

At present, there was seating only for 150 people. The applicant would source additional chairs and tables for the private functions. There would also be space to accommodate 30 people to dance.

It was clarified that only pre-booked events would run until 03:00 or 04:00, with the restaurant running during through the week, potentially Monday to Sunday.

There would be two full time chefs employed at the premises with waiter/waitress staff for lunchtimes and evening meals. Those members of staff had yet to be engaged.

The restaurant would be walk-in, with pre-booked events from 00:00. It would not be financially viable to operate the late night venues under TENs only. The TENs regime would be not provide the flexibility for last minute events. In the absence of a pre-book function, there would be no use of the late hours. The late hours would be contingent for pre-booked functions only.

The licensing officer provided members with the plan of the premises and it was noted by members that the kitchen was extremely small for a restaurant (approximately three metres by three metres), particularly if the premises were catering for 250 people. There also did not appear to be any storage available, nor disabled facilities in terms of access or toilets.

The applicant advised that £25,000 had been spent on renovation works and additional works would be undertaken depending on the outcome of the licensing sub-committee's decision. In the meantime, the applicant would tap into the African and Asian businesses for the catering, despite previously saying that he would recruit two different chefs for two different cuisines on the same day. The applicant also advised that since he owned the whole building, the kitchen in Club 701 would also be used, despite there being no immediate access between the premises and no lift. Members noted that it was unusual for a food led restaurant, whilst being revamped, did not focus on providing a suitably sized kitchen.

Concerning storage, the applicant advised that the tables and chairs would be stored in the attic area that was accessed by a ladder. It was also noted that from the plans that there was two DJ booths, although the applicant only wanted to use one.

The officer from the Metropolitan Police Service questioned whether the venue would be hired for a 21st birthday party without the provision of food. The applicant stated that he did not want to encourage under 35s who were possibly more of a nuisance and problem, but foresaw less risk with a 35th birthday party, without food even if they had their own DJ. When probed, the applicant stated he would use his discretion. This, the members felt fell foul of the Equalities Act.

In respect of the plans, the applicant was informed that separate building control and planning permission would be needed. Whilst these were not matters that could be considered by the licensing sub-committee, any further changes to the premises plans would be subject to a future variation application.

The applicant confirmed that he was aware of the single use plastics policy as provided for in Southwark's statement of licensing policy (2021-2026) and confirmed that this would be complied with fully.

The licensing sub-committee heard from the Metropolitan Police Service (pages 123 and 124 of the agenda). The police noted that the applicant had clarified the application timings. The officer questioned the sale and consumption of alcohol by persons on the premises between the hours of 11:00 and 03:00 when there would be a bona fide pre-booked event.

Essentially the premises would run as a restaurant until 23:00 and the pre-booked events would be from 23:00 to 04:00 at the weekends. A restaurant condition (that alcohol could only be supplied to people taking table meals) did not assist with the proposed operation of the premises, with pre-booked functions and events.

Furthermore, for the pre-booked events, individuals attending an event and the premises itself would have no control who would be attending, as there would be no open guest available to them, could advertise them on social media. The police would therefore not be able to vet the type of event being held, particularly given that the old Form 696 was no longer being used, so the venue could be open Thursday, Friday and Saturday nights until 04:00 each week of the year, so that the premises could essentially run as a DJ led nightclub type venue. The location was not suitable for such a venue, there had been a significant disturbance to local residents in the past not from such venues at this location that run at similar times as per this application.

The officer reminded the sub-committee that Club 701 had its premises licence suspended following a serious assault inside the premises, which also resulted in the licensing sub-committee prohibiting the Eric Doe from the day to day management of the premises. The same Mr Doe would have overall control of the Kent Restaurant and Lounge. For those reasons, the police took issue with the application. When asked, the officer stated that he no objection for the premises operating as a restaurant/bar with hours as detailed in Southwark's statement of licensing policy.

The licensing sub-committee heard from an officer from the council's environmental protection Team (EPT) (page 121-122 of the Agenda). The officer reiterated the representation submitted and stated that the very late hours would not be compatible with the premises running as a restaurant. If it the premises were to run as a public house or other drinking establishment without the restaurant conditions, then according to the licensing policy the recommended closing time would be 23:00. The officer reminded members that a nightclub type operation was not considered appropriate for the area under the statement of licensing policy.

In terms of the character of the area, the applicant's representative referred to as industrial. The licensing policy identified the area residential, with a mix of commercial and residential, but with residential premises close by. There was also further residential development planned. There was also concern raised in relation to the structural integrity of the building in terms of its ability to resist the transmission of sound from the inside to the outside. It was not a purpose built

development which may be suitable for a restaurant, but certainly not suitable for the likes of DJ parties. Such pre-booked events would best be trialed under the TENs regime.

The officer then explained that on 3 March 2022 the noise and nuisance team attended the premises when excess noise was caused by testing the capabilities of the sound system in the absence of a sound limiter as part of installing a sound limiter. It was noted that from the noise transmission there was little resistance in the passage of sound between the inside and the outside of the building so a sound limiter would be relied on to do the control.

It was also noted by officer in attendance that the level reached statutory nuisance noise nuisance levels but it was unlikely that there would be a recurrence to public nuisance or suffering because it was a one off testing of the system. Members asked whether EPT would object to a licence if the standard bar hours or restaurant hours were granted, to which the EPT officer stated EPT would be less concerned about such a proposal.

The licensing sub-committee then heard from a resident objector, other person 3, who lived for six years in Houston court, which is opposite the premises. The residents had submitted many representations concerning the significant issues with the venues at 516 Old Kent Road over the previous six years.

They advised that they recognised that this was a new application that needed to be considered on its own merits but said that there were long standing issues in the venues. There may be a change in management and structure with Club 701 who would operate the Kent Restaurant and Lounge but the change in such management was unlikely to have an effect to the on-going problems the residents experienced which they endured every week and every weekend.

Although the Kent Restaurant and Lounge application had to be considered on its own merits, there would always be generic problems that an additional licensed premise would contribute to. Examples were given relating to the barbeque man on Old Kent Road around the premises, cars being parked on the curb and on the street of Houston Court, which would be an obstruction if the emergency services needed to attend to one of the properties. There was also a new development less than 100 metres away from the premises.

The statement of licensing policy was clear that the recommended closing time should be 23:00. Other person 3 also referred to other matters that had been raised during the course of the meeting, that there was a dance floor, insufficient seats for people at full capacity, having a three metre by three metre kitchen, there was two DJ booths. The applicant had not given other party three confidence that the premises would be used be used as anything other than a nightclub. The application as it is stood, with the plans meant the application could not be reflective of what was being articulated by the applicant.

The noise complaint on 3 March was at approximately 22:11 when the applicant was testing the music system. The time of 22:11 hours was correct, as it had been other party three who made the complaint. Other person 3 then called a witness who was another resident in the same block of flats. The witness was reminded that she was called to support other part 3 and could expand on that representation, but could not provide anything new, as she had not submitted her own representation.

The witness stated that the block of flats was located in a residential area and the hours applied for were excessive. Operating to the policy hours would make the premises tolerable. Having christenings until 03:00 was unheard of and suspicious.

Other person 3 was of the view that the change in operator (from K-Che) would not result in a change in patron behaviour as the issues appeared systemic. Ultimately, the problems at the location were due to the premises operating with late night hours. Other person 3 stated that a restaurant with restaurant hours would however, be welcomed even if the premises were to have up to 20 times a year. In summary, other person three stated that the application was not fit for purpose for the type of venue that's on paper.

The members considered the application carefully and recognised the premises located at 516 Old Kent Road, London SE1 5BA have caused significant disturbance to residents.

Both the applicant and their legal representative repeatedly informed the sub-committee that the premises would not operate as a nightclub, but as a restaurant and a venue that could be hired out for private events. Despite this, there were two bars at least equal in size to the entire kitchen, if not bigger. When asked Mr Doe confirmed that the plans were what was being put into place for the premises and was part of the premises redesign. The new layout looked decidedly more akin to a lounge/nightclub like than restaurant. It was suggested that the kitchen in Club 701 would be used and from would be brought upstairs. It was also confusing as to what would happen to patrons who are in the premises for a meal when a late night event was booked. Members were of the view it was clear from the plans that this is not a food led venue.

The applicant's legal advisor advised that the previous premises and the issues at the first floor of 516 Old Kent Road (K-Che) should not play no part in this the licensing sub-committee's consideration of this application. This the sub-committee agree with, albeit its operation as a nightclub caused significant issues for the residents and the responsible authorities. In view of this, the sub-committee are in agreement that the premises should not be used as a nightclub.

Southwark's Statement of Licensing Policy 2021-2026 provides that this the premises is in a residential area and that nightclubs are not considered appropriate. The sub-committee were of the view that at the highest, the area should be considered as mixed use with a considerable amount of the residential units. It is also noted that there has been concern raised of Club 701, of which the applicant is also the premises licence holder.

Club 701 was subject to an expedited review in 2019 when the licence was suspended and modified, with Mr Doe being prohibited from having day-to-day management responsibility. Club 701 would have been unable to operate due to the COVID restrictions. It is possible this played a part in the lack of complaints.

Mr Doe was still prohibited from day-to-day management responsibility under the modified licence conditions and the sub-committee are of the view that this has also had a positive impact on the running of that premises. Coupled with, Southwark's statement of licensing policy specifying nightclubs are not considered appropriate, the sub-committee are of the view that the Kent Restaurant and Lounge, should operate with restricted hours and late night events are trialed further under the TENs regime so proper evidence can be considered by a licensing sub-committee as to whether a permanent premises licence for late night activities are appropriate for this venue.

In reaching this decision, the sub-committee had regard to all the relevant considerations and the four licensing objectives and considered that this decision was appropriate and proportionate.

Appeal rights

The applicant may appeal against any decision:

- a. To impose conditions on the licence
- b. To exclude a licensable activity or refuse to specify a person as premises supervisor.

Any person who made relevant representations in relation to the application who desire to contend that:

- a. The licence ought not to be been granted; or
- b. That on granting the licence, the licensing authority ought to have imposed different or additional conditions to the licence, or ought to have modified them in a different way

may appeal against the decision.

Any appeal must be made to the Magistrates' Court for the area in which the premises are situated. Any appeal must be commenced by notice of appeal given by the appellant to the justices' clerk for the Magistrates' Court within the period of 21 days beginning with the day on which the appellant was notified by the licensing authority of the decision appealed against.

I have been a Police Officer for 20years to which the last 7years I have been attached to the Southwark Police Licensing and Night time economy team in the role of licensing officer. This statement is made in regards to a Premises inspection of the venue called Kent Restaurant and Lounge Ltd First Floor 516 Old Kent road SE1 5BA .

On Saturday 01st November 2025 I was on duty in plain clothes I was in the company of Pc Walter Minka Agyeman who was driving our unmarked police vehicle. At 2035hrs we were driving southbound along The Old Kent Road towards New Cross, when we passed the venue called Kent Restaurant and Lounge Ltd First Floor 516 Old Kent road SE1 5BA . At this time I noticed a number of teenagers loitering in the forecourt area of the venue which I thought was strange as the venue was meant to be operating as a restaurant and domino club and was in the process of applying for a late night premises licence for the supply of alcohol, late night refreshment and regulated entertainment. We continued to carry out our tasking and whilst doing this I carried out a check using the Southwark council licence register and confirmed that there was no temporary event notice in use at the venue. We completed our tasking and returned to Kent Restaurant and Lounge Ltd.

We parked our car nearby and walked towards the venue, as we drew closer it was clear that some kind of Halloween event was taking place, we walked onto the forecourt at 2054hrs and were meet by a black male, F506, stocky build, who was wearing a long padded jacket, dark trousers and baseball cap , he was not displaying any SIA accreditation ,we identified ourselves and I produced my warrant card and I said to the male(I will refer to this person as Male A) " what is the event?" to which he replied " it is a birthday party just kids no alcohol ", I replied "ok fine" , we then walked through the entrance unhindered as I believed that licensable activities were taking place at the venue and so entered under s180 of the Licensing Act 2003: Enables a constable to enter and search the premises where there is reasonable cause to believe that an offence under the Act has been, is being or is about to be committed. A constable exercising a power conferred by this section may, if necessary, use reasonable force.

The male then told another black male (Male B), f505, medium build wearing a black leather type jacket, jeans and combat coloured hat to "go find Eric and then asked us to follow this male up the iron stairs ", however I could hear music and loud voices coming from another entrance which led to an internal stairway and into an event space, I walked up the stairs and as I did so the loud voices and music became more apparent. When I reached the top and entered the event area it was clear the music was amplified and not background music , myself and Pc Minka Agyeman looked into the dance floor area where the teenagers were dancing and saw that there was a dj playing the music and he was talking to the crowd, there was also disco strobe lighting and smoke machine in operation. As we walked around Male A was continually trying to usher myself and Pc Minka Agyeman into the restaurant area which was empty . I continued to look around and looked behind the bar area to see if there was any alcohol present and only saw soft drinks and water. We walked back down the internal stairway into the yard area where we were approached by a black male (MaleC) ,f510, stocky build, black beard wearing grey tracksuit top and bottoms and had the hood up. I said to the Male C " who are you sir ?" he replied "uh" I again said " who are you?" the male then

turned and walked away and up the exterior iron staircase to the upper floor restaurant area before turning around and coming back down also in the company of Male A and Male B who pointed out that Male C was the person in charge though they did not confirm his name, we all then went upstairs to the restaurant area, as we entered the restaurant I stated "I take it Audrey isn't here" to which he mumbled a reply and asked us to take a seat to which we did. I then informed the Male C that the venue does not have a licence and that regulated entertainment is taking place in the form of the dj led amplified music being played and for this to take place it required a temporary event notice or a premises licence to which neither was in place, both Male A and Male B stated that the venue was closing at 2300hrs and there was no alcohol, my colleague Pc Minka Agyeman then explained to the both male regarding regulated entertainment and the requirements of the licensing act to which Male C stated "Doe has one he isn't around now", Pc Minka Agyeman explained that there was no TEN in place and asked "do you know when he did it?" to which Male C stated "I don't know he is not around now", Male A said "its not loud the music is not loud" I replied "it is loud and its amplified I am not going to argue with you it is the law". Pc Minka Agyeman said to both Male A and Male C "do you know Mr Doe do you know his number?", to which Male A said "he is not here", Pc Minka Agyeman said "perhaps you can give him a call and he can confirm if he has done any TENS", Male A said "he is not in this country". I said to both Male A and C "so who has hired the venue to you?", Male A said "its him" I said "who Eric?", Male A said "yes", I said "Eric not Audrey?", male A said "no Audrey", I said "is it Audrey or Eric as im confused", Male A said "Audrey". Whilst this conversation was taking place I began to complete Form 694 Notification of offence for a breach of section 136 A person commits an offence if—

(a) he carries on or attempts to carry on a licensable activity on or from any premises otherwise than under and in accordance with an authorisation, or

(b) he knowingly allows a licensable activity to be so carried on.

This form was completed to ensure that a log of the visit and offences was kept. The males then all rapidly disappeared back down stairs and I continued with completing the form. Male A returned and then phoned Audrey Straker and asked her to attend the venue to which she did at 2109hrs. I explained to Audrey that the venue had regulated entertainment taking place in the form of dj led amplified music without a licence or TEN in place, Audrey replied "there is no alcohol its a private event" I said "it doesn't matter its regulated entertainment and at the moment you have an unlicensed music event taking place on your premises", Audrey replied "im going to end it now". I then explained to Audrey that I am not going to ask her to finish the event at that moment as if it is abruptly stopped then we will have 150 teenagers out on the street without transport who will then highly likely loiter in the area which may cause an increase in crime and anti-social behaviour. I was also aware that there have recently been some serious assaults nearby involving under 18's, and due to the busy time of the year there may not be sufficient officers available to deal with any incidents and that a safe dispersal would be better. Audrey stated that she was sorry that she was not at the venue but she had been at her nieces who had passed away. Pc Minka Agyeman explained the form 694 to Audrey and informed her that the matter would be reported to Southwark council licensing "and she signed acknowledging our visit". Pc Minka Agyeman said to Audrey "was this a ticketed event?" Audrey said "this was a private event that should finish at 10o'clock", Pc Minka Agyeman said "I mean did they need tickets to get in?", Audrey replied "no this is a private thing". Pc Minka Agyeman said "so it was invite only?" Audrey said "yes". We then left the restaurant as i walked out of the door there was a large group of around 15 young males stood and sat to the right on the metal platform, i immediately smelt the distinct ordour of cannabis, my previous experience of persons in possession of cannabis allows me as a Police Officer to identify the ordour of cannabis. The smell was clearly coming from the group however i could not identify any individual smoking. We then walked down the iron stairs and through the gates where we were meet by Male C I said "how much was it to get in tonight and how many people?" to which he replied "£3 to get in and about 150 people", we then left the venue.

Subject: Re: Kent Restaurant and Lounge Ltd

Dear Andrew Heron,

Trust this email finds you well.

First and foremost, I would like to apologise genuinely for what happened on last Saturday.

I would never want to jeopardise the relationship I have and continue to build with Wesley and Mark over the past few months.

ESo, last Saturday a family member asked to hire our hall section for his daughters 17th birthday special event for her friends, school mates and family members. It wasn't an open invitation to anyone. And they've decided to use her birthday to raise money for her driving licence. So, they charged themselves £3 each, and on the night, her parents were at the door to collect the money.

The dad also happened to be an SIA Registered licenced door staff as well. He was at the door with two (2) of our SIA door staffs. The dad informed me that he even spoke with Mark on the night explaining it was his daughters birthday.

We hire out the hall lounge from 6pm - 10pm with NO ALCOHOL and Food on the night. There were no displayed alcohol or beverages. They were purely water and soft drinks only.

I had no intention of circumventing any licencing conditions. Since, we have taken over Kent Restaurant and Lounge, I have always seek permission for any event relating to alcohol, food and late night. I have genuinely believe hosting these kids between normal hours of 6pm - 10pm would not count as a breach, considering there were no alcohol on display or been sold, and finishing before 10:30pm.

I hold my hands up an apologies for technicalities and misunderstanding, and my miss judgement. Henceforth, this would never ever be repeated. I am genuinely sorry for the ill judgement. As I do not want to destroy my long term gain for a short term gain. I do not want anything that would affect and jeopardise my application I've work so hard for to reach to this point.

It will never be repeated, knowing that I can no longer hire out the hall event if there's No Alcohol on Sale until I have a licence.

I would like to continue with my application.

Thanks for your patience, understanding and consideration.

Sincerely,
Audrey Straker

Meeting Name:	Licensing Sub-Committee
Date:	27 January 2026
Report title:	Licensing Act 2003: La Hueca Limited, 220 Old Kent Road, London SE1 5UB
Ward(s) or groups affected:	Faraday
Classification:	Open
Reason for lateness (if applicable):	Not applicable
From:	Strategic Director of Environment, Sustainability and Leisure

RECOMMENDATION

1. That the licensing sub-committee considers an application made by Hugo Santiago Garzon Plua for a premises licence to be granted under the Licensing Act 2003 in respect of the premises known as La Hueca Limited, 220 Old Kent Road, London SE1 5UB.
2. Notes:
 - a) This application is for a premises licence and has been submitted under Section 17 of the Licensing Act 2003. The application is subject to an outstanding representation from one other person; and is therefore referred to the licensing sub-committee for determination.
 - b) Paragraphs 8 to 12 of this report provide a summary of the application. A copy of the application submitted with the application is attached to this report as Appendix A.
 - c) Paragraphs 14 to 18 of this report deal with the representations submitted in respect of the application. A copy of the conciliated representation from the Metropolitan Police is available in Appendix B, along with a list of agreed conditions. A copy of the outstanding representations from the four other persons are available in Appendix C. A map showing the location of the premises is attached to this report as Appendix D.
 - d) A copy of the council's approved procedure for hearings of the sub-committee in relation to an application made under the Licensing Act 2003, along with a copy of the hearing regulations, has been circulated to all parties to the meeting.

BACKGROUND INFORMATION

The Licensing Act 2003

3. The Licensing Act 2003 provides a licensing regime for:
 - The sale of and supply of alcohol
 - The provision of regulated entertainment
 - The provision of late night refreshment.
4. Within Southwark, the licensing responsibility is wholly administered by this council.
5. The Act requires the licensing authority to carry out its functions under the Act with a view to promoting the four stated licensing objectives. These are:
 - The prevention of crime and disorder
 - The promotion of public safety
 - The prevention of nuisance
 - The protection of children from harm.
6. In carrying out its licensing functions, a licensing authority must also have regard to:
 - The Act itself
 - The guidance to the act issued under Section 182 of the Act
 - Secondary regulations issued under the Act
 - The licensing authority's own statement of licensing policy
 - The application, including the operating schedule submitted as part of the application
 - Relevant representations.
7. The premises licence application process involves the provision of all relevant information required under the Act to the licensing authority with copies provided by the applicant to the relevant responsible bodies under the Act. The application must also be advertised at the premises and in the local press. The responsible authorities and other persons within the local community may make representations on any part of the application where relevant to the four licensing objectives.

KEY ISSUES FOR CONSIDERATION

The premises licence application

8. On 26 November 2025 Hugo Santiago Garzon Plua applied to this Council for a premises licence to be granted under the Licensing Act 2003 in respect of the premises known as La Hueca Limited, 220 Old Kent Road, London SE1 5UB.

9. The hours applied for are summarised as follows:
 - The sale by retail of alcohol (on sales only):
 - Monday to Sunday from 10:00 to 23:00
 - The provision of regulated entertainment in the form of recorded music (indoors):
 - Monday to Sunday from 09:00 to 23:00
 - Opening hours:
 - Monday to Sunday from 07:00 to 23:30
10. The premises, and the intended operation of the premises, are described in the application as follows:

“Restaurant and bar”.
11. The premises licence application form provides the applicant’s operating schedule. Parts A, B, E, F, G, H, J, K, L, and M of the operating schedule set out the proposed licensable activities, operating hours and operating control measures in full, with reference to the four licensing objectives as stated in the Licensing Act 2003. Should a premises licence be issued in respect of the application the information provided in part M of the operating schedule will form the basis of conditions that will be attached to any licence granted subsequent to the application.
12. A copy of the application is attached to this report as Appendix A.

Designated premises supervisor (DPS)

13. The proposed DPS is Hugo Santiago Garzon Plua who holds a personal licence with the London Borough of Newham and is also the premises licence Applicant.

Representations from responsible authorities

14. There was one representation from the Metropolitan Police (Licensing Division) in their role as a responsible authority.
15. The representation from the police asked for additional conditions. These have been agreed and the representation has been withdrawn. The original representation and a list of the agreed conditions are available in Appendix B.

Representations from other persons

16. There is one representation from one other person.

17. This representation is borderline in validity. In this circumstance, the Home Office Section 182 Guidance states that it must be referred to a licensing sub-committee for determination.
18. The representation states that they are the landlord of the premises; and that they do not give permission for a sub-tenant to hold an alcohol licence. However, this may be considered to be a civil dispute between parties. Secondly, the representation raises “concerns regarding public nuisance, disorder, and impact on the premises and surrounding area”, yet little evidence or example is provided, therefore it is referred to the sub-committee.

Conciliation

19. All representations were sent to the applicant. The police have withdrawn with the agreed conditions, the representation from other person is still outstanding and no response has been received to multiple communications.

Premises history

20. There was a premises known as Express Supermarket on this site. However, this licence was surrendered in November 2021.
21. There are no recent temporary event notices or complaints relating to this address.

Map

22. A map showing the location of the premises is attached to this report as Appendix D. The following is a list of licensed premises in the immediate vicinity (100 metres) of the premises application:

Southwark Council statement of licensing policy

23. Council assembly approved Southwark's statement of licensing policy 2021-2026 on 25 November 2020 and it came into effect on 1 January 2021.
24. Sections of the statement that are considered to be of particular relevance to the sub-committee's consideration are:
 - Section 3 - Purpose and scope of the policy. This reinforces the four licensing objectives and the fundamental principles upon which this Authority relies in determining licence applications.

- Section 5 – Determining applications for premises licences and club premises certificates. This explains how the policy works and considers issues such as location; high standards of management; and the principles behind condition setting.
 - Section 6 – Local cumulative impact policies. This sets out this authority's approach to cumulative impact and defines the boundaries of the current special policy areas and the classifications of premises to which they apply. To be read in conjunction with Appendix B to the policy.
 - Section 7 – Hours of operation. This provides a guide to the hours of licensed operation that this Authority might consider appropriate by type of premises and (planning) area classification.
 - Section 8 – The prevention of crime and disorder. This provides general guidance on the promotion of the first licensing objective.
 - Section 9 – Public safety. This provides general guidance on the promotion of the second licensing objective.
 - Section 10 – The prevention of nuisance. This provides general guidance on the promotion of the third licensing objective.
 - Section 11 – The protection of children from harm. This provides general guidance on the promotion of the fourth licensing objective.
25. The purpose of Southwark's statement of licensing policy is to make clear to applicants what considerations will be taken into account when determining applications and should act as a guide to the sub-committee when considering the applications. However, the sub-committee must always consider each application on its own merits and allow exceptions to the normal policy where these are justified by the circumstances of the application.
26. Members should take into consideration both the Southwark statement of licensing policy and the Section 182 Guidance when making decisions. The links for these are below:
- Southwark statement of licensing policy:
<https://www.southwark.gov.uk/sites/default/files/2024-09/Statement%20of%20Licensing%20Policy%202021-2026.pdf>
 - Section 182 Guidance:
[Revised guidance issued under section 182 of Licensing Act 2003 - GOV.UK](https://www.gov.uk/government/publications/section-182-guidance)

Cumulative impact area (CIA)

27. The premises is located outside of a cumulative impact area. The recommended closing hours for restaurants and public houses under the Southwark statement of licensing policy for that location is:

- Daily 23:00.

General guidance

28. Members should take into consideration both the Southwark Statement of Licensing Policy and the Section 182 Guidance when making decisions.

29. Members are required to have regard to the Home Office guidance in carrying out the functions of licensing authority. However, guidance does not cover every possible situation, so long as the guidance has been properly and carefully understood, members may depart from it if they have reason to do so. Full reasons must be given if this is the case.

30. Members should also consider the National Licensing Policy Framework for the hospitality and leisure sectors. The link for this is below:

[National Licensing Policy Framework for the hospitality and leisure sectors - GOV.UK](https://www.gov.uk/government/publications/national-licensing-policy-framework-for-the-hospitality-and-leisure-sectors)

Climate change implications

31. Following council assembly on 14 July 2021, the council is committed to considering the climate change implications of any decisions.

32. Climate change is not a legal factor in the consideration of a grant of a premises license under the current licensing objectives, however members can make enquiries and request an agreement from applicants to promote the reduction of the impact of climate change that may be caused by the operation of the premises.

33. Examples of such agreements may be:

- Not to use single use plastics, such as disposable plastic glasses, when selling alcohol at the premises.
- Encourage patrons not to drive to venues by providing details of public transport on their webpages/tickets.

34. The council's climate change strategy is available at:

<https://www.southwark.gov.uk/sites/default/files/2024-12/Climate%20Change%20Strategy%20%28July%202021%29%20%287%29.pdf>

Community, equalities (including socio-economic) and health impacts

Community impact statement

35. Each application is required by law to be considered upon its own individual merits with all relevant matters taken into account.

Equalities (including socio-economic) impact statement

36. This report does not result in a policy decision and each application is required to be considered upon its own individual merits with all relevant matters taken into account. In considering the recommendations of this report, due regard must be given to the public sector equality duty set out in section 149 of the Equality Act 2010. This requires the Council to consider all individuals when carrying out its functions.
37. Importantly, the council must have due regard to the need to eliminate discrimination, harassment, victimisation, or other prohibited conduct; advance equality of opportunity and foster good relations between people with protected characteristics and those who do not share these protected characteristics. The relevant protected characteristics are age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, sexual orientation. The public sector equality duty also applies to marriage and civil partnership, but only in relation to the need to eliminate discrimination, harassment, victimisation, or other prohibited conduct.
38. The equalities impact statement for licensing decisions is contained within the Southwark statement of licensing policy 2021 – 2026 at:

<https://www.southwark.gov.uk/sites/default/files/2024-09/Statement%20of%20Licensing%20Policy%202021-2026.pdf>

39. The equalities impact assessment is available at:

<https://modern.gov.southwark.gov.uk/documents/s92016/Appendix%20F%20-%20Equalities%20Impact%20Assessment.pdf>

Health impact statement

40. Health impacts cannot be considered by law when making decisions under the Licensing Act 2003.

Resource implications

41. A fee of £190.00 has been paid by the applicant company in respect of this application being the statutory fee payable for premises within non-domestic rateable value B.

Consultation

42. Consultation has been carried out on this application in accordance with the provisions of the Licensing Act 2003. A public notice was published in a local newspaper and similar notices were exhibited outside of the premises for a period of 28 consecutive days.

SUPPLEMENTARY ADVICE FROM OTHER OFFICERS

Assistant Chief Executive - Governance and Assurance

43. The sub-committee is asked to determine the application for a premises licence under Section 17 of the Licensing Act 2003.
44. The principles which sub-committee members must apply are set out below.

Principles for making the determination

45. The sub-committee is asked to determine the application for a premises licence under section 17 of the Licensing Act 2003.
46. The principles which sub-committee members must apply are set out below.
47. The general principle is that applications for premises licence applications must be granted unless relevant representations are received. This is subject to the proviso that the applicant has complied with regulations in advertising and submitting the application.
48. Relevant representations are those which:
- Are about the likely effect of the granting of the application on the promotion of the licensing objectives
 - Are made by an interested party or responsible authority
 - Have not been withdrawn
 - Are not, in the opinion of the relevant licensing authority, frivolous or vexatious.
49. If relevant representations are received then the sub-committee must have regard to them, in determining whether it is necessary for the promotion of the licensing objectives to:
- To grant the licence subject to:
 - The conditions mentioned in section 18 (2)(a) modified to such extent as the licensing authority considers necessary for the promotion of the licensing objectives
 - Any condition which must under section 19, 20 or 21 be included in the licence.
 - To exclude from the scope of the licence any of the licensable activities to which the application relates.

- To refuse to specify a person in the licence as the premises supervisor.
- To reject the application.

Conditions

50. The sub-committee's discretion is thus limited. It can only modify the conditions put forward by the applicant, or refuse the application, if it is necessary to do so. Conditions must be necessary and proportionate for the promotion of one of the four licensing objectives, and not for any other reason. Conditions must also be within the control of the licensee, and should be worded in a way which is clear, certain, consistent and enforceable.
51. The four licensing objectives are:
 - The prevention of crime and disorder
 - Public safety
 - The prevention of nuisance
 - The protection of children from harm.
52. Members should note that each objective is of equal importance. There are no other licensing objectives, and the four objectives are paramount considerations at all times.
53. Conditions will not be necessary if they duplicate a statutory position. Conditions relating to night café and take away aspect of the license must relate to the night time operation of the premises and must not be used to impose conditions which could not be imposed on daytime operators.
54. Members are also referred to the Home Office Revised Guidance issued under section 182 of the Licensing Act 2003 on conditions, specifically section

Reasons

55. If the sub-committee determines that it is necessary to modify the conditions, or to refuse the application for a premises licence application, it must give reasons for its decision.

Hearing procedures

56. Subject to the licensing hearing regulations, the licensing committee may determine its own procedures. Key elements of the regulations are that:
 - The hearing shall take the form of a discussion led by the authority. Cross examination shall not be permitted unless the authority considered that it is required for it to consider the representations.
 - Members of the authority are free to ask any question of any party or other person appearing at the hearing.

- The committee must allow the parties an equal maximum period of time in which to exercise their rights to:
 - Address the authority
 - If given permission by the committee, question any other party.
 - In response to a point which the authority has given notice it will require clarification, give further information in support of their application.
- The committee shall disregard any information given by a party which is not relevant to the particular application before the committee and the licensing objectives.
- The hearing shall be in public, although the committee may exclude the public from all or part of a hearing where it considers that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing, taking place in private.
- In considering any representations or notice made by a party the authority may take into account documentary or other information produced by a party in support of their application, representations or notice (as applicable) either before the hearing or, with the consent of all the other parties, at the hearing.

57. This matter relates to the determination of an application for a premises licence under Section 17 of the Licensing Act 2003. Regulation 26(1) (a) requires the sub-committee to make its determination at the conclusion of the hearing.

Council's multiple roles and the role of the licensing sub-committee

58. Sub-committee members will note that, in relation to this application, the council has multiple roles. Council officers from various departments have been asked to consider the application from the perspective of the council as authority responsible respectively for environmental health, trading standards, health and safety and as the planning authority.
59. Members should note that the licensing sub-committee is meeting on this occasion solely to perform the role of licensing authority. The sub-committee sits in quasi-judicial capacity, and must act impartially. It must offer a fair and unbiased hearing of the application. In this case, members should disregard the council's broader policy objectives and role as statutory authority in other contexts. Members must direct themselves to making a determination solely based upon the licensing law, guidance and the council's statement of licensing policy.
60. As a quasi-judicial body the licensing sub-committee is required to consider the application on its merits. The sub-committee must take into account only relevant factors, and ignore irrelevant factors. The decision must be based on evidence, that is to say material, which tends logically to show the existence or non-existence of relevant facts, or the likelihood or unlikelihood of the occurrence of some future event, the occurrence of which would be relevant.

The licensing sub-committee must give fair consideration to the contentions of all persons entitled to make representations to them.

61. The licensing sub-committee is entitled to consider events outside of the premises if they are relevant, i.e. are properly attributable to the premises being open. The proprietors do not have to be personally responsible for the incidents for the same to be relevant. However, if such events are not properly attributable to the premises being open, then the evidence is not relevant and should be excluded. Guidance is that the licensing authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public, living, working or engaged in normal activity in the area concerned.
62. Members will be aware of the council's code of conduct which requires them to declare personal and prejudicial interests. The code applies to members when considering licensing applications. In addition, as a quasi-judicial body, members are required to avoid both actual bias, and the appearance of bias.
63. The sub-committee can only consider matters within the application that have been raised through representations from other persons and responsible authorities. Interested parties must live in the vicinity of the premises. This will be decided on a case-by-case basis.
64. Under the Human Rights Act 1998, the sub-committee needs to consider the balance between the rights of the applicant and those making representations to the application when making their decision. The sub-committee has a duty under section 17 Crime and Disorder Act 1998 when making its decision to do all it can to prevent crime and disorder in the borough.
65. Other persons, responsible authorities and the applicant have the right to appeal the decision of the sub-committee to the magistrates' court within a period of 21 days beginning with the day on which the applicant was notified by the licensing authority of the decision to be appealed against.

Strategic Director of Resources

66. The head of regulatory services has confirmed that the costs of this process over and above the application fee are borne by the service.

Notes for Guidance

1. Describe the premises, for example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.
2. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08:00 and 23.00 on any day, provided that the audience does not exceed 500.
 - Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
 - Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - Live music: no licence permission is required for:
 - o a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
 - o a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - o a performance of amplified live music between 08.00 and 23.00 on any day, in a workplace that is not licensed to sell alcohol on those premises, provided that the audience does not exceed 500.
 - o a performance of amplified live music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - o a performance of amplified live music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school or (iii) the health care provider for the hospital.
 - Recorded Music: no licence permission is required for:
 - o any playing of recorded music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - o any playing of recorded music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - o any playing of recorded music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school proprietor or (iii) the health care provider for the hospital.
 - Dance: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500. However, a performance which amounts to adult entertainment remains licensable.
 - Cross activity exemptions: no licence is required between 08.00 and 23.00 on any day, with no limit on audience size for:
 - o any entertainment taking place on the premises of the local authority where the entertainment is provided by or on behalf of the local authority;
 - o any entertainment taking place on the hospital premises of the health care provider where the

entertainment is provided by or on behalf of the health care provider;

o any entertainment taking place on the premises of the school where the entertainment is provided by or on behalf of the school proprietor; and

o any entertainment (excluding films and a boxing or wrestling entertainment) taking place at a travelling circus, provided that (a) it takes place within a moveable structure that accommodates the audience, and (b) that the travelling circus has not been located on the same site for more than 28 consecutive days.

3. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).

4. For example the type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.

5. For example (but not exclusively), where the activity will occur on additional days during the summer months.

6. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.

7. Please give timings in 24 hour clock (e.g. 16.00) and only give details for the days of the week when you intend the premises to be used for the activity.

8. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.

9. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.

10. Please list here steps you will take to promote all four licensing objectives together.

11. The application form must be signed.

12. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.

13. Where there is more than one applicant, each of the applicants or their respective agent must sign the application form.

14. This is the address which we shall use to correspond with you about this application.

15. Entitlement to work/immigration status for individual applicants and applications

from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A current Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A current passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.

- A current Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A current passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A current Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A current Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A current Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, less than 6 months old, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a

European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.

- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:
 - o evidence of the applicant's own identity – such as a passport,
 - o evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - o evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;

(iv) any page containing the date of expiry; and

(v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Note 15: Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who: does not have the right to live and work in the UK; or is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity. Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways: by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance; by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below). Home Office online right to work checking service.

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

M - Steps to promote four licencing objectives

a) General - all four licensing objectives (b,c,d,e) (Please read guidance note 10)

	The premises is a small, indoor-only business where alcohol is served and consumed strictly on-site. There is no external area and customers will not be permitted to take alcohol or drinks outside at any time. The premises will operate until 23:30, with all licensable activities ceasing at that time. We are committed to running a safe, well-managed venue and promoting all four licensing objectives. Staff will be fully trained, strong management oversight will be in place, and we will work proactively with Southwark Council, Police, and local residents. Our small size allows for close supervision and controlled customer behaviour at all times.
--	--

b) the prevention of crime and disorder

	To prevent crime, disorder, and anti-social behaviour, we will implement the following controls: A high-quality CCTV system will operate 24/7 covering all entrances, internal customer areas, and the service/bar counter. Recordings will be kept for 31 days and provided to authorised officers upon request.
--	---

	A Challenge 25 policy will be strictly enforced for alcohol sales. Alcohol will only be sold by or under the supervision of a Personal Licence Holder. Staff will receive training in: - Responsible alcohol sales - Conflict management - Identifying intoxication - Procedures for refusals A refusal log and incident log will be maintained and available for inspection. No irresponsible drinks promotions will be allowed. Clear signage will remind customers to behave respectfully. The small size of the venue allows staff to effectively supervise all customer activity at all times.
--	---

c) public safety

	Public safety will be ensured through: - A completed and regularly reviewed Fire Risk Assessment. - Regular testing and maintenance of fire extinguishers, emergency lighting, and smoke detection systems. - Clear, unobstructed emergency exits. - Staff training in emergency evacuation procedures and basic first aid. - A stocked first aid kit on site at all times. - The premises will be kept clean, well-lit, and free from trip hazards. - Customer numbers will be closely monitored to prevent overcrowding due to the small premises size. - All equipment, including any kitchen appliances (if applicable), will be used safely and in accordance with manufacturer guidance.
--	--

d) the prevention of public nuisance

	As the premises does not have an external area, all activity will take place indoors, greatly reducing noise impact. Additional measures include: - Alcohol consumption and smoking will not be permitted outside the premises. - Customers will be encouraged to leave quietly, with clear "Please leave quietly" signage displayed at the exit. - Staff will supervise the dispersal of customers at closing time, especially between 23:00 and 23:30. - Doors and windows will remain closed when any background or amplified sound is in use, aside from normal entry and exit. - Noise levels inside will be monitored to ensure they are not audible outside the premises.
--	---

	Deliveries and waste collections will be arranged for reasonable daytime hours to avoid disturbance. The area outside the premises will be checked regularly to ensure it remains clean and free of litter.
--	---

e) the protection of children from harm

	We will ensure that children are protected through: A strict Challenge 25 age-verification policy. Acceptable ID: passport, photocard driving licence, or PASS-approved proof of age. A refusal log for attempted underage sales. Staff trained in recognising vulnerability and safeguarding concerns. Children will not be permitted on the premises without a responsible adult. No children will be allowed near the bar area unless supervised by an adult. All activities and products offered are suitable for an indoor, family-friendly environment.

Proof of Entitlement to work in the UK

Please upload your proof of entitlement to work in the UK or share code issued by the Home Office online right to work checking service. (Please see guidance below)

--	--

Note 15: Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who: does not have the right to live and work in the UK; or is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity. Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways: by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance. by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below). Home Office online right to work checking service.

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Declaration

[Applicable to individual applicants only, including those in a partnership which is not a limited liability partnership]

I understand I am not entitled to be issued with a licence if I do not have the entitlement to live and work in the UK (or if I am subject to a condition preventing me from doing work relating to the carrying on of a licensable activity) and that my licence will become invalid if I cease to be entitled to live and work in the UK.

The DPS named in this application form is entitled to work in the UK (and is not subject to conditions preventing him or her from doing work relating to a licensable activity) and I have seen a copy of his or her proof of entitlement to work, or have conducted an online right to work check using the Home Office online right to work checking service which confirmed their right to work.

I/We hereby declare the information provided is true and accurate.

Dear Sir/Madam

Re: La Hueca 220 Old Kent Road SE1 5UB

Police are in possession of an application from the above for a New Premises Licence for the supply of alcohol on sales, recorded music. The operating schedule describes it as a restaurant and bar. The Hours requested are outside those recommended in the Southwark Statement of Licensing for bars in a residential area

Open to the public
Mon-Sun-00hrs-2330hrs

Supply of Alcohol on sales only
Mon-Sun-1000hrs-2300hrs

Recorded music
Mon-Sun-0900hrs-2300hrs

The location for this premises is saturated with licensed premises of which within 100 meters there are 7 licensed premises offering similar operations. This application is vague as to how it will operate and merely offers itself as a restaurant and bar and therefore makes it difficult to set the parameters to which it may operate inclusive of control measures.

The applicant has offered some control measures however as previously mentioned without a detailed operating schedule we cannot ensure those offered address the licensing objectives.

In regards to the control measures offered the Home office guidance issued under Sec 182 of the licensing Act 2003 'General principles' state that it is important in

setting the parameters within which the premises may operate. Conditions must be precise and enforceable.

Police object to the granting of this licence in its current format as the applicant has not provided sufficient operating details and therefore the control measures offered do not fully address the licensing objectives in particular that of prevention of crime and disorder. There is also concern that the hours requested are outside those recommended within the Southwark statement of licensing policy. Police welcome the opportunity to communicate with the applicant to progress this application

Submitted for your consideration.

Yours Sincerely

- (viii) Any other relevant incidents

9. The incident book/incident recording system shall record the time, date, location, and description of each incident as well as the printed name of the person reporting the incident and any action taken in respect of the incident. The incident book/incident recording system shall be available and accessible at the premises at all times that the premises are in use in accordance with this licence and shall be made available immediately to Police and responsible authority officers upon request. A record of the preceding 12 months' incidents shall be available at the premises at any time. That all Digital records of training and/or logs shall be made immediately available to Police officers and authorised council officers.

10. Premises must have a welfare and vulnerability policy and all staff must receive this training. All new staff must receive this training before starting their role and all staff must have refresher training every 12 months. All

training must be recorded and these records must be available on immediate request by responsible authority officers. That all Digital records of training and/or logs shall be made immediately available to Police officers and authorised council officers.

11. The venue shall support “Ask for Angela” or another similar safety initiative and posters shall be displayed on the premises. All staff shall be trained in “Ask Angela” or a similar safety initiative and a record of this training shall be kept on the premises and made available for inspection immediately to responsible authority officers upon request. That all Digital records of training and/or logs shall be made immediately available to Police officers and authorised council officers.
12. That customers shall use no outside area other than those who temporarily leave the premises to smoke a cigarette at the front of the premises with no more than 4 people permitted to smoke at one any time. The Staff shall monitor the area and ensure patrons do not obstruct the highway or cause any disturbance to their neighbours.
13. That no alcohol or glassware shall be removed from the premises at any time
14. That the supply of alcohol on the premises shall only be to a person seated taking a hot table meal there and for consumption by such a person as ancillary to their meal only.
15. That all licensable activities shall cease 30 mins before the terminal hour
16. There shall be no vertical drinking in the premises
17. That the licensee shall risk assess the requirement for additional SIA door supervisors and implement accordingly. This assessment shall be in written format and available for inspection by to police officers and authorised council officers
18. There shall be no music led events be that live or recorded inclusive of DJs at the venue.
19. There will be a zero tolerance drugs and weapons policy shall be undertaken at the premises. (a) Anybody found with / using drugs and / or weapons will be ejected from the premises and shall not be admitted to the premises again. (b) The details of any person found dealing drugs or using weapons will be taken (if possible) and given to the police. Subject: Objection to Premises Licence Application – LA HUECA, 220 Old Kent Road SE1 5UB

Dear Licensing Team,

I am writing to formally object to the Premises Licence application submitted by Hugo Santiago Garzon Plua in respect of LA HUECA, 220 Old Kent Road, London SE1 5UB (application dated 02/12/2025).

I am the landlord of the above premises. The applicant is a subtenant only and does not have authority under the rental agreement, nor any written consent from me as landlord, to sell alcohol or apply for a Premises Licence.

The proposed sale of alcohol would be in direct breach of the lease terms, and this application has been made without my knowledge or approval.

For this reason, I strongly object to the granting of this licence. Allowing alcohol sales would also raise concerns regarding public nuisance, disorder, and impact on the premises and surrounding area.

I respectfully request that this objection be taken into account and that the application be refused.

Please confirm receipt of this representation.

Kind regards,
